CLO Transaction Overview

On July 20, 2021 (the "CLO Closing Date"), BrightSpire Capital, Inc. (f/k/a Colony Credit Real Estate, Inc.) (the "Company") entered into a collateralized loan obligation (the "CLO") through its subsidiary real estate investment trust, BrightSpire Capital Mortgage Sub-REIT, LLC (f/k/a CLNC Mortgage Sub-REIT, LLC) ("Sub-REIT"), and two wholly-owned subsidiaries of Sub-REIT, BRSP 2021-FL1, Ltd., a newly formed exempted company incorporated with limited liability under the laws of the Cayman Islands, as issuer (the "Issuer"), and BRSP 2021-FL1, LLC, a Delaware limited liability company, as co-issuer (the "Co-Issuer" and together with the Issuer, the "CLO Issuers"). On the CLO Closing Date, the CLO Issuers issued six classes of notes, the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes and the Class E Notes (the "Offered Notes"), and the Issuer issued an additional two classes of notes, the Class F Notes and the Class G Notes, each in the principal amount and having the characteristics and designations set forth in the table and description below (together with the Offered Notes, the "Notes"). In addition, concurrently with the issuance of the Notes, the Issuer issued 56,000 Preferred Shares, par value \$0.001 per share, and with an aggregate liquidation preference equal to \$1,000 per share (the "Preferred Shares" and, together with the Notes, the "Securities").

The CLO Issuers issued or co-issued the Notes, as applicable, pursuant to the terms of an indenture, dated as of July 20, 2021 (the "Indenture"), by and among the CLO Issuers, BrightSpire Capital Advancing Agent, LLC (f/k/a CLNC Advancing Agent, LLC) ("BRSP Advancing Agent"), as advancing agent (in such capacity, together with its permitted successors and assigns, the "Advancing Agent"), Wilmington Trust, National Association, as trustee (in such capacity, together with its permitted successors and assigns, the "Trustee"), and Wells Fargo Bank, National Association, as note administrator (together with its permitted successors and assigns, the "Note Administrator") and as custodian. The Note Administrator will also act as paying agent, calculation agent, transfer agent, backup advancing agent and notes registrar for the Issuer. BrightSpire Capital Advisors, LLC (f/k/a CLNC Advisors, LLC), a subsidiary of the Company, will serve as the collateral manager for the Issuer (in such capacity, together with its permitted successors and assigns, the "Collateral Manager"). A copy of the Indenture is filed herewith as Exhibit 10.1 and is incorporated herein by reference.

- (1) The weighted average life of each class of Notes has been calculated assuming certain collateral characteristics, including that there are no prepayments, defaults or delinquencies and certain other modeling assumptions. In addition, it is assumed that each commercial real estate loan pays off on its current maturity date without extension. There can be no assurances that such assumptions will be met.
- (2) The weighted average life of each class of Notes has been calculated assuming certain collateral characteristics, including that there are no prepayments, defaults or delinquencies and certain other modeling assumptions. In addition, it is assumed that each commercial real estate loan is fully extended to its maximum contracted extension term. There can be no assurances that such assumptions will be met.

The Notes will mature at par on the payment date in August 2038, unless redeemed or repaid prior thereto.

The Indenture allows for the exchange of all or a portion of certain classes of Notes for proportionate interests in one or more classes of certain other notes, as further explained under the heading "Exchangeable Notes" below.

The Offered Notes were placed pursuant to a Placement Agreement, dated as of July 12, 2021, by and among the Issuer, the Co-Issuer, BrightSpire Capital Operating Company, LLC (f/k/a Credit RE Operating Company, LLC), Wells Fargo Securities, LLC, Morgan Stanley & Co. LLC, Barclays Capital Inc., Goldman Sachs & Co. LLC and Citigroup Global Markets Inc. BRSP 2021-FL1 DRE, LLC, which is an indirect subsidiary of the Company and wholly-owned subsidiary of Sub-REIT, acquired 100% of the Class F Notes, the Class G Notes and the Preferred Shares issued on the CLO Closing Date.

The Offered Notes represent limited recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer payable solely from certain collateral interests acquired by the Issuer on and after the CLO Closing Date and pledged under the Indenture. To the extent the collateral is insufficient to make payments in respect of the Offered Notes, none of the Issuer, the Co-Issuer, any of their respective affiliates or any other person will have any obligation to pay any further amounts in respect of the Offered Notes. The Class F Notes and the Class G Notes, as well as any Classes of Notes acquired in exchange therefore, are not secured.

The Preferred Shares are subject to the terms and conditions of a Preferred Share Paying Agency Agreement, dated as of July 20, 2021, among the Issuer, Wells Fargo Bank, National Association, as preferred share paying agent and transfer agent, and MaplesFS Limited, as administrator and share registrar. The Preferred Shares will have no stated dividend rate except that two sub-classes of Preferred Shares each will have a dividend rate calculated on its notional amount pursuant to the Preferred Share Paying Agency Agreement. The holders of the Preferred Shares are entitled to receive monthly non-cumulative dividends on each payment date if and to the extent that funds are available for such purpose in accordance with the priority of payments and Cayman Islands law. Such dividends will be payable only to the extent of the Issuer's distributable profits and/or share premium and only if the Issuer is and will remain solvent after such distributions are paid (each factor determined in accordance with Cayman Islands law). In addition, the holders of the Preferred Shares will be entitled to receive distributions in connection with the redemption thereof, payable from the collateral after payment of all specified amounts in accordance with the priority of payments and Cayman Islands law.

The Securities have not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, and unless so registered, may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

The proceeds from the issuance of the Securities on the CLO Closing Date, after payment of certain fees and expenses, were used to (i) purchase an initial portfolio of collateral interests, (ii) repay amounts owed by BRSP 2021-FL1 Funding, LLC (the "Seller"), a Delaware limited liability company and the seller of the collateral interests in respect of pre-closing financings, and (iii) undertake certain related activities.

The initial portfolio of collateral interests was purchased by the Issuer from the Seller pursuant to a Collateral Interest Purchase Agreement (the "Collateral Interest Purchase Agreement"), dated as of July 20, 2021, by and among the Issuer, the Seller and, solely with regard to certain tax covenants, Sub-REIT. Pursuant to the Collateral Interest Purchase Agreement, the Seller made certain representations and warranties to the Issuer with respect to the collateral interests. In the event that a material breach of a representation or warranty or material document defect with respect to any collateral interest exists, the Seller will have to either (a) correct or cure such breach of representation or warranty or material document defect in all material respects, within 90 days of discovery by the Seller or written notice from any party to the Indenture (to the extent such breach or defect is capable of being corrected or cured), (b) subject to the consent of a majority of each class of Notes (excluding any Notes held by the Seller or any of its affiliates), make a cash payment to the Issuer or (c) repurchase such collateral interest at a repurchase price calculated as set forth in the Collateral Interest Purchase Agreement.

The Notes

Collateral

The Offered Notes will be secured by, among other things, (i) the collateral interests (mortgage loans, combined loans (consisting of mortgage loans and mezzanine loans) and participations in mortgage loans or combined loans) acquired by the Issuer, including the CLO Closing Date collateral interests and any collateral interests acquired by the Issuer after the CLO Closing Date, (ii) the escrow accounts, the collection account, the participated loan collection account, the REO accounts, the cash collateral accounts, the payment account, the reinvestment account, the custodial account and the related security entitlements and all income from the investment of funds in any of the foregoing at any time credited to any of the foregoing accounts, (iii) the eligible investments purchased from deposits in certain accounts, (iv) the Issuer's rights under certain agreements (including the Collateral Management Agreement, the Collateral Interest Purchase Agreement and the Servicing Agreement, each as defined herein), (v) all amounts delivered to the Note Administrator or its bailee (directly or through a securities intermediary), (vi) all other investment property, instruments and general intangibles in which the Issuer has an interest, other than certain excepted property, (vii) the Issuer's ownership interests in and rights in all permitted subsidiaries and (viii) all proceeds of the foregoing (collectively, the "Collateral"). The Collateral will not include, and the Offered Notes will not be secured by, any interests in certain excepted property.

Maturity

The Notes will mature at par on the payment date in August 2038, unless redeemed or repaid prior thereto.

Interest Rate

For purposes of the below, "Benchmark" means, initially, LIBOR; provided that if LIBOR or the then-current alternative benchmark is replaced, then "Benchmark" means the applicable replacement.

Class A Notes. The Class A Notes will bear interest at a per annum rate equal to the sum of (a) the Benchmark plus (b)(i) with respect to each payment date (and related interest accrual period), 1.15% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.25%.

Class A-S Notes. The Class A-S Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b)(i) with respect to each payment date (and related interest accrual period), 1.60% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.25%.

Class B Notes. The Class B Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b)(i) with respect to each payment date (and related interest accrual period), 1.90% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.50%.

Class C Notes. The Class C Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b)(i) with respect to each payment date (and related interest accrual period), 2.15% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.50%.

Class D Notes. The Class D Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b)(i) with respect to each payment date (and related interest accrual period), 2.70% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.50%.

Class E Notes. The Class E Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b)(i) with respect to each payment date (and related interest accrual period), 3.45% plus, (ii) with respect to each payment date (and related interest accrual period) on and after the payment date in May 2027, 0.50%.

Class F Notes. The Class F Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b) with respect to each payment date (and related interest accrual period), 5.00%.

Class G Notes. The Class G Notes will bear interest during each interest accrual period at a per annum rate equal to the sum of (a) the Benchmark plus, (b) with respect to each payment date (and related interest accrual period), 6.75% plus.

Interest on the Notes will be calculated based on the actual number of days in the related interest accrual period, assuming a 360-day year.

The failure to pay interest on the Class A Notes, the Class A-S Notes or the Class B Notes at any time or, if no Class A Notes, Class A-S Notes or Class B Notes are outstanding, on any other class of Notes at the time such class of Notes is the most senior class of Notes outstanding, will constitute an event of default under the Indenture (following any applicable grace period).

For so long as any class of Notes with a higher priority is outstanding, any interest due on the Class C Notes, the Class D Notes, the Class E Notes, the Class F Notes (including any corresponding Class F-E Notes and Class F-X Notes, if applicable) and the Class G Notes (including any corresponding Class G-E Notes and Class G-X Notes, if applicable) that is not paid as a result of the operation of the priority of payments on any payment date (any such interest, "Deferred Interest") will be deferred, will not be considered "due and payable" and the failure to pay such Deferred Interest will not be an event of default under the Indenture. Any Deferred Interest will be added to the outstanding principal balance of such class of Notes (or with respect to the Interest Only MASCOT Notes (as defined below), will have the effect of increasing the notional amount of the related notes and will accrue interest at the applicable rate).

Principal payments on each class of Notes will be paid in accordance with the priority of payments set forth in the Indenture.

Exchangeable Notes

As noted above, the Indenture allows for the exchange of all or a portion of certain classes of Notes for proportionate interests in one or more classes of certain other Notes. Specifically, all or a portion of each of the Class F Notes or the Class G Notes, as applicable, may be exchanged by the holders thereof (such Notes to be exchanged, the "Exchangeable Notes") for a corresponding (i) MASCOT P&I Note (as defined below) and (ii) a MASCOT Interest Only Note (as defined below). All or a portion of each class of Exchangeable Notes may be exchanged as follows: (a) the Class F Notes may be exchanged for proportionate interests in the Class F-E Notes (the "Class F-E Notes") and the Class F-X Notes (the "Class F-X Notes") and (b) the Class G Notes may be exchanged for proportionate interests in the Class G-E Notes (the "Class G-E Notes" and, together with the Class F-E Notes, the "MASCOT P&I Notes") and the Class G-X Notes (the "Class G-X Notes" and, together with the Class F-X Notes, the "MASCOT Interest Only Notes," and together with the MASCOT P&I Notes, the "MASCOT Notes"). The MASCOT Interest Only Notes receive interest payments but do not receive principal payments. Interest on the MASCOT Interest

Only Notes is calculated on a balance equal to the aggregate outstanding amount on such date of the related MASCOT P&I Note.

With respect to an exchange of the Class F Notes or the Class G Notes, as applicable, for MASCOT Notes, the principal balance of the applicable MASCOT P&I Note received in the exchange will be equal to the principal balance of the Class F Note or Class G Note, as applicable, surrendered in such exchange. The notional balance of a MASCOT Interest Only Note received in an exchange will be equal to the principal balance of the applicable MASCOT P&I Note received in the exchange. The per annum interest rates payable on the MASCOT P&I Notes and the MASCOT Interest Only Notes will be determined, on the date of such exchange, by the holder of the Class F Notes or the Class G Notes, as applicable, surrendered in such exchange. The sum of the interest rates of MASCOT Notes received in any exchange will equal the rates assigned to each of the Class F Notes or the Class G Notes, as applicable, surrendered in such exchange.

All or a portion of each class of the MASCOT Notes received in an exchange may be subsequently exchanged for Class F Notes or Class G Notes, as applicable. The principal balance of the Class F Notes or the Class G Notes, as applicable, received in an exchange will be equal to the principal balance of the corresponding MASCOT P&I Notes surrendered in such exchange and the per annum interest rates payable on the Class F Notes or the Class G Notes, as applicable, received in such exchange will equal the rates assigned to each of the Class F Notes or the Class G Notes, as applicable.

Subordination of the Notes

In general, payments of interest and principal on any class of Notes are subordinate to all payments of interest and principal on any class of Notes with a more senior priority. Generally, all payments on the Notes will be subordinate to certain payments required to be made in respect of any interest advances and certain other expenses. Payments on the Notes will be senior to any payments on or in respect of the Preferred Shares to the extent required by the priority of payments set forth in the Indenture.

Note Protection Tests

The Notes are subject to note protection tests (the "Note Protection Tests"), which will be used primarily to determine whether and to what extent interest received on the collateral interests may be used to make certain payments subordinate to interest and principal payments to the Offered Notes in the priority of payments set forth in the Indenture.

If either of the Note Protection Tests are not satisfied as of any determination date, then on the next payment date, interest proceeds and, to the extent necessary after such application of interest proceeds, principal proceeds will be used to redeem the Offered Notes in accordance with the priority of payments until such Note Protection Tests are satisfied.

The following chart specifies the minimum ratios required for each Note Protection Test to be satisfied for the Offered Notes.

Note Protection Test	Ratio
Minimum Par Value	117.01%
Minimum Interest Coverage	120.00%

The par value ratio is, as of any measurement date, the number (expressed as a percentage) calculated by dividing (a) the net outstanding portfolio balance on such measurement date by (b) the sum of the aggregate outstanding amount of the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes and the Class E Notes and the amount of any unreimbursed interest advances.

The interest coverage ratio is generally equal to the interest proceeds from the collateral portfolio divided by the interest payable on the Offered Notes.

Collateral Management Agreement

Certain advisory, administrative and monitoring functions relating to the collateral interests will be performed by the Collateral Manager, pursuant to a Collateral Management Agreement, dated as of July 20, 2021, between the Issuer and the Collateral Manager (the "Collateral Management Agreement").

As compensation for the performance of its obligations as Collateral Manager, the Collateral Manager is entitled to receive a fee, payable monthly in arrears, equal to (unless waived) 0.10% per annum of the sum of the net outstanding portfolio balance to the extent funds are available. BrightSpire Capital Advisors, LLC (f/k/a CLNC Advisors, LLC) has agreed to waive its entitlement to such Collateral Manager fee for so long as BrightSpire Capital Advisors, LLC (f/k/a CLNC Advisors, LLC) or an affiliate is the Collateral Manager under the Collateral Management Agreement.

The Collateral Manager may be removed upon at least 30 days' prior written notice if certain events of default have occurred, by the Issuer or the Trustee, if the holders of at least 66-2/3% in aggregate outstanding amount of each class of Notes then outstanding give written notice to the Collateral Manager, the Issuer and the Trustee directing such removal. The Collateral

Manager cannot be removed without cause but may resign as Collateral Manager upon 90 days' prior written notice. Upon any resignation or removal of the Collateral Manager while any of the Notes are outstanding, holders of a majority of the Preferred Shares (excluding any Preferred Shares held by certain related parties) will have the right to instruct the Issuer to appoint an institution identified by such holders as replacement Collateral Manager. In the event that (i) 100% of the aggregate outstanding Preferred Shares are held by related parties, (ii) the proposed replacement Collateral Manager is an affiliate of the Collateral Manager, and (iii) the appointment of the proposed replacement Collateral Manager would constitute an "assignment" under the Investment Advisers Act of 1940, the holders of at least a majority of the aggregate outstanding principal balance of the most junior class of Notes not 100% owned by related parties (excluding any Notes held by related parties to the extent the replacement Collateral Manager is an affiliate of the Collateral Manager or the Collateral Manager has been removed after the occurrence of an event of default) may direct the Issuer to appoint an institution identified by such holders as replacement Collateral Manager.

Except with respect to the limitations set forth in the Indenture, the Collateral Manager is not obligated to pursue any particular investment strategy or opportunity with respect to the collateral interests.

Reinvestment Period

The CLO includes a 24-month reinvestment period (unless all of the Notes are redeemed or an event of default occurs and is continuing before such date) (the "Reinvestment Period") during which the Issuer may acquire additional (a) mortgage loans, (b) combined loans or (c) participations in (i) a mortgage loan or (ii) a combined loan.

The Servicing Agreement

Except for certain non-serviced loans, the commercial real estate loans will be serviced by Keybank National Association, as servicer (the "Servicer"), and BrightSpire Capital Asset Management, LLC (f/k/a Colony Capital AMC OPCO, LLC), as special servicer (the "Special Servicer"), pursuant to a Servicing Agreement (the "Servicing Agreement"), dated as of July 20, 2021, by and among the Issuer, the Collateral Manager, the Servicer, the Special Servicer, the Advancing Agent, the Trustee and the Note Administrator.

The Servicing Agreement requires each of the Servicer and the Special Servicer to diligently service and administer the commercial real estate loans (other than certain non-serviced loans) and any applicable mortgaged property acquired directly or indirectly by the Special Servicer for the benefit of the secured parties under the Indenture. In connection with their respective duties under the Servicing Agreement, the Servicer and the Special Servicer (or any replacement servicer or special servicer) are entitled to monthly servicing and special servicing fees, as described in the Servicing Agreement.

The Issuer is a Taxable Mortgage Pool

The Issuer is a "taxable mortgage pool" ("TMP") under the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"). So long as the Issuer is wholly-owned by Sub-REIT and Sub-REIT remains qualified as a real estate investment trust ("REIT") under the Internal Revenue Code, the Issuer is expected to be treated as a "qualified REIT subsidiary" that is generally treated as part of Sub-REIT rather than as a fully taxable C corporation, which is the general treatment of a TMP that is not a wholly-owned subsidiary of a REIT.

However, "excess inclusion income" ("EII") attributable to a TMP, if distributed to the stockholders of a REIT, is taxable in all events to those stockholders regardless of the general tax characteristics of, and any tax attributes (such as net operating losses) otherwise available to, such stockholders. For example, EII would be unrelated business taxable income if it were distributed as dividends to stockholders of the Company that are otherwise generally exempt from U.S. federal income tax. The Company does not intend to distribute EII to its stockholders, but to instead pay (or cause to be paid) corporate income tax on such EII as and when it arises. Although the Company does not expect that the amount of any such corporate income tax will be material, there are various uncertainties concerning the correct computation of EII, which are to be based on regulations that have not yet been issued. These uncertainties could increase the amount of EII taxable to the Company or Sub-REIT above the amount the Company anticipates, could result in a portion of the dividends distributed to stockholders being treated as EII, or both. For more information, see "Taxation of Colony Credit Real Estate, Inc.—Requirements for Qualification-Taxable Mortgage Pools" and related disclosure in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, filed with the Securities and Exchange Commission on February 25, 2021.

In addition, if the Issuer ceased to be a "qualified REIT subsidiary", that would, subject to certain exceptions, generally be an event of default under the Indenture. In order for the Issuer to remain a "qualified REIT subsidiary" under the Internal Revenue Code, it must remain wholly-owned at all times by Sub-REIT or by another REIT. This generally will require Sub-REIT to retain not only all the equity in the Issuer, but also all of those classes of Notes as to which counsel to the Company is unable to render an opinion that they will be treated as indebtedness for U.S. federal income tax purposes if they are sold to another party. Such restrictions on transfer will restrict the liquidity of the equity in the Issuer and of the Class F Notes and the Class G Notes (or any related MASCOT Notes, if applicable), and indirectly the assets that secure the Notes, and could prevent the Company and Sub-REIT from transferring all or part of those positions in circumstances in which it would otherwise do so.

PRELIMINARY STATEMENT

Each of the Issuer and the Co-Issuer is duly authorized to execute and deliver this Indenture to provide for the Notes issuable as provided in this Indenture. All covenants and agreements made by the Issuer and Co-Issuer herein are for the benefit and security of the Secured Parties. The Issuer, the Co-Issuer, the Note Administrator, in all of its capacities hereunder, the Custodian, the Trustee and the Advancing Agent are entering into this Indenture, and the Trustee is accepting the trusts created hereby, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged.

All things necessary to make this Indenture a valid agreement of the Issuer and Co-Issuer in accordance with this Indenture’s terms have been done.

GRANTING CLAUSES

The Issuer hereby Grants to the Trustee, for the benefit and security of the Secured Parties, all of its right, title and interest in, to and under, in each case, whether now owned or existing, or hereafter acquired or arising out of (in each case, to the extent of the Issuer’s interest therein and specifically excluding any interest in the related Future Funding Participation therein and excluding any interest in the Excepted Property):

(a) the Closing Date Collateral Interests listed on Schedule A which the Issuer purchases on the Closing Date and causes to be delivered to the Trustee (directly to the custodian on its behalf) herewith, including all payments thereon or with respect thereto, and all Collateral Interests which are delivered to the Trustee (directly to the custodian on its behalf) after the Closing Date pursuant to the terms hereof (including all Reinvestment Collateral Interests acquired by the Issuer after the Closing Date) and all payments thereon or with respect thereto, in each case, other than Retained Interests, if any, under, and as defined in, the applicable Collateral Interest Purchase Agreement;

(b) the Servicing Accounts, the Indenture Accounts and the related security entitlements and all income from the investment of funds in any of the foregoing at any time credited to any of the foregoing accounts;

(c) the Eligible Investments;

(d) the rights of the Issuer under the Collateral Management Agreement, any Collateral Interest Purchase Agreement, the Company Administration Agreement, the AML Services Agreement, the Registered Office Agreement and the Servicing Agreement;

(e) all amounts delivered to the Note Administrator (directly or through a securities intermediary);

The collateral described in the foregoing clauses (a) through (h), with the exception of the Excepted Property, is referred to herein as the “**Collateral**.” Such Grants are made to secure the Offered Notes equally and ratably without prejudice, priority or distinction between any Offered Note and any other Offered Note for any reason, except as expressly provided in this Indenture (including, but not limited to, the Priority of Payments) and to secure (i) the payment of all amounts due on and in respect of the Offered Notes in accordance with their terms, (ii) the payment of all other sums payable under this Indenture, apart from any amounts payable in respect of the Class F Notes, the Class G Notes, and related MASCOT Notes for which the Class F Notes or the Class G Notes are exchanged, and (iii) compliance with the provisions of this Indenture, all as provided in this Indenture (together, the “**Secured Obligations**”). The foregoing Grant shall, for the purpose of determining the property subject to the lien of this Indenture, be deemed to include any securities and any investments granted by or on behalf of the Issuer to the Trustee for the benefit of the Secured Parties, whether or not such securities or such investments satisfy the criteria set forth in the definitions of “Collateral Interest” or “Eligible Investment,” as the case may be.

Except to the extent otherwise provided in this Indenture, this Indenture shall constitute a security agreement under the laws of the State of New York applicable to agreements made and to be performed therein, for the benefit of the Noteholders. Upon the occurrence and during the continuation of any Event of Default hereunder, and in addition to any other rights available under this Indenture or any other Collateral held for the benefit and security of the Noteholders or otherwise available at law or in equity but subject to the terms hereof, the Trustee shall have

all rights and remedies of a secured party under the laws of the State of New York and other applicable law to enforce the assignments and security interests contained herein and, in addition, shall have the right, subject to compliance with any mandatory requirements of applicable law and the terms of this Indenture, to exercise, sell or apply any rights and other interests assigned or pledged hereby in accordance with the terms hereof at public and private sale.

The Trustee acknowledges such Grants, accepts the trusts hereunder in accordance with the provisions hereof, and agrees to perform the duties herein in accordance with, and subject to, the terms hereof, in order that the interests of the Secured Parties may be adequately and effectively protected in accordance with this Indenture.

(3) in the case of a transfer of Definitive Notes, a Holder's Definitive Note properly endorsed for assignment to the transferee; and

(4) a duly completed certificate in substantially the form set forth in Exhibit I-1, then the Note Administrator or the Notes Registrar shall approve the instructions at DTC to reduce the principal amount of the Rule 144A Global Note (or, in the case of a transfer of Definitive Notes, the Note Administrator or the Notes Registrar shall cancel such Definitive Notes) and to increase the principal amount of the Regulation S Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note or Definitive Note to be exchanged or transferred, and to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Regulation S Global Note equal to the reduction in the principal amount of the Rule 144A Global Note (or, in the case of a cancellation of Definitive Notes, equal to the principal amount of Definitive Notes so cancelled).

(iv) **Transfer of Rule 144A Global Notes to Definitive Notes.** If, in accordance with Section 2.10, a holder of a beneficial interest in a Rule 144A Global Note wishes at any time to exchange its interest in such Rule 144A Global Note for a Definitive Note or to transfer its interest in such Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of a Definitive Note in accordance with Section 2.10, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such interest for a Definitive Note. Upon receipt by the Note Administrator or the Notes Registrar of (1) a duly complete certificate in substantially the form set forth in Exhibit I-3 and (2) appropriate instructions from DTC, if required, the Note Administrator or the Notes Registrar shall approve the instructions at DTC to reduce, or cause to be reduced, the Rule 144A Global Note by the aggregate principal amount of the beneficial interest in the Rule 144A Global Note to be transferred or exchanged, record the transfer in the Notes Register in accordance with Section 2.5(a) and upon execution by the Issuers, the Authenticating Agent shall authenticate and deliver one or more Definitive Notes, registered in the names specified in the instructions described in clause (2) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the interest in the Rule 144A Global Note transferred by the transferor).

(v) **Transfer of Definitive Notes to Rule 144A Global Notes.** If a holder of a Definitive Note wishes at any time to exchange its interest in such Definitive Note for a beneficial interest in a Rule 144A Global Note or to transfer such Definitive Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Rule 144A Global Note, such holder may, subject to the immediately succeeding sentence and the rules and procedures of DTC, exchange or transfer, or cause the exchange or transfer of, such Definitive Note for beneficial interest in a Rule 144A Global Note (**provided that** no IAI may hold an interest in a Rule 144A Global Note). Upon receipt by the Note Administrator or the Notes Registrar of (1) a Holder's

Definitive Note properly endorsed for assignment to the transferee; (2) a duly completed certificate in substantially the form set forth in Exhibit I-2; (3) instructions given in accordance with DTC's procedures from an Agent Member to instruct DTC to cause to be credited a beneficial interest in the Rule 144A Global Notes in an amount equal to the Definitive Notes to be transferred or exchanged; and (4) a written order given in accordance with DTC's procedures containing information regarding the participant's account of DTC to be credited with such increase, the Note Administrator or the Notes Registrar shall cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and approve the instructions at DTC, concurrently with such cancellation, to credit or cause to be credited to the securities account of the Person specified in such instructions a beneficial interest in the corresponding Rule 144A Global Note equal to the principal amount of the Definitive Note transferred or exchanged.

(vi) **Other Exchanges.** In the event that, pursuant to Section 2.10, a Global Note is exchanged for Definitive Notes, such Notes may be exchanged for one another only in accordance with such procedures as are substantially consistent with the provisions above (including certification requirements intended to ensure that such transfers are to a QIB or are to a non-U.S. Person, or otherwise comply with Rule 144A or Regulation S, as the case may be) and as may be from time to time adopted by the Issuer, the Co-Issuer and the Note Administrator.

(f) **Removal of Legend.** If Notes are issued upon the transfer, exchange or replacement of Notes bearing the applicable legends set forth in Exhibits A-1, A-2, B-1, B-2, C-1, C-2, D-1, D-2, E-1, E-2, F-1, F-2, G-1, G-2, G-3, G-4, G-5, G-6, H-1, H-2, H-3, H-4, H-5 and H-6, and if a request is made to remove such applicable legend on such Notes, the Notes so issued shall bear such applicable legend, or such applicable legend shall not be removed, as the case may be, unless there is delivered to the Issuer and the Co-Issuer such satisfactory evidence, which may include an Opinion of Counsel of an attorney at law licensed to practice law in the State of New York (and addressed to the Issuer and the Note Administrator), as may be reasonably required by the Issuer and the Co-Issuer, if applicable, to the effect that neither such applicable legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Regulation S, as applicable, the 1940 Act or ERISA. So long as the Issuer or the Co-Issuer is relying on an exemption under or promulgated pursuant to the 1940 Act, the Issuer or the Co-Issuer shall not remove that portion of the legend required to maintain an exemption under or promulgated pursuant to the 1940 Act. Upon provision of such satisfactory evidence, as confirmed in writing by the Issuer and the Co-Issuer, if applicable, to the Note Administrator, the Note Administrator, at the direction of the Issuer and the Co-Issuer, if applicable, shall authenticate and deliver Notes that do not bear such applicable legend.

(g) Each beneficial owner of Regulation S Global Notes shall be deemed to make the representations and agreements set forth in Exhibit I-1.

(h) Each beneficial owner of Rule 144A Global Notes shall be deemed to make the representations and agreements set forth in Exhibit I-2.

(i) Each Holder of Definitive Notes shall make the representations and agreements set forth in the certificate attached as Exhibit I-3.

(j) Any purported transfer of a Note not in accordance with Section 2.5(a) shall be null and void and shall not be given effect for any purpose hereunder.

(k) Notwithstanding anything contained in this Indenture to the contrary, neither the Note Administrator nor the Notes Registrar (nor any other Transfer Agent) shall be responsible or liable for compliance with applicable federal or state securities laws (including, without limitation, the Securities Act or Rule 144A or Regulation S promulgated thereunder), the 1940 Act, ERISA or the Code (or any applicable regulations thereunder); **provided, however, that** if a specified transfer certificate or Opinion of Counsel is required by the express terms of this Section 2.5 to be delivered to the Note Administrator or Notes Registrar prior to registration of transfer of a Note, the Note Administrator and/or Notes Registrar, as applicable, is required to request, as a condition for registering the transfer of the Note, such certificate or Opinion of Counsel and to examine the same to determine whether it conforms on its face to the requirements hereof (and the Note Administrator or Notes Registrar, as the case may be, shall promptly notify the party delivering the same if it determines that such certificate or Opinion of Counsel does not so conform).

(l) If the Note Administrator has actual knowledge or is notified by the Issuer, the Co-Issuer or the Collateral Manager that (i) a transfer or attempted or purported transfer of any interest in any Note was consummated in compliance with the provisions of this Section 2.5 on the basis of a materially incorrect certification from the transferee or purported transferee, (ii) a transferee failed to deliver to the Note Administrator any certification required to be delivered hereunder or (iii) the holder of any interest in a Note is in breach of any representation or agreement set forth in any certification or any deemed representation or agreement of such holder, the Note Administrator shall not register such attempted or purported transfer and if a transfer has been registered, such transfer shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee (such purported transferee, a “**Disqualified Transferee**”) and the last preceding holder of such interest in such Note that was not a Disqualified Transferee shall be restored to all rights as a Holder thereof retroactively to the date of transfer of such Note by such Holder.

In addition, the Note Administrator may require that the interest in the Note referred to in (i), (ii) or (iii) in the preceding paragraph be transferred to any Person designated by the Issuer or the Collateral Manager at a price determined by the Issuer or the Collateral Manager, based upon its estimation of the prevailing price of such interest and each Holder, by acceptance of an interest in a Note, authorizes the Note Administrator to take such action. In any case, none of the Issuer, the Collateral Manager and the Note Administrator shall be held responsible for any losses that may be incurred as a result of any required transfer under this Section 2.5(l).

(m) Each Holder of Notes approves and consents to (i) the purchase of the Closing Date Collateral Interests by the Issuer from the Seller on the Closing Date and (ii) any other transaction between the Issuer and the Collateral Manager or its Affiliates that are permitted under the terms of this Indenture or the Collateral Interest Purchase Agreement.

(n) As long as any Note is Outstanding, the Retained Securities, any retained or repurchased Notes, the Preferred Shares and the ordinary shares of the Issuer held by BRSP Sub-REIT, the Retention Holder or any other disregarded entity of BRSP Sub-REIT for U.S. federal income tax purposes may not be transferred (whether by means of actual transfer or a transfer of beneficial ownership for U.S. federal income tax purposes), pledged or hypothecated to any other Person (except to an affiliate that is wholly-owned by BRSP Sub-REIT and is disregarded for U.S. federal income tax purposes) unless the Issuer receives a No Entity-Level Tax Opinion (or has previously received a No Trade or Business Opinion).

For the avoidance of doubt, the Indenture Accounts (including income, if any, earned on the investments of funds in such account) will be owned by BRSP Sub-REIT, if the Issuer is wholly-owned by BRSP Sub-REIT, or a subsequent REIT that wholly owns the Issuer, for U.S. federal income tax purposes. The Issuer shall provide to the Note Administrator (i) an IRS Form W-9 or appropriate IRS Form W-8 no later than the Closing Date, and (ii) any additional IRS forms (or updated versions of any previously submitted IRS forms) or other documentation at such time or times required by applicable law or upon the reasonable request of the Note Administrator as may be necessary (x) to reduce or eliminate the imposition of U.S. withholding taxes and (y) to permit the Note Administrator to fulfill its tax reporting obligations under applicable law with respect to the Indenture Accounts or any amounts paid to the Issuer. If any IRS form or other documentation previously delivered becomes obsolete or inaccurate in any respect, Issuer shall timely provide to the Note Administrator accurately updated and complete versions of such IRS forms or other documentation. The Note Administrator shall have no liability to Issuer or any other person in connection with any tax withholding amounts paid or withheld from the Indenture Accounts pursuant to applicable law arising from the Issuer's failure to timely provide an accurate, correct and complete IRS Form W-9, an appropriate IRS Form W-8 or such other documentation contemplated under this paragraph. For the avoidance of doubt, no funds shall be invested with respect to such Indenture Accounts absent the Note Administrator having first received (i) the requisite written investment direction from the Issuer with respect to the investment of such funds, and (ii) the IRS forms and other documentation required by this paragraph.

Section 2.6 Mutilated, Defaced, Destroyed, Lost or Stolen Note. If (a) any mutilated or defaced Note is surrendered to a Transfer Agent, or if there shall be delivered to the Issuer, the Co-Issuer, the Trustee, the Note Administrator and the relevant Transfer Agent (each, a "**Specified Person**") evidence to their reasonable satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to each Specified Person such security or indemnity as may be required by each Specified Person to save each of them and any agent of any of them harmless, then, in the absence of notice to the Specified Persons that such Note has been acquired by a *bona fide* purchaser, the Issuer and, with respect to the Offered Notes, the Co-Issuer shall execute and, upon Issuer Request (which Issuer Request shall be deemed to have

been given upon receipt by the Note Administrator of a Note that has been signed by the Issuer, and the Co-Issuer, if applicable), the Note Administrator shall cause the Authenticating Agent to authenticate and deliver, in lieu of any such mutilated, defaced, destroyed, lost or stolen Note, a new Note, of like tenor (including the same date of issuance) and equal principal amount, registered in the same manner, dated the date of its authentication, bearing interest from the date to which interest has been paid on the mutilated, defaced, destroyed, lost or stolen Note and bearing a number not contemporaneously outstanding.

If, after delivery of such new Note, a *bona fide* purchaser of the predecessor Note presents for payment, transfer or exchange such predecessor Note, any Specified Person shall be entitled to recover such new Note from the Person to whom it was delivered or any Person taking therefrom, and each Specified Person shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by such Specified Person in connection therewith.

In case any such mutilated, defaced, destroyed, lost or stolen Note has become due and payable, the Issuer and the Co-Issuer, if applicable, in their discretion may, instead of issuing a new Note, pay such Note without requiring surrender thereof except that any mutilated or defaced Note shall be surrendered.

Upon the issuance of any new Note under this Section 2.6, the Issuer and the Co-Issuer, if applicable, may require the payment by the registered Holder thereof of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.6 in lieu of any mutilated, defaced, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer and the Co-Issuer, if applicable, and such new Note shall be entitled, subject to the second paragraph of this Section 2.6, to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.6 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, defaced, destroyed, lost or stolen Notes.

Section 2.7 Payment of Principal and Interest and Other Amounts; Principal and Interest Rights Preserved.

(a) Each Class of Notes shall accrue interest during each Interest Accrual Period at the Note Interest Rate applicable to such Class and such interest will be payable in arrears on each Payment Date on the Aggregate Outstanding Amount thereof on the first day of the related Interest Accrual Period (after giving effect to payments of principal thereof on such date), except as otherwise set forth below. Payment of interest on each Class of Notes will be subordinated to the payment of interest on each related Class of Notes senior thereto. Interest will cease to accrue on each Note, or in the case of a partial repayment, on such repaid part, from the date of repayment or the Stated Maturity Date unless payment of principal is improperly withheld or

unless an Event of Default occurs with respect to such payments of principal. To the extent lawful and enforceable, interest on any interest that is not paid when due on the Class A Notes; or, if no Class A Notes are Outstanding, the Notes of the Controlling Class, shall accrue at the Note Interest Rate applicable to such Class until paid as provided herein.

(b) (i) So long as any of the Class A Notes, the Class A-S Notes or the Class B Notes are outstanding, the Class C Deferred Interest will be deferred and added to the Aggregate Outstanding Amount of the Class C Notes and will not be considered “due and payable” until the Payment Date on which funds are available to pay such Class C Deferred Interest in accordance with the Priority of Payments, (ii) so long as any of the Class A Notes, the Class A-S Notes, the Class B Notes or the Class C Notes are outstanding, the Class D Deferred Interest will be deferred and added to the Aggregate Outstanding Amount of the Class D Notes and will not be considered “due and payable” until the Payment Date on which funds are available to pay such Class D Deferred Interest in accordance with the Priority of Payments, (iii) so long as any of the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes or the Class D Notes are outstanding, the Class E Deferred Interest will be deferred and added to the Aggregate Outstanding Amount of the Class E Notes and will not be considered “due and payable” until the Payment Date on which funds are available to pay such Class E Deferred Interest in accordance with the Priority of Payments, (iv) so long as any of the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes or the Class E Notes are outstanding, the Class F Deferred Interest and the Class F-E Deferred Interest will be deferred and added to the Aggregate Outstanding Amount of the Class F Notes or the Class F-E Notes, as applicable, and will not be considered “due and payable” until the Payment Date on which funds are available to pay such Class F Deferred Interest and Class F-E Deferred Interest in accordance with the Priority of Payments and (v) so long as any of the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes, the Class F Notes, the Class F-E Notes or the Class F-X Notes are outstanding, the Class G Deferred Interest and the Class G-E Deferred Interest will be deferred and added to the Aggregate Outstanding Amount of the Class G Notes or the Class G-E Notes, as applicable, and will not be considered “due and payable” until the Payment Date on which funds are available to pay such Class G Deferred Interest and Class G-E Deferred Interest in accordance with the Priority of Payments. The failure to pay such Class C Deferred Interest, Class D Deferred Interest, Class E Deferred Interest, Class F Deferred Interest, Class F-E Deferred Interest, Class G Deferred Interest or the Class G-E Deferred Interest as a result of the operation of the Priority of Payments will not constitute an Event of Default under this Indenture.

(c) The principal of each Class of Notes matures at par and is due and payable on the date of the Stated Maturity Date for such Class, unless such principal has been previously repaid or unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise. Notwithstanding the foregoing, the payment of principal of each Class of Notes may only occur pursuant to the Priority of Payments. The payment of principal on any Note (x) may only occur after each Class more senior thereto is no longer Outstanding and (y) is subordinated to the payment on each Payment Date of the principal due and payable on each Class more senior thereto and certain other amounts in accordance with the Priority of Payments. Payments of principal on any Class of Notes that are

not paid, in accordance with the Priority of Payments, on any Payment Date (other than the Payment Date which is the Stated Maturity Date (or the earlier date of Maturity) of such Class of Notes or any Redemption Date), because of insufficient funds therefor shall not be considered “due and payable” for purposes of Section 5.1(a) until the Payment Date on which such principal may be paid in accordance with the Priority of Payments or all Classes of Notes most senior thereto with respect to such Class have been paid in full. Payments of principal on the Notes in connection with a Clean-up Call, Tax Redemption, Auction Call Redemption or Optional Redemption will be made in accordance with Section 9.1 and the Priority of Payments.

(d) As a condition to the payment of principal of and interest on any Note without the imposition of U.S. withholding tax, the Issuer shall require certification acceptable to it to enable the Issuer, the Co-Issuer, the Trustee, the Preferred Share Paying Agent and the Paying Agent to determine their duties and liabilities with respect to any taxes or other charges that they may be required to deduct or withhold from payments in respect of such Security under any present or future law or regulation of the United States or the Cayman Islands or any present or future law or regulation of any political subdivision thereof or taxing authority therein or to comply with any reporting or other requirements under any such law or regulation. Such certification may include U.S. federal income tax forms (such as IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Individuals)), Form W-8BEN-E (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Entities)), Form W-8IMY (Certificate of Foreign Intermediary, Foreign Flow-Through Entity or Certain U.S. Branches for United States Tax Withholding and Reporting), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certificate of Foreign Person’s Claim that Income Is Effectively Connected with the Conduct of a Trade or Business in the United States) or any successors to such IRS forms). In addition, each of the Issuer, Co-Issuer, the Trustee, Preferred Share Paying Agent or any Paying Agent may require certification acceptable to it to enable the Issuer to qualify for a reduced rate of withholding in any jurisdiction from or through which the Issuer receives payments on its Collateral and otherwise as may be necessary or desirable to ensure compliance with all applicable laws. Each Holder and each beneficial owner of Notes agree to provide any certification requested pursuant to this Section 2.7(d) and to update or replace such form or certification in accordance with its terms or its subsequent amendments. Furthermore, the Issuer shall require, as a condition to payment without the imposition of U.S. withholding tax under the FATCA, information to comply with FATCA or the Cayman FATCA Legislation requirements pursuant to clause (xiv) of the representations and warranties set forth under the third paragraph of Exhibit I-1, as deemed made pursuant to Section 2.5(g), or pursuant to clause (xv) of the representations and warranties set forth under the third paragraph of Exhibit I-2, as deemed made pursuant to Section 2.5(h), or pursuant to clause (xiii) of the representations and warranties set forth under the third paragraph of Exhibit I-3, made pursuant to Section 2.5(i), as applicable. Noteholders shall be required to provide to the Issuer, the Note Administrator or their agents all information, documentation or certifications acceptable to it to permit the Issuer or the Note Administrator to comply with its tax reporting obligations under applicable law (including FATCA and the Cayman FATCA Legislation), including any applicable cost basis reporting obligations. Each Holder is deemed to agree and represent that the Issuer and/or the Trustee or their agents or representatives may (1) provide such information and documentation and any

other information concerning its investment in such Notes to the Cayman Islands Tax Information Authority, the U.S. Internal Revenue Service and any other relevant tax authority and (2) take such other steps as the deem necessary or helpful to comply with FATCA and the Cayman FATCA Legislation.

(e) Payments in respect of interest on and principal on the Notes shall be payable by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; **provided that** the Holder has provided wiring instructions to the Paying Agent on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register. The Issuer expects that the Depository or its nominee, upon receipt of any payment of principal or interest in respect of a Global Note held by the Depository or its nominee, shall immediately credit the applicable Agent Members' accounts with payments in amounts proportionate to the respective beneficial interests in such Global Note as shown on the records of the Depository or its nominee. The Issuer also expects that payments by Agent Members to owners of beneficial interests in such Global Note held through Agent Members will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of the Agent Members. Upon final payment due on the Maturity of a Note, the Holder thereof shall present and surrender such Note at the Corporate Trust Office of the Note Administrator or at the office of the Paying Agent (or, to a foreign paying agent appointed by the Note Administrator outside of the United States if then required by applicable law, in the case of a Definitive Note issued in exchange for a beneficial interest in the Regulation S Global Note) on or prior to such Maturity. None of the Issuer, the Co-Issuer, the Trustee, the Note Administrator or the Paying Agent will have any responsibility or liability with respect to any records maintained by the Holder of any Note with respect to the beneficial holders thereof or payments made thereby on account of beneficial interests held therein. In the case where any final payment of principal and interest is to be made on any Note (other than on the Stated Maturity Date thereof) the Issuer or, upon Issuer Request, the Note Administrator, in the name and at the expense of the Issuer, shall not more than thirty (30) nor fewer than five (5) Business Days prior to the date on which such payment is to be made, mail to the Persons entitled thereto at their addresses appearing on the Notes Register, a notice which shall state the date on which such payment will be made and the amount of such payment and shall specify the place where such Notes may be presented and surrendered for such payment.

(f) Subject to the provisions of Sections 2.7(a) and Section 2.7(e), Holders of Notes as of the Record Date in respect of a Payment Date shall be entitled to the interest accrued and payable in accordance with the Priority of Payments and principal payable in accordance with the Priority of Payments on such Payment Date. All such payments that are mailed or wired and returned to the Paying Agent shall be held for payment as herein provided at the office or agency of the Issuer and the Co-Issuer to be maintained as provided in Section 7.2 (or returned to the Trustee).

(g) Interest on any Note which is payable, and is punctually paid or duly provided for, on any Payment Date shall be paid to the Person in whose name that Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

(h) Payments of principal to Holders of the Notes of each Class shall be made in the proportion that the Aggregate Outstanding Amount of the Notes of such Class registered in the name of each such Holder on such Record Date bears to the Aggregate Outstanding Amount of all Notes of such Class on such Record Date.

(i) Interest accrued with respect to the Notes shall be calculated as described in the applicable form of Note attached hereto.

(j) All reductions in the principal amount of a Note (or one or more predecessor Notes) effected by payments of installments of principal made on any Payment Date, Redemption Date or upon Maturity shall be binding upon all future Holders of such Note and of any Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, whether or not such payment is noted on such Note.

(k) Notwithstanding anything contained in this Indenture to the contrary, the obligations of the Issuer under the Notes and the Co-Issuer under the Offered Notes, this Indenture and the other Transaction Documents are limited-recourse obligations of the Issuer and non-recourse obligations of the Co-Issuer. The Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes and the Class G-X Notes are limited recourse obligations of the Issuer. The Notes are payable solely from the Collateral and following realization of the Collateral, all obligations of the Co-Issuers, with respect to the Offered Notes, or the Issuer, with respect to the Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes and the Class G-X Notes, and any claims of the Noteholders, the Trustee or any other parties to any Transaction Documents shall be extinguished and shall not thereafter revive. No recourse shall be had for the payment of any amount owing in respect of the Notes against any Officer, director, employee, shareholder, limited partner or incorporator of the Issuer, the Co-Issuer or any of their respective successors or assigns for any amounts payable under the Notes or this Indenture. It is understood that the foregoing provisions of this paragraph shall not (i) prevent recourse to the Collateral for the sums due or to become due under any security, instrument or agreement which is part of the Collateral or (ii) constitute a waiver, release or discharge of any indebtedness or obligation evidenced by the Notes or secured by this Indenture (to the extent it relates to the obligation to make payments on the Notes) until such Collateral have been realized, whereupon any outstanding indebtedness or obligation in respect of the Notes, this Indenture and the other Transaction Documents shall be extinguished and shall not thereafter revive. It is further understood that the foregoing provisions of this paragraph shall not limit the right of any Person to name the Issuer or the Co-Issuer as a party defendant in any Proceeding or in the exercise of any other remedy under the Notes or this Indenture, so long as no judgment in the nature of a deficiency judgment or seeking personal liability shall be asked for or (if obtained) enforced against any such Person or entity.

(l) Subject to the foregoing provisions of this Section 2.7, each Note delivered under this Indenture and upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights of unpaid interest and principal that were carried by such other Note.

(m) Notwithstanding any of the foregoing provisions with respect to payments of principal of and interest on the Notes (but subject to Sections 2.7(f) and (i)), if the Notes have become or been declared due and payable following an Event of Default and such acceleration of Maturity and its consequences have not been rescinded and annulled and the provisions of Section 5.5 are not applicable, then payments of principal of and interest on such Notes shall be made in accordance with Section 5.7.

(n) Payments in respect of the Preferred Shares as contemplated by Sections 11.1(a)(i)(20), 11.1(a)(ii)(18) and 11.1(a)(iii)(19) shall be made by the Paying Agent to the Preferred Share Paying Agent.

Section 2.8 Persons Deemed Owners. The Issuer, the Co-Issuer, the Trustee, the Note Administrator, the Servicer, the Special Servicer, and any of their respective agents may treat as the owner of a Note the Person in whose name such Note is registered on the Notes Register on the applicable Record Date for the purpose of receiving payments of principal of and interest and other amounts on such Note and on any other date for all other purposes whatsoever (whether or not such Note is overdue), and none of the Note Administrator, the Servicer, the Special Servicer, or any of their respective agents shall be affected by notice to the contrary; **provided, however, that** the Depository, or its nominee, shall be deemed the owner of the Global Notes, and owners of beneficial interests in Global Notes will not be considered the owners of any Notes for the purpose of receiving notices. With respect to the Preferred Shares, on any Payment Date, the Note Administrator shall deliver to the Preferred Share Paying Agent the distributions thereon for distribution to the Preferred Shareholders.

Section 2.9 Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption, or deemed lost or stolen, shall, upon delivery to the Notes Registrar, be promptly canceled by the Notes Registrar and may not be reissued or resold. No Notes shall be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section 2.9, except as expressly permitted by this Indenture. All canceled Notes held by the Notes Registrar shall be destroyed or held by the Notes Registrar in accordance with its standard retention policy. Notes of the most senior Class Outstanding that are held by the Issuer, the Co-Issuer, the Collateral Manager or any of their respective Affiliates (and not Notes of any other Class) may be submitted to the Notes Registrar for cancellation at any time.

Section 2.10 Global Notes; Definitive Notes; Temporary Notes.

(a) **Definitive Notes.** Definitive Notes shall only be issued in the following limited circumstances:

(i) at the discretion of the Issuer, at the direction of the Collateral Manager, with respect to any Class of Notes,

(ii) upon Transfer of Global Notes to an IAI or a QIB in accordance with the procedures set forth in Section 2.5(e)(ii), Section 2.5(e)(iii) or Section 2.5(e)(vi);

(iii) if a holder of a Definitive Note wishes at any time to exchange such Definitive Note for one or more Definitive Notes or transfer such Definitive Note to a transferee who wishes to take delivery thereof in the form of a Definitive Note in accordance with this Section 2.10, such holder may effect such exchange or transfer upon receipt by the Notes Registrar of (A) a Holder's Definitive Note properly endorsed for assignment to the transferee, and (B) duly completed certificates in substantially the form set forth in Exhibit I-3, upon receipt of which the Notes Registrar shall then cancel such Definitive Note in accordance herewith, record the transfer in the Notes Register in accordance with Section 2.5(a) and upon execution by the Co-Issuers, the Authenticating Agent shall authenticate and deliver one or more Definitive Notes bearing the same designation as the Definitive Note endorsed for transfer, registered in the names specified in the assignment described in clause (A) above, in principal amounts designated by the transferee (the aggregate of such principal amounts being equal to the aggregate principal amount of the Definitive Note surrendered by the transferor);

(iv) in the event that the Depository notifies the Issuer and, with respect to the Offered Notes, the Co-Issuer that it is unwilling or unable to continue as Depository for a Global Note or if at any time such Depository ceases to be a "Clearing Agency" registered under the Exchange Act and a successor depository is not appointed by the Issuer within ninety (90) days of such notice, the Global Notes deposited with the Depository pursuant to Section 2.2 shall be transferred to the beneficial owners thereof subject to the procedures and conditions set forth in this Section 2.10.

(b) Any Global Note that is exchanged for a Definitive Note shall be surrendered by the Depository to the Note Administrator's Corporate Trust Office together with necessary instruction for the registration and delivery of a Definitive Note to the beneficial owners (or such owner's nominee) holding the ownership interests in such Global Note. Any such transfer shall be made, without charge, and the Authenticating Agent shall authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount of Definitive Notes of the same Class and authorized denominations. Any Definitive Notes delivered in exchange for an interest in a Global Note shall, except as otherwise provided by Section 2.5(f), bear the applicable legend set forth in Exhibits A-2, B-2, C-2, D-2, E-2, F-2, G-2, G-4, G-6, H-2, H-4 and H-6, as applicable, and shall be subject to the transfer restrictions referred to in such applicable legend. The Holder of each such registered individual Global Note may transfer such Global Note by surrendering it at the Corporate Trust Office of the Note Administrator, or at the office of the Paying Agent.

(c) Subject to the provisions of Section 2.10(b), the registered Holder of a Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(d) [Reserved].

(e) In the event of the occurrence of either of the events specified in Section 2.10(a), the Issuer and the Co-Issuer shall promptly make available to the Notes Registrar a reasonable supply of Definitive Notes.

Pending the preparation of Definitive Notes pursuant to this Section 2.10, the Issuer and, with respect to the Offered Notes, the Co-Issuer may execute and, upon Issuer Order, the Authenticating Agent shall authenticate and deliver, temporary Notes that are printed, lithographed, typewritten, mimeographed or otherwise reproduced, in any authorized denomination, substantially of the tenor of the Definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Officers executing such Definitive Notes may determine, as conclusively evidenced by their execution of such Definitive Notes.

If temporary Definitive Notes are issued, the Issuer and the Co-Issuer shall cause permanent Definitive Notes to be prepared without unreasonable delay. The Definitive Notes shall be printed, lithographed, typewritten or otherwise reproduced, or provided by any combination thereof, or in any other manner permitted by the rules and regulations of any applicable notes exchange, all as determined by the Officers executing such Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the applicable temporary Definitive Notes at the office or agency maintained by the Issuer and the Co-Issuer for such purpose, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Definitive Note, the Issuer and, with respect to the Offered Notes, the Co-Issuer shall execute, and the Authenticating Agent shall authenticate and deliver, in exchange therefor the same aggregate principal amount of Definitive Notes of authorized denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 2.11 U.S. Tax Treatment of Notes and the Issuer; AML Compliance.

(a) Each of the Issuer and the Co-Issuer intends that, for U.S. federal income tax purposes, the Notes (unless held by BRSP Sub-REIT or any entity disregarded into BRSP Sub-REIT) be treated as debt and that the Issuer be treated as a Qualified REIT Subsidiary (unless the Issuer has received a No Entity-Level Tax Opinion). Each prospective purchaser and any subsequent transferee of a Note or any interest therein shall, by virtue of its purchase or other acquisition of such Note or interest therein, be deemed to have agreed to treat such Note in a manner consistent with the preceding sentence for U.S. federal income tax purposes.

(b) The Issuer and, with respect to the Offered Notes, the Co-Issuer shall account for the Notes, and prepare any reports to Noteholders and tax authorities consistent with the intentions expressed in Section 2.11(a).

(c) Each Holder of Notes shall timely furnish to the Issuer and the Co-Issuer or their respective agents any completed U.S. federal income tax form or certification (such as IRS Form W-8BEN (Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding and Reporting (Individuals)), IRS Form W-8BEN-E (Certificate of Foreign Status of Beneficial Owner for the United States Tax Withholding and Reporting (Entities)), IRS

Form W-8IMY (Certificate of Foreign Intermediary, Foreign Flow Through Entity, or Certain U.S. Branches for United States Tax Withholding and Reporting), IRS Form W-9 (Request for Taxpayer Identification Number and Certification), or IRS Form W-8ECI (Certificate of Foreign Person's Claim that Income is Effectively Connected with the Conduct of a Trade or Business in the United States)) or any successors to such IRS forms that the Issuer, the Co-Issuer or their respective agents may reasonably request and shall update or replace such forms or certification in accordance with its terms or its subsequent amendments. Furthermore, Noteholders shall timely furnish any information required pursuant to Section 2.7(d).

(d) Each Holder will provide the Issuer or its agents with such information and documentation that may be required for the Issuer to achieve AML Compliance and shall update or replace such information or documentation, as may be necessary (the "**Holder AML Obligations**").

Section 2.12 Authenticating Agents. Upon the request of the Issuer and, with respect to the Offered Notes, the Co-Issuer, the Note Administrator shall, and if the Note Administrator so chooses the Note Administrator may, pursuant to this Indenture, appoint one (1) or more Authenticating Agents with power to act on its behalf and subject to its direction in the authentication of Notes in connection with issuance, transfers and exchanges under Sections 2.4, 2.5, 2.6 and 8.5, as fully to all intents and purposes as though each such Authenticating Agent had been expressly authorized by such Sections to authenticate such Notes. For all purposes of this Indenture, the authentication of Notes by an Authenticating Agent pursuant to this Section 2.12 shall be deemed to be the authentication of Notes by the Note Administrator.

Any corporation or banking association into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or banking association resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation succeeding to the corporate trust business of any Authenticating Agent, shall be the successor of such Authenticating Agent hereunder, without the execution or filing of any further act on the part of the parties hereto or such Authenticating Agent or such successor corporation. Any Authenticating Agent may at any time resign by giving written notice of resignation to the Note Administrator, the Trustee, the Issuer and the Co-Issuer. The Note Administrator may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent, the Trustee, the Issuer and the Co-Issuer. Upon receiving such notice of resignation or upon such a termination, the Note Administrator shall promptly appoint a successor Authenticating Agent and shall give written notice of such appointment to the Issuer.

The Note Administrator agrees to pay to each Authenticating Agent appointed by it from time to time reasonable compensation for its services, and reimbursement for its reasonable expenses relating thereto and the Note Administrator shall be entitled to be reimbursed for such payments, subject to Section 6.7. The provisions of Sections 2.9, 6.4 and 6.5 shall be applicable to any Authenticating Agent.

Section 2.13 Forced Sale on Failure to Comply with Restrictions.

(a) Notwithstanding anything to the contrary elsewhere in this Indenture, any transfer of a Note or interest therein to a U.S. Person who is determined not to have been both (i) a QIB or an IAI and (ii) a Qualified Purchaser at the time of acquisition of the Note or interest therein shall be null and void and any such proposed transfer of which the Issuer, the Co-Issuer, the Note Administrator or the Trustee shall have written notice (which includes via electronic mail) may be disregarded by the Issuer, the Co-Issuer, the Note Administrator and the Trustee for all purposes.

(b) If the Issuer determines that any Holder of a Note has not satisfied the applicable requirement described in Section 2.13(a) (any such Person a “**Non-Permitted Holder**”), then the Issuer shall promptly after discovery that such Person is a Non-Permitted Holder by the Issuer, the Co-Issuer, a Trust Officer of the Note Administrator or a Trust Officer of the Trustee (and notice by the Note Administrator or the Trustee to the Issuer (if a Trust Officer has actual knowledge and makes such discovery)), send notice to such Non-Permitted Holder demanding that such Non-Permitted Holder transfer its interest to a Person that is not a Non-Permitted Holder within thirty (30) days (10 days in the case of a Non-Permitted Holder for ERISA-related reasons) of the date of such notice. If such Non-Permitted Holder fails to so transfer its Note or interest therein, the Issuer shall have the right, without further notice to the Non-Permitted Holder, to sell such Note or interest therein to a purchaser selected by the Issuer that is not a Non-Permitted Holder on such terms as the Issuer may choose. The Issuer, or a third party acting on behalf of the Issuer, may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Note, and selling such Note to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by it in its sole discretion. The Holder of such Note, the Non-Permitted Holder and each other Person in the chain of title from the Holder to the Non-Permitted Holder, by its acceptance of an interest in the Note, agrees to cooperate with the Issuer and the Note Administrator to effect such transfers. The proceeds of such sale, net of any commissions, expenses and taxes due in connection with such sale shall be remitted to the Non-Permitted Holder. The terms and conditions of any sale under this Section 2.13(b) shall be determined in the sole discretion of the Issuer, and the Issuer shall not be liable to any Person having an interest in the Note sold as a result of any such sale or exercise of such discretion.

(c) If a Holder of a Note fails for any reason to (i) comply with the Holder AML Obligations (ii) such information or documentation is not accurate or complete, or (iii) the Issuer otherwise reasonably determines that such Holder’s acquisition, holding or transfer of an interest in any Note would cause the Issuer to be unable to achieve AML Compliance, the Issuer (or any intermediary on the Issuer’s behalf) shall have the right to (x) compel the relevant Holder to sell its interest in such Note or (y) sell such interest on such Holder’s behalf. The Issuer shall not compel sales for failure to provide such other information or documentation as may be required under the Cayman AML Regulations unless the Issuer reasonably determines the Holder’s acquisition, holding or transfer of an interest in such Note would result in a materially adverse effect on the Issuer.

Section 2.14 No Gross Up. The Issuer shall not be obligated to pay any additional amounts to the Holders or beneficial owners of the Notes as a result of any withholding or

deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 2.15 Credit Risk Retention. The EU/UK Retention Holder shall timely deliver (or cause to be timely delivered) to the Trustee (via email to cmbstrustee@wilmingtontrust.com) and the Note Administrator (via email to trustadministrationgroup@wellsfargo.com and cts.cmbs.bond.admin@wellsfargo.com) any notices contemplated by Section 10.12(a)(v).

Section 2.16 Exchangeable Notes; Exchange of MASCOT Notes.

(a) At any time on or after the Initial MASCOT Note Issuance Date all or a portion of the Class F Notes and the Class G Notes (such Notes to be exchanged, the “**Exchangeable Notes**”) may be exchanged for proportionate interests in one or more classes of certain other Notes and vice versa (such Notes received in such an exchange, the “**Exchanged Notes**”). The Exchangeable Notes may be exchanged by the Holders thereof for (i) a corresponding MASCOT P&I Note with the same principal balance as the Class F Note or the Class G Note, as applicable, surrendered in the exchange but with a reduced Note Interest Rate, and (ii) an MASCOT Interest Only Note that has a notional balance equal to the principal balance of the MASCOT P&I Note received in such exchange with a fixed interest rate equal to such reduction in Note Interest Rate. Specifically, with respect to the exchange of the Class F Notes or the Class G Notes for corresponding MASCOT Notes, the *per annum* interest rates payable on the MASCOT P&I Notes and the MASCOT Interest Only Notes shall be determined, on the date of such exchange, by the holder of the Class F Notes or the Class G Notes, as applicable, surrendered in such exchange. The aggregate interest rates of the Exchanged Notes received in the exchange shall equal the aggregate interest rate of the Exchangeable Notes surrendered for exchange. The MASCOT Interest Only Notes are not entitled to any payments of principal and shall have an Aggregate Outstanding Amount of zero.

(b) (i) With respect to the exchange of the Class F Notes or the Class G Notes for corresponding MASCOT Notes, each of (A) the Aggregate Outstanding Amount of the MASCOT P&I Note received in the exchange and (B) the Aggregate Outstanding Notional Amount of the MASCOT Interest Only Notes received in the exchange shall equal the Aggregate Outstanding Amount of the Class F Notes or the Class G Notes, as applicable, exchanged. The MASCOT Interest Only Notes are not entitled to any payments of principal and have an Aggregate Outstanding Amount of zero.

(ii) The aggregate Note Interest Rates of the Exchanged Notes received in the exchange must equal the aggregate Note Interest Rate of the Exchangeable Notes surrendered for exchange.

(c) Exchanges of the Class F Notes or the Class G Notes for MASCOT Notes and any subsequent exchange of such MASCOT Notes for the Class F Notes or the Class G Notes may occur repeatedly.

(d) With respect to an exchange of some or all of the Class F Notes or the Class G Notes, as applicable, the Holders of such MASCOT P&I Notes shall be entitled to exercise all the voting rights (including any rights as the Controlling Class) and objection rights that are allocated to such exchanged Class F Notes or Class G Notes, as applicable, and the Aggregate Outstanding Amount of such MASCOT P&I Notes shall be used to determine if the requisite percentage of Holders under this Indenture has voted, consented or otherwise given direction; **provided that**, in connection with any supplemental indenture that affects a Class of MASCOT Notes in a manner that is materially different from the effect of such supplemental indenture on the Class F Notes or the Class G Notes, as applicable, the Holders of the applicable MASCOT Notes shall vote as a separate class.

(e) The Class F-X Notes and the Class G-X Notes are interest only notes that receive interest payments but do not receive principal payments. Interest on the MASCOT Interest Only Notes is calculated on a balance equal to the “Aggregate Outstanding Notional Amount,” which shall, as of any date, equal the Aggregate Outstanding Amount on such date of the related MASCOT P&I Note.

(f) In order to effect an exchange of Exchangeable Notes, the Holder shall submit a duly executed Officer’s Certificate in substantially the form set forth in Exhibit T to the Note Administrator no earlier than ten (10) Business Days before the proposed exchange date and no later than five (5) Business Days before the proposed exchange date. Such Officer’s Certificate shall be in writing, and shall be sent to the Trustee and Note Administrator at its Corporate Trust Office. The Officer’s Certificate must be on the Holder’s letterhead, carry a medallion stamp guarantee and set forth the following information: (i) the CUSIP number of each Exchangeable Note and Exchanged Note; (ii) the Aggregate Outstanding Amount and the Aggregate Outstanding Notional Amount, as applicable, of the Notes to be exchanged; (iii) the Holder’s DTC participant name and number to be debited and credited; and (iv) the proposed exchange date. The exchange date with respect to any exchange may be any Business Day other than (1) the first or last Business Day of the month, (2) any Payment Date, (3) any Record Date or (4) any day between a Record Date and the next Payment Date. Any such notice shall become irrevocable on the second Business Day before the proposed exchange date. The Holder must pay the Note Administrator a fee equal to \$5,000 for each exchange request and such fee must be received by the Note Administrator prior to the exchange date or such exchange shall not be effected. In addition, any Holder wishing to effect such an exchange must pay any other expenses related to such exchange, including any fees charged by DTC. The Note Administrator shall make the first payment on any Exchanged Note received by a Holder in an exchange transaction on the Payment Date related to the next Record Date following the effective date of such exchange. If the Exchanged Notes are Global Notes, such exchange shall be subject to the rules and procedures of DTC, and the Note Administrator shall have no responsibility with respect to the CUSIP eligibility of such Exchanged Notes. Any Holder requesting an exchange shall deliver any documents or information requested by the Issuer or Note Administrator in connection with such exchange. Upon compliance by the Holder with the foregoing requirements, the Note Administrator shall approve the instructions at DTC to effect any such exchange.

Section 2.17 Effect of Benchmark Transition Event.

(a) After the occurrence of a Benchmark Transition Event and the related Benchmark Replacement Date with respect to the then-current Benchmark, such Benchmark and the related Benchmark Determination Date for such Benchmark shall be replaced with the applicable Benchmark Replacement on the Benchmark Determination Date for such Benchmark Replacement as determined by the Designated Transaction Representative. The Designated Transaction Representative shall provide written notice of such determination of the Benchmark Replacement to the Issuer, the Co-Issuer, the Advancing Agent, the Trustee, the Note Administrator (who will post such notice to the Note Administrator's Website), the Servicer, the Calculation Agent (if different from the Note Administrator), the Collateral Manager and the 17g-5 Information Provider (who shall promptly post such notice to the 17g-5 Website) no later than the earlier of (i) five (5) Business Days after such determination of the Benchmark Replacement and (ii) five (5) Business Days before the related Benchmark Replacement Date. Notwithstanding the occurrence of any Benchmark Transition Event, amounts payable on the Notes shall be determined with respect to the then-current Benchmark (which may be LIBOR as determined in accordance with methods specified in this Indenture) until the occurrence of the related Benchmark Replacement Date.

(b) [Reserved].

(c) In connection with the selection of a Benchmark Replacement, the Designated Transaction Representative shall direct the parties hereto to enter into a supplemental indenture in accordance with Section 8.1(b)(iv) to make any Benchmark Replacement Conforming Changes that the Designated Transaction Representative determines may be necessary or desirable to administer, implement or adopt the applicable Benchmark or the Benchmark Replacement and the related Benchmark Replacement Adjustment. Any failure to supplement this Indenture pursuant to Section 8.1(b)(iv) on or prior to the Benchmark Replacement Date shall not affect the implementation of a Benchmark Replacement on such Benchmark Replacement Date, it being understood such matters shall be binding upon the parties as described in clause (e) below pending the execution and delivery of any such amendment.

(d) Any determination, implementation, adoption, decision, proposal or election that may be made by the Designated Transaction Representative pursuant to this Section 2.17, with respect to any Benchmark Transition Event, Benchmark Replacement Date, Benchmark Replacement, Benchmark Replacement Adjustment or Benchmark Replacement Conforming Changes including any determination with respect to a tenor, observation period, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, shall be conclusive and binding on the parties hereto and the Noteholders absent manifest error, may be made in the sole discretion of the Designated Transaction Representative and may be relied upon by the Issuer, the Co-Issuer, the Note Administrator, the Trustee, the Calculation Agent, the Collateral Manager, the Servicer and the Special Servicer without investigation. If the Calculation Agent is not able to calculate the Benchmark Replacement designated by the Designated Transaction

Representative, then the Designated Transaction Representative shall provide, on a monthly basis, to the Calculation Agent, the rate determined using such Benchmark Replacement.

(e) Notwithstanding anything to the contrary in this Indenture, the Designated Transaction Representative may send any notices with respect to any Benchmark Transition Event, Benchmark Replacement Date, Benchmark Replacement, Benchmark Replacement Adjustment, Benchmark Replacement Conforming Changes or any other determination or selection made under this Section 2.17, by email (or other electronic communication).

(f) Each holder of an interest in any Note or Preferred Share, by the acceptance of its interest, shall be deemed to have irrevocably (i) agreed to the provisions of this Section 2.17, (ii) agreed that the Designated Transaction Representative shall have no liability for any action taken or omitted by it or its agents in the performance of its role as Designated Transaction Representative and (iii) released the Designated Transaction Representative from any claim or action whatsoever relating to its performance as Designated Transaction Representative.

(f) the entry of a decree or order by a court having competent jurisdiction adjudging the Issuer or the Co-Issuer as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Issuer or the Co-Issuer under the Bankruptcy Code, or any bankruptcy, insolvency, reorganization or similar law enacted under the laws of the Cayman Islands or any other applicable law, or appointing a receiver, liquidator, assignee, or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any substantial part of its property, respectively, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;

(g) the institution by the Issuer or the Co-Issuer of proceedings to be adjudicated as bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the Bankruptcy Code, or any bankruptcy, insolvency, reorganization or similar law enacted under the laws of the Cayman Islands or any other similar applicable law, or the consent by it to the filing of any such petition or to the appointment of a receiver, liquidator, assignee, trustee or sequestrator (or other similar official) of the Issuer or the Co-Issuer or of any

substantial part of its property, respectively, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of any action by the Issuer in furtherance of any such action;

(h) one or more final judgments being rendered against the Issuer or the Co-Issuer which exceed, in the aggregate, \$1,000,000 and which remain unstayed, undischarged and unsatisfied for 30 days after such judgment(s) becomes nonappealable, unless adequate funds have been reserved or set aside for the payment thereof, and unless (except as otherwise specified in writing by the Rating Agencies) a No Downgrade Confirmation has been received from the Rating Agencies; or

(i) the Issuer loses its status as a Qualified REIT Subsidiary or other disregarded entity of BRSP Sub-REIT or another REIT for U.S. federal income tax purposes, unless (A) within 90 days, the Issuer either (1) delivers an opinion of tax counsel of nationally recognized standing in the United States experienced in such matters to the effect that, notwithstanding the Issuer's loss of Qualified REIT Subsidiary or disregarded entity status for U.S. federal income tax purposes, the Issuer is not, and has not been, an association (or publicly traded partnership or taxable mortgage pool) taxable as a corporation, or is not, and has not been, otherwise subject to U.S. federal income tax on a net basis and the Noteholders are not otherwise materially adversely affected by the loss of Qualified REIT Subsidiary or disregarded entity status for U.S. federal income tax purposes or (2) receives an amount from the Preferred Shareholders sufficient to discharge in full the amounts then due and unpaid on the Notes and amounts and expenses described in clauses (1) through (4) and (19) under Section 11.1(a)(i) in accordance with the Priority of Payments or (B) all Classes of the Notes are subject to a Tax Redemption announced by the Issuer in compliance with this Indenture, and such redemption has not been rescinded.

Upon becoming aware of the occurrence of an Event of Default, the Issuer, shall promptly notify (or shall procure the prompt notification of) the Trustee, the Note Administrator, the Servicer, the Special Servicer, the Preferred Share Paying Agent and the Preferred Shareholders in writing. If the Collateral Manager or Note Administrator has actual knowledge of the occurrence of an Event of Default, the Collateral Manager or Note Administrator shall promptly notify, in writing, the Trustee, the Noteholders and the Rating Agencies of the occurrence of such Event of Default.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default shall occur and be continuing (other than the Events of Default specified in Section 5.1(f) or 5.1(g)), the Trustee may (and shall at the direction of a Majority, by outstanding principal amount, of each Class of Offered Notes voting as a separate Class (excluding any Notes owned by the Collateral Manager or any of its Affiliates), or if no Class of Offered Notes is outstanding, a majority, by outstanding principal amount, of the Class F Notes and the Class F-E Notes or, if no Class of Offered Notes, Class F Notes or Class F-E Notes are outstanding, a majority by outstanding principal amount, of the Class G Notes and the Class G-E Notes), declare the principal of and accrued and unpaid interest on all the Notes to be immediately due and payable (and any such acceleration shall automatically terminate the

Reinvestment Period). Upon any such declaration such principal, together with all accrued and unpaid interest thereon, and other amounts payable thereunder in accordance with the Priority of Payments will become immediately due and payable. If an Event of Default described in Section 5.1(f) or 5.1(g) occurs, such an acceleration shall occur automatically and without any further action, and any such acceleration shall automatically terminate the Reinvestment Period. If the Notes are accelerated, payments shall be made in the order and priority set forth in Section 11.1(a).

(b) At any time after such a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as hereinafter provided in this Article 5, a Majority of each Class of Offered Notes (voting as a separate Class) or, if no Class of Offered Notes is outstanding, a Majority of the Class F Notes, the Class F-E Notes, the Class G Notes and the Class G-E Notes, other than with respect to an Event of Default specified in Section 5.1(d), 5.1(f), 5.1(g) or 5.1(i), by written notice to the Issuer, the Co-Issuer and the Trustee, may rescind and annul such declaration and its consequences if:

(i) the Issuer or the Co-Issuer has paid or deposited with the Note Administrator a sum sufficient to pay:

(A) all unpaid installments of interest on and principal on the Notes that would be due and payable hereunder if the Event of Default giving rise to such acceleration had not occurred;

(B) all unpaid taxes of the Issuer and the Co-Issuer, Company Administrative Expenses and other sums paid or advanced by or otherwise due and payable to the Note Administrator or to the Trustee hereunder;

(C) with respect to the Advancing Agent and the Backup Advancing Agent, any amount due and payable for unreimbursed Interest Advances and Reimbursement Interest; and

(D) with respect to the Collateral Management Agreement, any Collateral Manager Fee then due and any Company Administrative Expense due and payable to the Collateral Manager thereunder; and

(ii) the Trustee has received notice that all Events of Default, other than the non-payment of the interest and principal on the Notes that have become due solely by such acceleration, have been cured and a Majority of the Controlling Class, by written notice to the Trustee, has agreed with such notice (which agreement shall not be unreasonably withheld or delayed) or waived as provided in Section 5.14.

At any such time that the Trustee, subject to Section 5.2(b), shall rescind and annul such declaration and its consequences as permitted hereinabove, the Collateral shall be preserved in accordance with the provisions of Section 5.5 with respect to the Event of Default that gave rise to such declaration; **provided, however, that** if such preservation of the Collateral is rescinded

pursuant to Section 5.5, the Notes may be accelerated pursuant to the first paragraph of this Section 5.2, notwithstanding any previous rescission and annulment of a declaration of acceleration pursuant to this paragraph.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

(c) Subject to Sections 5.4 and 5.5, a Majority of the Controlling Class shall have the right to direct the Trustee in the conduct of any Proceedings for any remedy available to the Trustee or in the sale of any or all of the Collateral; **provided that** (i) such direction will not conflict with any rule of law or this Indenture; (ii) the Trustee may take any other action not inconsistent with such direction; (iii) the Trustee has received security or indemnity satisfactory to it; and (iv) any direction to undertake a sale of the Collateral may be made only as described in Section 5.17. The Trustee shall be entitled to refuse to take any action absent such direction.

(d) As security for the payment by the Issuer of the compensation and expenses of the Trustee, the Note Administrator, and any sums the Trustee or Note Administrator shall be entitled to receive as indemnification by the Issuer, the Issuer hereby grants the Trustee a lien on the Collateral, which lien is senior to the lien of the Noteholders. The Trustee's lien shall be subject to the Priority of Payments and exercisable by the Trustee only if the Notes have been declared due and payable following an Event of Default and such acceleration has not been rescinded or annulled.

(e) A Majority of the Aggregate Outstanding Amount of each Class of Notes may, prior to the time a judgment or decree for the payment of amounts due has been obtained by the Trustee, waive any past Default on behalf of the holders of all the Notes and its consequences in accordance with Section 5.14.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

(a) The Issuer covenants that if a Default shall occur in respect of the payment of any interest on any Class A Note, the payment of principal on any Class A Note (but only after interest with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class A-S Note (but only after interest and principal with respect to the Class A Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class A-S Note (but only after interest and principal with respect to the Class A Notes and interest with respect to the Class A-S Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class B Note (but only after interest with respect to the Class A Notes and the Class A-S Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class B Note (but only after interest and principal with respect to the Class A Notes and the Class A-S Notes and interest with respect to the Class B Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class C Note (but only after interest with respect to the Class A Notes, the Class A-S Notes and Class B Notes and any amounts payable pursuant to

Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class C Note (but only after interest and principal with respect to the Class A Notes, the Class A-S Notes and the Class B Notes and interest with respect to the Class C Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class D Note (but only after interest with respect to the Class A Notes, the Class A-S Notes, the Class B Notes and the Class C Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class D Note (but only after interest and principal with respect to the Class A Notes, the Class A-S Notes, the Class B Notes and the Class C Notes and interest with respect to the Class D Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class E Note (but only after interest with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes and the Class D Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class E Note (but only after interests and principal with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes and the Class D Notes and interest with respect to the Class E Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class F Note, the Class F-E Note and the Class F-X Note (but only after interest with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class F Note or the Class F-E Note (but only after interests and principal with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes and interest with respect to the Class F Notes, the Class F-E Notes and the Class F-X Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of interest on any Class G Note, the Class G-E Note and the Class F-X Note (but only after interest with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes, the Class F Notes, the Class F-E Notes and the Class F-X Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the payment of principal on any Class G Note and the Class G-E Note (but only after interests and principal with respect to the Class A Notes, the Class A-S Notes, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes, the Class F Notes, the Class F-E Notes and the Class F-X Notes and interest with respect to the Class G Notes, the Class G-E Notes and the Class G-X Notes and any amounts payable pursuant to Section 11.1(a) having a higher priority have been paid in full), the Issuer and, with respect to the Offered Notes, the Co-Issuer shall, upon demand of the Trustee or any affected Noteholder, pay to the Note Administrator on behalf of the Trustee, for the benefit of the Holder of such Note, the whole amount, if any, then due and payable on such Note for principal and interest or other payment with interest on the overdue principal and, to the extent that payments of such interest shall be legally enforceable, upon overdue installments of interest, at the applicable interest rate and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Note Administrator, the Trustee and such Noteholder and their respective agents and counsel.

If the Issuer or the Co-Issuer fails to pay such amounts forthwith upon such demand, the Trustee, as Trustee of an express trust, and at the expense of the Issuer, may institute a Proceeding for the collection of the sums so due and unpaid, and may prosecute such Proceeding to judgment or final decree, and may enforce the same against the Issuer and, with respect to the Offered Notes, the Co-Issuer or any other obligor upon the Notes and collect the amounts adjudged or decreed to be payable in the manner provided by law out of the Collateral.

If an Event of Default occurs and is continuing, the Trustee shall proceed to protect and enforce its rights and the rights of the Noteholders by such Proceedings (x) as directed by a Majority of the Controlling Class or (y) in the absence of direction by a Majority of the Controlling Class, as determined by the Trustee acting in good faith; **provided that** (a) such direction must not conflict with any rule of law or with any express provision of this Indenture, (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction, (c) the Trustee has been provided with security or indemnity satisfactory to it, and (d) notwithstanding the foregoing, any direction to the Trustee to undertake a sale of Collateral may be given only in accordance with the preceding paragraph, in connection with any sale and liquidation of all or a portion of the Collateral, the preceding sentence, and, in all cases, the applicable provisions of this Indenture. Such Proceedings shall be used for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Trustee by this Indenture or by law. Any direction to the Trustee to undertake a sale of Collateral shall be forwarded to the Special Servicer, and the Special Servicer shall conduct any such sale in accordance with the terms of the Servicing Agreement.

In the case where (x) there shall be pending Proceedings relative to the Issuer or the Co-Issuer under the Bankruptcy Code, any bankruptcy, insolvency, reorganization or similar law enacted under the laws of the Cayman Islands, or any other applicable bankruptcy, insolvency or other similar law, (y) a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or the Co-Issuer, or their respective property, or (z) there shall be any other comparable Proceedings relative to the Issuer or the Co-Issuer, or the creditors or property of the Issuer or the Co-Issuer, regardless of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration, or otherwise and regardless of whether the Trustee shall have made any demand pursuant to the provisions of this Section 5.3, the Trustee shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable compensation to the Trustee and each predecessor Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee and each predecessor Trustee, except as a result of negligence or bad faith) and of the Noteholders allowed in any Proceedings relative to the Issuer, the Co-Issuer or other obligor upon the Notes or to the creditors or property of the Issuer, the Co-Issuer or such other obligor;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Noteholders in any election of a trustee or a standby trustee in arrangement, reorganization, liquidation or other bankruptcy or insolvency proceedings or of a Person performing similar functions in comparable Proceedings; and

(iii) to collect and receive (or cause the Note Administrator to collect and receive) any amounts or other property payable to or deliverable on any such claims, and to distribute (or cause the Note Administrator to distribute) all amounts received with respect to the claims of the Noteholders and of the Trustee on their behalf; the Secured Parties, and any trustee, receiver or liquidator, custodian or other similar official is hereby authorized by each of the Noteholders to make payments to the Trustee (or the Note Administrator on its behalf), and, in the event that the Trustee shall consent to the making of payments directly to the Noteholders, to pay to the Trustee and the Note Administrator such amounts as shall be sufficient to cover reasonable compensation to the Trustee and the Note Administrator, each predecessor trustee and note administrator, and their respective agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Backup Advancing Agent and each predecessor backup advancing agent.

Nothing herein contained shall be deemed to authorize the Trustee to authorize, consent to, vote for, accept or adopt, on behalf of any Noteholder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Noteholder in any such Proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any action or Proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, shall be applied as set forth in Section 5.7.

Notwithstanding anything in this Section 5.3 to the contrary, the Trustee may not sell or liquidate the Collateral or institute Proceedings in furtherance thereof pursuant to this Section 5.3 unless the conditions specified in Section 5.5(a) are met and any sale of Collateral contemplated to be conducted by the Trustee under this Indenture shall be effected by the Special Servicer pursuant to the terms of the Servicing Agreement, and the Trustee shall have no liability or responsibility for or in connection with any such sale.

Section 5.4 Remedies.

(a) If an Event of Default has occurred and is continuing, and the Notes have been declared due and payable and such declaration and its consequences have not been rescinded and annulled, the Issuer and the Co-Issuer agree that the Trustee, or, with respect to any sale of any Collateral Interests, the Special Servicer, may, after notice to the Note Administrator and the Noteholders, and shall, upon direction by a Majority of the Controlling Class, to the extent

permitted by applicable law, exercise one or more of the following rights, privileges and remedies:

- (i) institute Proceedings for the collection of all amounts then payable on the Notes or otherwise payable under this Indenture (whether by declaration or otherwise), enforce any judgment obtained and collect from the Collateral any amounts adjudged due;
- (ii) sell all or a portion of the Collateral or rights of interest therein, at one or more public or private sales called and conducted in any manner permitted by law and in accordance with Section 5.17 (**provided that** any such sale shall be conducted by the Special Servicer pursuant to the Servicing Agreement);
- (iii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Collateral;
- (iv) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Secured Parties hereunder; and
- (v) exercise any other rights and remedies that may be available at law or in equity;

provided, however, that no sale or liquidation of the Collateral or institution of Proceedings in furtherance thereof pursuant to this Section 5.4 may be effected unless either of the conditions specified in Section 5.5(a) are met.

The Issuer shall, at the Issuer's expense, upon request of the Trustee or the Special Servicer, obtain and rely upon an opinion of an Independent investment banking firm as to the feasibility of any action proposed to be taken in accordance with this Section 5.4 and as to the sufficiency of the proceeds and other amounts expected to be received with respect to the Collateral to make the required payments of principal of and interest on the Notes and other amounts payable hereunder, which opinion shall be conclusive evidence as to such feasibility or sufficiency.

(b) If an Event of Default as described in Section 5.1(e) shall have occurred and be continuing, the Trustee may, and at the request of the Holders of not less than 25% of the Aggregate Outstanding Amount of the Controlling Class shall, institute a Proceeding solely to compel performance of the covenant or agreement or to cure the representation or warranty, the breach of which gave rise to the Event of Default under such Section, and enforce any equitable decree or order arising from such Proceeding.

(c) Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, any Noteholder, Preferred Shareholder, the Collateral Manager or the Servicer or any of their respective Affiliates may bid for and purchase the Collateral or any part thereof and, upon compliance with the terms of Sale, may hold, retain, possess or dispose of such

property in its or their own absolute right without accountability; and any purchaser at any such Sale may, in paying the purchase money, turn in any of the Notes in lieu of Cash equal to the amount which shall, upon distribution of the net proceeds of such sale, be payable on the Notes so turned in by such Holder (taking into account the Class of such Notes). Such Notes, in case the amounts so payable thereon shall be less than the amount due thereon, shall either be returned to the Holders thereof after proper notation has been made thereon to show partial payment or a new note shall be delivered to the Holders reflecting the reduced interest thereon.

Upon any Sale, whether made under the power of sale hereby given or by virtue of judicial proceedings, the receipt of the Note Administrator or of the Officer making a sale under judicial proceedings shall be a sufficient discharge to the purchaser or purchasers at any sale for its or their purchase money and such purchaser or purchasers shall not be obliged to see to the application thereof.

Any such Sale, whether under any power of sale hereby given or by virtue of judicial proceedings, shall (x) bind the Issuer, the Co-Issuer, the Trustee, the Note Administrator, the Noteholders and the Preferred Shareholders, shall operate to divest all right, title and interest whatsoever, either at law or in equity, of each of them in and to the property sold and (y) be a perpetual bar, both at law and in equity, against each of them and their successors and assigns, and against any and all Persons claiming through or under them.

(d) Notwithstanding any other provision of this Indenture or any other Transaction Document, none of the Advancing Agent, the Trustee, the Note Administrator or any other Secured Party, any other party to any Transaction Document, the Holder of the Notes and the holders of the equity in the Issuer and the Co-Issuer or third party beneficiary of this Indenture may, prior to the date which is one year and one day, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) after the payment in full of all Notes, institute against, or join any other Person in instituting against, the Issuer, the Co-Issuer or any Issuer Permitted Subsidiary any bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceedings, or other proceedings under federal or State bankruptcy or similar laws of any jurisdiction. Nothing in this Section 5.4 shall preclude, or be deemed to stop, the Advancing Agent, the Trustee, the Note Administrator, or any other Secured Party or any other party to any Transaction Document (i) from taking any action prior to the expiration of the aforementioned one year and one day period, or, if longer, the applicable preference period then in effect (including any period established pursuant to the laws of the Cayman Islands) period in (A) any case or proceeding voluntarily filed or commenced by the Issuer or the Co-Issuer or (B) any involuntary insolvency proceeding filed or commenced by a Person other than the Trustee, the Note Administrator or any other Secured Party or any other party to any Transaction Document, or (ii) from commencing against the Issuer or the Co-Issuer or any of their respective properties any legal action which is not a bankruptcy, reorganization, arrangement, insolvency, moratorium or liquidation proceeding.

Section 5.5 Preservation of Collateral.

(a) Notwithstanding anything to the contrary herein, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, the Trustee and the Note Administrator, as applicable, shall (except as otherwise expressly permitted or required under this Indenture) retain the Collateral securing the Offered Notes, collect and cause the collection of the proceeds thereof and make and apply all payments and deposits and maintain all accounts in respect of the Collateral and the Notes in accordance with the Priority of Payments and the provisions of Articles 10, 12 and 13 and shall not sell or liquidate the Collateral, unless either:

(i) the Note Administrator, pursuant to Section 5.5(c), determines that the anticipated proceeds of a sale or liquidation of the Collateral (after deducting the reasonable expenses of such sale or liquidation) would be sufficient to discharge in full the amounts then due and unpaid on the Notes, Company Administrative Expenses due and payable pursuant to the Priority of Payments, the Collateral Manager Fees due and payable pursuant to the Priority of Payments and amounts due and payable to the Advancing Agent and the Backup Advancing Agent, in respect of unreimbursed Interest Advances and Reimbursement Interest, for principal and interest, and, upon receipt of information from Persons to whom fees and expenses are payable, all other amounts payable prior to payment of principal on the Notes due and payable pursuant to Section 11.1(a)(iii) and the holders of a Majority of the Controlling Class agrees with such determination; or

(ii) a Supermajority of each Class of Notes (each voting as a separate Class) directs the sale and liquidation of all or a portion of the Collateral.

In the event of a sale of all or a portion of the Collateral pursuant to clause (ii) above, the Special Servicer on behalf of the Trustee shall be required to sell that portion of the Collateral identified by the requisite Noteholders and all proceeds of such sale shall be remitted to the Note Administrator for distribution in the order set forth in Section 11.1(a). The Note Administrator shall give written notice of the retention of the Collateral by the Custodian to the Issuer, the Co-Issuer, the Collateral Manager, the Trustee, the Servicer, the Special Servicer and the Rating Agencies. So long as such Event of Default is continuing, any such retention pursuant to this Section 5.5(a) may be rescinded at any time when the conditions specified in clause (i) or (ii) above exist.

(b) Nothing contained in Section 5.5(a) shall be construed to require a sale of the Collateral securing the Offered Notes if the conditions set forth in Section 5.5(a) are not satisfied. Nothing contained in Section 5.5(a) shall be construed to require the Trustee to preserve the Collateral securing the Offered Notes if prohibited by applicable law.

(c) In determining whether the condition specified in Section 5.5(a)(i) exists, the Collateral Manager shall obtain bid prices with respect to each Collateral Interest from two dealers (Independent of the Collateral Manager and any of its Affiliates) at the time making a market in such Collateral Interests that, at that time, engage in the trading, origination or securitization of whole loans or participations similar to the Collateral Interests (or, if only one

such dealer can be engaged, then the Collateral Manager shall obtain a bid price from such dealer or, if no such dealer can be engaged, from a pricing service). The Collateral Manager shall compute the anticipated proceeds of sale or liquidation on the basis of the lowest of such bid prices for each such Collateral Interest and provide the Trustee and the Note Administrator with the results thereof. For the purposes of determining issues relating to the market value of any Collateral Interest and the execution of a sale or other liquidation thereof, the Special Servicer may, but need not, retain at the expense of the Issuer and rely on an opinion of an Independent investment banking firm of national reputation or other appropriate advisors (the cost of which shall be payable as a Company Administrative Expense) in connection with a determination as to whether the condition specified in Section 5.5(a)(i) exists.

The Note Administrator shall promptly deliver to the Noteholders and the Servicer, and the Note Administrator shall post to the Note Administrator's Website, a report stating the results of any determination required to be made pursuant to Section 5.5(a)(i) based solely on the Collateral Manager's determination made pursuant to this Section 5.5(c).

Section 5.6 Trustee May Enforce Claims Without Possession of Notes. All rights of action and claims under this Indenture or under any of the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceeding relating thereto, and any such action or Proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust. Any recovery of judgment in respect of the Notes shall be applied as set forth in Section 5.7.

In any Proceedings brought by the Trustee (and in any Proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) in respect of the Notes, the Trustee shall be deemed to represent all the Holders of the Notes.

Section 5.7 Application of Amounts Collected. Any amounts collected by the Note Administrator with respect to the Notes pursuant to this Article 5 and any amounts that may then be held or thereafter received by the Note Administrator with respect to the Notes hereunder shall be applied subject to Section 13.1 and in accordance with the Priority of Payments set forth in Section 11.1(a)(iii), at the date or dates fixed by the Note Administrator.

Section 5.8 Limitation on Suits. No Holder of any Notes shall have any right to institute any Proceedings (the right of a Noteholder to institute any proceeding with respect to this Indenture or the Notes is subject to any non-petition covenants set forth in this Indenture or the Notes), judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given to the Trustee written notice of an Event of Default;
- (b) except as otherwise provided in Section 5.9, the Holders of at least 25% of the then Aggregate Outstanding Amount of the Controlling Class shall have made written request to the Trustee to institute Proceedings in respect of such Event of Default in its own name as Trustee hereunder and such Holders have offered to the Trustee indemnity reasonably

satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(c) the Trustee for 30 days after its receipt of such notice, request and offer of indemnity has failed to institute any such Proceeding; and

(d) no direction inconsistent with such written request has been given to the Trustee during such 30-day period by a Majority of the Controlling Class; it being understood and intended that no one or more Holders of Notes shall have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture or the Notes to affect, disturb or prejudice the rights of any other Holders of Notes of the same Class or to obtain or to seek to obtain priority or preference over any other Holders of the Notes of the same Class or to enforce any right under this Indenture or the Notes, except in the manner herein or therein provided and for the equal and ratable benefit of all the Holders of Notes of the same Class subject to and in accordance with Section 13.1 and the Priority of Payments.

In the event the Trustee shall receive conflicting or inconsistent requests and indemnity from two or more groups of Holders of the Controlling Class, each representing less than a Majority of the Controlling Class, the Trustee shall not be required to take any action until it shall have received the direction of a Majority of the Controlling Class.

Section 5.9 Unconditional Rights of Noteholders to Receive Principal and Interest. Notwithstanding any other provision in this Indenture (except for Section 2.7(e) and 2.7(n)), the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note as such principal, interest and other amounts become due and payable in accordance with the Priority of Payments and Section 13.1, and, subject to the provisions of Sections 5.4 and 5.8 to institute Proceedings for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder; **provided, however, that** the right of such Holder to institute proceedings for the enforcement of any such payment shall not be subject to the 25% threshold requirement set forth in Section 5.8(b).

Section 5.10 Restoration of Rights and Remedies. If the Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Noteholder, then (and in every such case) the Issuer, the Co-Issuer, the Trustee, and the Noteholder shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.11 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Trustee, the Note Administrator or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or

remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.12 Delay or Omission Not Waiver. No delay or omission of the Trustee or of any Noteholder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein or a waiver of a subsequent Event of Default. Every right and remedy given by this Article 5 or by law to the Trustee, or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee, or by the Noteholders, as the case may be.

Section 5.13 Control by the Controlling Class. Subject to Sections 5.2(a) and (b), but notwithstanding any other provision of this Indenture, if an Event of Default shall have occurred and be continuing when any of the Notes are Outstanding, a Majority of the Controlling Class shall have the right to cause the institution of, and direct the time, method and place of conducting, any Proceeding for any remedy available to the Trustee and for exercising any trust, right, remedy or power conferred on the Trustee in respect of the Notes; **provided that:**

(a) such direction shall not conflict with any rule of law or with this Indenture;

(b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction; **provided, however, that,** subject to Section 6.1, the Trustee need not take any action that it determines might involve it in liability (unless the Trustee has received indemnity satisfactory to it against such liability as set forth below);

(c) the Trustee shall have been provided with indemnity satisfactory to it; and

(d) notwithstanding the foregoing, any direction to the Trustee to undertake a Sale of the Collateral shall be performed by the Special Servicer on behalf of the Trustee, and must satisfy the requirements of Section 5.5.

Section 5.14 Waiver of Past Defaults. Prior to the time a judgment or decree for payment of the amounts due has been obtained by the Trustee, as provided in this Article 5, a Majority of each and every Class of Notes (voting as a separate Class) may, on behalf of the Holders of all the Notes, waive any past Default in respect of the Notes and its consequences, except a Default:

(a) in the payment of principal of any Note;

(b) in the payment of interest in respect of the Controlling Class;

(c) in respect of a covenant or provision hereof that, under Section 8.2, cannot be modified or amended without the waiver or consent of the Holder of each Outstanding Note adversely affected thereby; or

(d) in respect of any right, covenant or provision hereof for the individual protection or benefit of the Trustee or the Note Administrator, without the Trustee's or the Note Administrator's express written consent thereto, as applicable.

In the case of any such waiver, the Issuer, the Co-Issuer, the Trustee, and the Holders of the Notes shall be restored to their respective former positions and rights hereunder, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto. Any such waiver shall be effectuated upon receipt by the Trustee and the Note Administrator of a written waiver by such Majority of each Class of Notes.

Section 5.15 Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.15 shall not apply to any suit instituted by (a) the Trustee, (b) any Noteholder, or group of Noteholders, holding in the aggregate more than 10% of the Aggregate Outstanding Amount of the Controlling Class or (c) any Noteholder for the enforcement of the payment of the principal of or interest on any Note or any other amount payable hereunder on or after the Stated Maturity Date (or, in the case of redemption, on or after the applicable Redemption Date).

Section 5.16 Waiver of Stay or Extension Laws. Each of the Issuer and the Co-Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force (including but not limited to filing a voluntary petition under Chapter 11 of the Bankruptcy Code and by the voluntary commencement of a proceeding or the filing of a petition seeking winding up, liquidation, reorganization or other relief under any bankruptcy, insolvency, reorganization, moratorium, receivership, conservatorship or other similar laws now or hereafter in effect), which may affect the covenants, the performance of or any remedies under this Indenture; and each of the Issuer and the Co-Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.17 Sale of Collateral.

(a) The power to effect any sale (a "Sale") of any portion of the Collateral pursuant to Sections 5.4 and 5.5 shall not be exhausted by any one or more Sales as to any portion of such

Collateral remaining unsold, but shall continue unimpaired until all amounts secured by the Collateral shall have been paid or if there are insufficient proceeds to pay such amount until the entire Collateral shall have been sold. The Special Servicer may, upon notice to the Securityholders, and shall, upon direction of a Majority of the Controlling Class, from time to time postpone any Sale by public announcement made at the time and place of such Sale; **provided, however, that** if the Sale is rescheduled for a date more than three (3) Business Days after the date of the determination by the Special Servicer pursuant to Section 5.5(a)(i), such Sale shall not occur unless and until the Special Servicer has again made the determination required by Section 5.5(a)(i). The Trustee hereby expressly waives its rights to any amount fixed by law as compensation for any Sale; **provided that** the Special Servicer shall be authorized to deduct the reasonable costs, charges and expenses incurred by it, or by the Trustee or the Note Administrator in connection with such Sale from the proceeds thereof notwithstanding the provisions of Section 6.7.

(b) The Notes need not be produced in order to complete any such Sale, or in order for the net proceeds of such Sale to be credited against amounts owing on the Notes.

(c) The Trustee shall execute and deliver an appropriate instrument of conveyance transferring its interest in any portion of the Collateral in connection with a Sale thereof, which, in the case of any Collateral Interests, shall be upon request and delivery of any such instruments by the Special Servicer. In addition, the Special Servicer, with respect to Collateral Interests, and the Trustee, with respect to any other Collateral, is hereby irrevocably appointed the agent and attorney in fact of the Issuer to transfer and convey its interest in any portion of the Collateral in connection with a Sale thereof, and to take all action necessary to effect such Sale. No purchaser or transferee at such a Sale shall be bound to ascertain the Trustee's or Special Servicer's authority, to inquire into the satisfaction of any conditions precedent or to see to the application of any amounts.

(d) In the event of any Sale of the Collateral pursuant to Section 5.4 or Section 5.5, payments shall be made in the order and priority set forth in Section 11.1(a) in the same manner as if the Notes had been accelerated.

(e) Notwithstanding anything herein to the contrary, any sale by the Trustee of any portion of the Collateral shall be executed by the Special Servicer on behalf of the Issuer, and the Trustee shall have no responsibility or liability therefor.

Section 5.18 Action on the Notes. The Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the application for or obtaining of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Trustee against the Issuer or the Co-Issuer or by the levy of any execution under such judgment upon any portion of the Collateral or upon any of the Collateral of the Issuer or the Co-Issuer.

ARTICLE 6

THE TRUSTEE AND NOTE ADMINISTRATOR

Section 6.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) each of the Trustee and the Note Administrator undertakes to perform such duties and only such duties as are set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee or the Note Administrator; and any permissive right of the Trustee or the Note Administrator contained herein shall not be construed as a duty; and

(ii) in the absence of manifest error, or bad faith on its part, each of the Note Administrator and the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Note Administrator, as the case may be, and conforming to the requirements of this Indenture; **provided, however, that** in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee or the Note Administrator, the Trustee and the Note Administrator shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture and shall promptly notify the party delivering the same if such certificate or opinion does not conform. If a corrected form shall not have been delivered to the Trustee or the Note Administrator within 15 days after such notice from the Trustee or the Note Administrator, the Trustee or the Note Administrator, as applicable, shall notify the party providing such instrument and requesting the correction thereof.

(b) In case an Event of Default actually known to a Trust Officer of the Trustee has occurred and is continuing, the Trustee shall, prior to the receipt of directions, if any, from a Majority of the Controlling Class (or other Noteholders to the extent provided in Article 5), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(c) If, in performing its duties under this Indenture, the Trustee or the Note Administrator is required to decide between alternative courses of action, the Trustee and the Note Administrator may request written instructions from the Collateral Manager as to courses of action desired by it. If the Trustee and the Note Administrator does not receive such instructions within two (2) Business Days after it has requested them, it may, but shall be under no duty to, take or refrain from taking such action. The Trustee and the Note Administrator shall act in accordance with instructions received after such two (2) Business Day period except to the extent it has already taken, or committed itself to take, action inconsistent with such instructions. The Trustee and the Note Administrator shall be entitled to request and rely on the advice of legal counsel and Independent accountants in performing its duties hereunder and be deemed to have

acted in good faith and shall not be subject to any liability if it acts in accordance with such advice.

(d) No provision of this Indenture shall be construed to relieve the Trustee or the Note Administrator from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that neither the Trustee nor the Note Administrator shall be liable:

(i) for any error of judgment made in good faith by a Trust Officer, unless it shall be proven that it was negligent in ascertaining the pertinent facts; or

(ii) with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Issuer, the Collateral Manager, and/or a Majority of the Controlling Class relating to the time, method and place of conducting any Proceeding for any remedy available to the Trustee or the Note Administrator in respect of any Note or exercising any trust or power conferred upon the Trustee or the Note Administrator under this Indenture.

(e) No provision of this Indenture shall require the Trustee or the Note Administrator to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers contemplated hereunder, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it unless such risk or liability relates to its ordinary services under this Indenture, except where this Indenture provides otherwise.

(f) Neither the Trustee nor the Note Administrator shall be liable to the Noteholders for any action taken or omitted by it at the direction of the Issuer, the Co-Issuer, the Collateral Manager, the Servicer, the Special Servicer, the Controlling Class, the Trustee (in the case of the Note Administrator), the Note Administrator (in the case of the Trustee) and/or a Noteholder under circumstances in which such direction is required or permitted by the terms of this Indenture.

(g) Neither the Trustee nor the Note Administrator shall have any liability or responsibility for the determination or selection of an alternative or successor base rate to the Benchmark (including, without limitation, whether the conditions for designation of such rate have been satisfied).

(h) [Reserved].

(i) Neither the Trustee nor the Note Administrator shall have any obligation to confirm the compliance by the Issuer, the Securitization Sponsor or the Retention Holder with the Credit Risk Retention Rules or the EU/UK Risk Retention Letter.

(j) Neither the Trustee nor the Note Administrator (in their respective capacities as such) shall have (x) any liability or responsibility for the determination or selection of any

successor benchmark (including, without limitation, whether the conditions for the designation of such rate have been satisfied) and shall be entitled to rely upon any designation of such a rate by the Collateral Manager and (y) liability for any failure or delay in performing its duties under this Indenture as a result of the unavailability of a “LIBOR” rate. The Note Administrator and the Trustee shall be entitled to rely upon the notices provided by the Collateral Manager facilitating or specifying the Benchmark Replacement, Benchmark Replacement Date, Benchmark Replacement Conforming Changes and such other administrative procedures with respect to the calculation of any Benchmark Replacement.

(k) For all purposes under this Indenture, neither the Trustee nor the Note Administrator shall be deemed to have notice or knowledge of any Event of Default, unless a Trust Officer of either the Trustee or the Note Administrator, as applicable, has actual knowledge thereof or unless written notice of any event which is in fact such an Event of Default or Default is received by the Trustee or the Note Administrator, as applicable at the respective Corporate Trust Office, and such notice references the Notes and this Indenture. For purposes of determining the Trustee’s and the Note Administrator’s responsibility and liability hereunder, whenever reference is made in this Indenture to such an Event of Default or a Default, such reference shall be construed to refer only to such an Event of Default or Default of which the Trustee or Note Administrator, as applicable, is deemed to have notice as described in this Section 6.1.

(l) Neither the Trustee nor the Note Administrator shall have any obligation to monitor or verify AML Compliance.

(m) The Trustee and the Note Administrator shall, upon reasonable prior written notice, permit the Issuer, the Collateral Manager and their designees, during its normal business hours, to review all books of account, records, reports and other papers of the Trustee relating to the Notes and to make copies and extracts therefrom (the reasonable out-of-pocket expenses incurred in making any such copies or extracts to be reimbursed to the Trustee or the Note Administrator, as applicable, by such Person).

Section 6.2 Notice of Default. Promptly (and in no event later than three (3) Business Days) after the occurrence of any Default actually known to a Trust Officer of the Trustee or after any declaration of acceleration has been made or delivered to the Trustee pursuant to Section 5.2, the Trustee shall transmit by mail to the 17g-5 Information Provider and to the Note Administrator (who shall post such notice the Note Administrator’s Website) and the Note Administrator shall deliver to the Collateral Manager, all Holders of Notes as their names and addresses appear on the Notes Register, and to Preferred Share Paying Agent, notice of such Default, unless such Default shall have been cured or waived.

Section 6.3 Certain Rights of Trustee and Note Administrator. Except as otherwise provided in Section 6.1:

(a) the Trustee and the Note Administrator may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report,

notice, request, direction, consent, order, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Issuer or the Co-Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request or Issuer Order, as the case may be;

(c) whenever in the administration of this Indenture the Trustee or the Note Administrator shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee and the Note Administrator (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate;

(d) as a condition to the taking or omitting of any action by it hereunder, the Trustee and the Note Administrator may consult with counsel and the advice of such counsel or any Opinion of Counsel (including with respect to any matters, other than factual matters, in connection with the execution by the Trustee or the Note Administrator of a supplemental indenture pursuant to Section 8.3) shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in reliance thereon;

(e) neither the Trustee nor the Note Administrator shall be under any obligation to exercise or to honor any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, or to make any investigation of matters arising hereunder or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Noteholders unless such Noteholders shall have offered to the Trustee and the Note Administrator, as applicable indemnity acceptable to it against the costs, expenses and liabilities which might reasonably be incurred by it in compliance with such request or direction;

(f) neither the Trustee nor the Note Administrator shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, note or other paper documents and shall be entitled to rely conclusively thereon;

(g) each of the Trustee and the Note Administrator may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, affiliates or attorneys, and upon any such appointment of an agent, affiliate or attorney, such agent or attorney shall be conferred with all the same rights, indemnities, and immunities as the Trustee or Note Administrator, as applicable; **provided**, however, any such appointment of an agent or attorney shall not relieve each of the Trustee and the Note Administrator of responsibility for its duties and obligations under this Indenture;

(h) neither the Trustee nor the Note Administrator shall be liable for any action it takes or omits to take in good faith that it reasonably and prudently believes to be authorized or within its rights or powers hereunder;

(i) neither the Trustee nor the Note Administrator shall be responsible for the accuracy of the books or records of, or for any acts or omissions of, the Depository, any Transfer Agent (other than the Note Administrator itself acting in that capacity), Clearstream, Luxembourg, Euroclear, any Calculation Agent (other than the Note Administrator itself acting in that capacity), any Paying Agent (other than the Note Administrator itself acting in that capacity) or any Designated Transaction Representative;

(j) neither the Trustee nor the Note Administrator shall be liable for the actions or omissions of the Issuer, the Co-Issuer, the Collateral Manager, the Servicer, the Special Servicer, the Trustee (in the case of the Note Administrator), the Note Administrator (in the case of the Trustee); and without limiting the foregoing, neither the Trustee nor the Note Administrator shall be under any obligation to verify compliance by any party hereto with the terms of this Indenture (other than itself) to verify or independently determine the content, completeness or accuracy of information received by it from the Servicer or Special Servicer (or from any selling institution, agent bank, trustee or similar source) with respect to the Collateral Interest;

(k) to the extent any defined term hereunder, or any calculation required to be made or determined by the Trustee or Note Administrator hereunder, is dependent upon or defined by reference to generally accepted accounting principles in the United States in effect from time to time (“GAAP”), the Trustee and the Note Administrator shall be entitled to request and receive (and rely upon) instruction from the Issuer or accountants appointed by the Issuer as to the application of GAAP in such connection, in any instance;

(l) neither the Trustee nor the Note Administrator shall have any responsibility to the Issuer or the Secured Parties hereunder to make any inquiry or investigation as to, and shall have no obligation in respect of, the terms of any engagement of Independent accountants by the Issuer (or the Collateral Manager on its behalf); **provided, however, that** the Trustee and the Note Administrator shall be authorized, upon receipt of an Issuer Order directing the same, to execute any acknowledgement or other agreement with the Independent accountants required for the Trustee and Note Administrator to receive any of the reports or instructions provided for herein, which acknowledgement or agreement may include, among other things, (i) acknowledgement that the Issuer has agreed that the “agreed upon procedures” between the Issuer and the Independent accountants are sufficient for its purposes, (ii) releases by each of the Trustee and Note Administrator (on behalf of itself and the Holders) of claims and acknowledgement of other limitation of liability in favor of the Independent accountants, and (iii) restrictions or prohibitions on the disclosure of information or documents provided to it by such firm of Independent accountants (including to the Holders). Notwithstanding the foregoing, in no event shall the Trustee or Note Administrator be required to execute any agreement in respect of the Independent accountants that the Trustee or Note Administrator determines adversely affects it in its individual capacity;

(m) the Trustee and the Note Administrator shall be entitled to all of the same rights, protections, immunities and indemnities afforded to it as Trustee or as Note Administrator, as applicable, in each capacity for which it serves hereunder and under the Future Funding Agreement, the Future Funding Account Control Agreement, the Servicing Agreement and the

Securities Account Control Agreement (including, without limitation, as Secured Party, Paying Agent, Authenticating Agent, Calculation Agent, Transfer Agent, Custodian, Securities Intermediary, Backup Advancing Agent and Notes Registrar);

(n) in determining any affiliations of Noteholders with any party hereto or otherwise, each of the Trustee and the Note Administrator shall be entitled to request and conclusively rely on a certification provided by a Noteholder;

(o) except in the case of actual fraud (as determined by a non-appealable final court order), in no event shall the Trustee or Note Administrator be liable for special, punitive, indirect or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee or Note Administrator has been advised of the likelihood of such loss or damage and regardless of the form of action;

(p) [reserved];

(q) neither the Trustee nor the Note Administrator shall be required to give any bond or surety in respect of the execution of the trusts created hereby or the powers granted hereunder;

(r) in no event shall the Trustee or the Note Administrator be liable for any failure or delay in the performance of its obligations hereunder because of circumstances beyond its control, including, but not limited to acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Indenture, inability to obtain material, equipment, or communications or computer facilities, or the failure of equipment or interruption of communications or computer facilities, and other causes beyond the Trustee's or the Note Administrator's control, as applicable, whether or not of the same class or kind as specifically named above;

(s) neither the Trustee nor the Note Administrator shall be under any obligation to take any action in the performance of its respective duties hereunder that would be in violation of applicable law;

(t) the Trustee and the Note Administrator may request, and are entitled to rely on, the written direction of the Designated Transaction Representative with respect to the matters described in Section 2.17; and

(u) except as otherwise expressly set forth in this Indenture, Wells Fargo Bank, National Association acting in any particular capacity hereunder or under the Servicing Agreement will not be deemed to be imputed with knowledge of (a) Wells Fargo Bank, National Association, acting in a capacity that is unrelated to the transactions contemplated by this Indenture, or (b) Wells Fargo Bank, National Association, acting in any other capacity hereunder, except, in the case of either clause (a) or clause (b), where some or all of the obligations performed in such capacities are performed by one or more employees within the same group or division of Wells Fargo Bank, National Association or here the groups or

divisions responsible for performing the obligations in such capacities have one or more of the same Authorized Officers.

Section 6.4 Not Responsible for Recitals or Issuance of Notes. The recitals contained herein and in the Notes, other than the Certificate of Authentication thereon, shall be taken as the statements of the Issuer and the Co-Issuer, and neither the Trustee nor the Note Administrator assumes any responsibility for their correctness. Neither the Trustee nor the Note Administrator makes any representation as to the validity or sufficiency of this Indenture, the Collateral or the Notes. Neither the Trustee nor the Note Administrator shall be accountable for the use or application by the Issuer or the Co-Issuer of the Notes or the proceeds thereof or any amounts paid to the Issuer or the Co-Issuer pursuant to the provisions hereof.

Section 6.5 May Hold Notes. The Trustee, the Note Administrator, the Paying Agent, the Notes Registrar or any other agent of the Issuer or the Co-Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Issuer and the Co-Issuer with the same rights it would have if it were not Trustee, Note Administrator, Paying Agent, Notes Registrar or such other agent.

Section 6.6 Amounts Held in Trust. Amounts held by the Note Administrator hereunder shall be held in trust to the extent required herein. The Note Administrator shall be under no liability for interest on any amounts received by it hereunder except to the extent of income or other gain on investments received by the Note Administrator on Eligible Investments.

Section 6.7 Compensation and Reimbursement.

(a) The Issuer agrees:

(i) to pay the Trustee and Note Administrator on each Payment Date in accordance with the Priority of Payments reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee or note administrator of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Trustee, Custodian and Note Administrator in a timely manner upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee, Custodian or Note Administrator in connection with its performance of its obligations under, or otherwise in accordance with any provision of this Indenture;

(iii) to indemnify the Trustee, Custodian or Note Administrator and their respective Officers, directors, employees and agents for, and to hold them harmless against, any loss, liability, cost or expense (including reasonable attorneys' fees) incurred without negligence, willful misconduct or bad faith on their respective parts, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of their powers or duties hereunder or under the Servicing Agreement or the Preferred Share Paying Agency Agreement, including any

costs and expenses (including reasonable attorneys' fees) incurred in connection with the enforcement of any indemnity afforded to them hereunder; and

(iv) to pay the Trustee and Note Administrator reasonable additional compensation together with its expenses (including reasonable counsel fees) for any collection action taken pursuant to Section 6.13.

(b) The Issuer may remit payment for such fees and expenses to the Trustee and Note Administrator or, in the absence thereof, the Note Administrator may from time to time deduct payment of its and the Trustee's fees and expenses hereunder from amounts on deposit in the Payment Account in accordance with the Priority of Payments.

(c) The Note Administrator, in its capacity as Note Administrator, Paying Agent, Calculation Agent, Transfer Agent, Custodian, Securities Intermediary, Backup Advancing Agent and Notes Registrar, hereby agrees not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture. This provision shall survive termination of this Indenture.

(d) The Trustee and Note Administrator agree that the payment of all amounts to which it is entitled pursuant to Sections 6.7(a)(i), (a)(ii), (a)(iii) and (a)(iv) shall be subject to the Priority of Payments, shall be payable only to the extent funds are available in accordance with such Priority of Payments, shall be payable solely from the Collateral and following realization of the Collateral, any such claims of the Trustee or Note Administrator against the Issuer, and all obligations of the Issuer, shall be extinguished. The Trustee and Note Administrator will have a lien upon the Collateral to secure the payment of such payments to it in accordance with the Priority of Payments; **provided that** the Trustee and Note Administrator shall not institute any proceeding for enforcement of such lien except in connection with an action taken pursuant to Section 5.3 for enforcement of the lien of this Indenture for the benefit of the Noteholders.

The Trustee and Note Administrator shall receive amounts pursuant to this Section 6.7 and Section 11.1(a) only to the extent that such payment is made in accordance with the Priority of Payments and the failure to pay such amounts to the Trustee and Note Administrator will not, by itself, constitute an Event of Default. Subject to Section 6.9, the Trustee and Note Administrator shall continue to serve under this Indenture notwithstanding the fact that the Trustee and Note Administrator shall not have received amounts due to it hereunder; **provided that** the Trustee and Note Administrator shall not be required to expend any funds or incur any expenses unless reimbursement therefor is reasonably assured to it. No direction by a Majority of the Controlling Class shall affect the right of the Trustee and Note Administrator to collect amounts owed to it under this Indenture.

If on any Payment Date, an amount payable to the Trustee and Note Administrator pursuant to this Indenture is not paid because there are insufficient funds available for the payment thereof, all or any portion of such amount not so paid shall be deferred and payable on any later Payment Date on which sufficient funds are available therefor in accordance with the Priority of Payments.

Section 6.8 Corporate Trustee Required; Eligibility. There shall at all times be a Trustee and a Note Administrator hereunder which shall be (i) a corporation, national bank, national banking association or trust company, organized and doing business under the laws of the United States of America or of any State thereof, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$200,000,000 and subject to supervision or examination by federal or State authority or (ii) an institution insured by the Federal Deposit Insurance Corporation, that in the case of (i) or (ii), has a long-term senior unsecured debt rating of at least “Baa1” by Moody’s and a long-term senior unsecured debt rating of at least “A” by DBRS Morningstar; **provided that** if any such institution is not rated by DBRS Morningstar, it maintains an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s) **provided further that** with respect to the Trustee, it may maintain a long-term senior unsecured debt rating of at least “Baa2” by Moody’s and “A(low)” by DBRS Morningstar (or, if not rated by DBRS Morningstar, at least an equivalent by two other NRSROs) and a short-term senior unsecured debt rating of at least “P-2” by Moody’s and having an office within the United States, or, in the case of each of the Note Administrator and the Trustee, such lower ratings as to which a No Downgrade Confirmation has been received. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 6.8, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee or the Note Administrator shall cease to be eligible in accordance with the provisions of this Section 6.8, the Trustee or the Note Administrator, as applicable, shall resign immediately in the manner and with the effect hereinafter specified in this Article 6.

Section 6.9 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Note Administrator or the Trustee and no appointment of a successor Note Administrator or Trustee, as applicable, pursuant to this Article 6 shall become effective until the acceptance of appointment by such successor Note Administrator or Trustee under Section 6.10.

(b) Each of the Trustee and the Note Administrator may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Collateral Manager, the Servicer, the Special Servicer, the Noteholders, the Note Administrator (in the case of the Trustee), the Trustee (in the case of the Note Administrator), and the Rating Agencies. Upon receiving such notice of resignation, the Issuer and the Co-Issuer shall promptly appoint a successor trustee or trustees, or a successor Note Administrator, as the case may be, by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Note Administrator or the Trustee so resigning and one copy to the successor Note Administrator, the Collateral Manager, Trustee or Trustees, together with a copy to each Noteholder, the Servicer, the parties hereto and the Rating Agencies; **provided that** such successor Note Administrator and Trustee shall be appointed only upon the written consent of a Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or, at any time when an Event of Default shall have occurred and be continuing or when a successor Note Administrator and Trustee has been appointed

pursuant to Section 6.10, by Act of a Majority of the Controlling Class. If no successor Note Administrator and Trustee shall have been appointed and an instrument of acceptance by a successor Trustee or Note Administrator shall not have been delivered to the Trustee or the Note Administrator within 30 days after the giving of such notice of resignation, the resigning Trustee or Note Administrator, as the case may be, the Controlling Class of Notes or any Holder of a Note, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Trustee or a successor Note Administrator, as the case may be and in the case of such a petition by the Trustee or the Note Administrator, at the expense of the Issuer. No resignation or removal of the Note Administrator or the Trustee and no appointment of a successor Note Administrator or Trustee will become effective until the acceptance of appointment by the successor Note Administrator or Trustee, as applicable.

(c) The Note Administrator and Trustee may be removed at any time by Act of a Supermajority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders) or when a successor Trustee has been appointed pursuant to Section 6.10, by Act of a Majority of the Controlling Class, in each case, upon at least thirty (30) days' prior written notice delivered to the parties hereto. If no successor Note Administrator and Trustee shall have been appointed and an instrument of acceptance by a successor Trustee or Note Administrator shall not have been delivered to the Trustee or the Note Administrator within 30 days after the giving of such notice of removal, the removed Trustee or Note Administrator, as the case may be, may, at the expense of the Issuer, petition a court of competent jurisdiction for the appointment of a successor.

(d) If at any time:

(i) the Trustee or the Note Administrator shall cease to be eligible under Section 6.8 and shall fail to resign after written request therefor by the Issuer, the Co-Issuer, or by any Holder; or

(ii) the Trustee or the Note Administrator shall become incapable of acting or there shall be instituted any proceeding pursuant to which it could be adjudged as bankrupt or insolvent or a receiver or liquidator of the Trustee or the Note Administrator or of its respective property shall be appointed or any public officer shall take charge or control of the Trustee or the Note Administrator or of its respective property or affairs for the purpose of rehabilitation, conservation or liquidation;

then, in any such case (subject to Section 6.9(a)), (a) the Issuer or the Co-Issuer, by Issuer Order, may remove the Trustee or the Note Administrator, as applicable, or (b) subject to Section 5.15, a Majority of the Controlling Class or any Holder may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee or the Note Administrator, as the case may be, and the appointment of a successor thereto.

(e) If the Trustee or the Note Administrator shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee or the Note Administrator for any reason, the Issuer and the Co-Issuer, by Issuer Order, subject to the written consent of the Collateral Manager, shall promptly appoint a successor Trustee or Note

Administrator, as applicable, and the successor Trustee or Note Administrator so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee or the successor Note Administrator, as the case may be. If the Issuer and the Co-Issuer shall fail to appoint a successor Trustee or Note Administrator within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, a successor Trustee or Note Administrator may be appointed by Act of a Majority of the Controlling Class delivered to the Collateral Manager and the parties hereto, including the retiring Trustee or the retiring Note Administrator, as the case may be, and the successor Trustee or Note Administrator so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee or Note Administrator, as applicable, and supersede any successor Trustee or Note Administrator proposed by the Issuer and the Co-Issuer. If no successor Trustee or Note Administrator shall have been so appointed by the Issuer and the Co-Issuer or a Majority of the Controlling Class and shall have accepted appointment in the manner hereinafter provided, subject to Section 5.15, the Controlling Class or any Holder may, on behalf of itself or himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee or Note Administrator.

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Trustee or Note Administrator and each appointment of a successor Trustee or Note Administrator by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies, the Preferred Share Paying Agent, the Collateral Manager, the Servicer, the parties hereto, and to the Holders of the Notes as their names and addresses appear in the Notes Register. Each notice shall include the name of the successor Trustee or Note Administrator, as the case may be, and the address of its respective Corporate Trust Office. If the Issuer or the Co-Issuer fail to mail such notice within ten days after acceptance of appointment by the successor Trustee or Note Administrator, the successor Trustee or Note Administrator shall cause such notice to be given at the expense of the Issuer or the Co-Issuer, as the case may be.

(g) The resignation or removal of the Note Administrator in any capacity in which it is serving hereunder, including Note Administrator, Paying Agent, Authenticating Agent, Calculation Agent, Transfer Agent, Custodian, Securities Intermediary, Backup Advancing Agent and Notes Registrar, shall be deemed a resignation or removal, as applicable, in each of the other capacities in which it serves.

Section 6.10 Acceptance of Appointment by Successor. Every successor Trustee or Note Administrator appointed hereunder shall execute, acknowledge and deliver to the Collateral Manager, the Servicer, and the parties hereto including the retiring Trustee or the retiring Note Administrator, as the case may be, an instrument accepting such appointment. Upon delivery of the required instruments, the resignation or removal of the retiring Trustee or the retiring Note Administrator shall become effective and such successor Trustee or Note Administrator, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Trustee or Note Administrator, as the case may be; but, on request of the Issuer and the Co-Issuer or a Majority of the Controlling Class, the Collateral Manager or the successor Trustee or Note Administrator, such retiring Trustee or Note Administrator shall, upon payment of its fees, indemnities and other amounts then unpaid,

execute and deliver an instrument transferring to such successor Trustee or Note Administrator all the rights, powers and trusts of the retiring Trustee or Note Administrator, as the case may be, and shall duly assign, transfer and deliver to such successor Trustee or Note Administrator all property and amounts held by such retiring Trustee or Note Administrator hereunder, subject nevertheless to its lien, if any, provided for in Section 6.7(d). Upon request of any such successor Trustee or Note Administrator, the Issuer and the Co-Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee or Note Administrator all such rights, powers and trusts.

No successor Trustee or successor Note Administrator shall accept its appointment unless (a) at the time of such acceptance such successor shall be qualified and eligible under this Article 6, (b) such successor shall have a long-term unsecured debt rating satisfying the requirements set forth in Section 6.8, and (c) the Rating Agency Condition is satisfied. If the outgoing Trustee or outgoing Note Administrator, as applicable, is terminated for cause, the same shall be responsible (i) for any reasonable out-of-pocket expenses (excluding successor Trustee fees or Note Administrator fees) incurred by the Issuer and such successor (including the reasonable expenses of counsel of such Person) in connection with the appointment of a successor Trustee or successor Note Administrator, as applicable and (ii) for the reasonable out-of-pocket expenses to assign the Collateral Interests to such successor (as agreed to in advance by the outgoing Trustee); **provided that** the out-of-pocket costs and expenses of the outgoing Trustee and/or the outgoing Note Administrator, if any, of petitioning a court of competent jurisdiction pursuant to Section 6.9(b) or (c) shall be an expense of the Issuer.

Section 6.11 Merger, Conversion, Consolidation or Succession to Business of Trustee and Note Administrator.

Any entity into which the Trustee or the Note Administrator may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee or the Note Administrator, shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee or the Note Administrator, shall be the successor of the Trustee or the Note Administrator, as applicable, hereunder; **provided that** with respect to the Trustee, such entity shall be otherwise qualified and eligible under this Article 6, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any of the Notes have been authenticated, but not delivered, by the Note Administrator then in office, any successor by merger, conversion or consolidation to such authenticating Note Administrator may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Note Administrator had itself authenticated such Notes.

Section 6.12 Co-Trustees and Separate Trustee. At any time or times, including for the purpose of meeting the legal requirements of any jurisdiction in which any part of the Collateral may at the time be located, for enforcement actions, or where a conflict of interest exists, the Issuer, the Co-Issuer and the Trustee shall have power to appoint, one or more Persons to act as co-trustee jointly with the Trustee of all or any part of the Collateral, with the power to file such proofs of claim and take such other actions pursuant to Section 5.6 and to make such claims and enforce such rights of action on behalf of the Holders of the Notes as such Holders themselves may have the right to do, subject to the other provisions of this Section 6.12.

Each of the Issuer and the Co-Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint a co-trustee. If the Issuer and the Co-Issuer do not both join in such appointment within 15 days after the receipt by them of a request to do so, the Trustee shall have power to make such appointment on its own.

Should any written instrument from the Issuer or the Co-Issuer be required by any co-trustee, so appointed, more fully confirming to such co-trustee such property, title, right or power, any and all such instruments shall, on request, be executed, acknowledged and delivered by the Issuer or the Co-Issuer, as the case may be. The Issuer agrees to pay (but only from and to the extent of the Collateral) to the extent funds are available therefor under the Priority of Payments, for any reasonable fees and expenses in connection with such appointment.

Every co-trustee, shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms:

(a) all rights, powers, duties and obligations hereunder in respect of the custody of securities, Cash and other personal property held by, or required to be deposited or pledged with, the Trustee hereunder, shall be exercised solely by the Trustee;

(b) the rights, powers, duties and obligations hereby conferred or imposed upon the Trustee in respect of any property covered by the appointment of a co-trustee shall be conferred or imposed upon and exercised or performed by the Trustee or by the Trustee and such co-trustee jointly in the case of the appointment of a co-trustee as shall be provided in the instrument appointing such co-trustee, except to the extent that under any law of any jurisdiction in which any particular act is to be performed, the Trustee shall be incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations shall be exercised and performed by a co-trustee;

(c) the Trustee at any time, by an instrument in writing executed by it, with the concurrence of the Issuer and the Co-Issuer evidenced by an Issuer Order, may accept the resignation of, or remove, any co-trustee appointed under this Section 6.12, and in case an Event of Default has occurred and is continuing, the Trustee shall have the power to accept the resignation of, or remove, any such co-trustee without the concurrence of the Issuer or the Co-Issuer. A successor to any co-trustee so resigned or removed may be appointed in the manner provided in this Section 6.12;

(d) no co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee hereunder, and any co-trustee hereunder shall be entitled to all the privileges, rights and immunities under Article 6, as if it were named the Trustee hereunder; and

(e) any Act of Securityholders delivered to the Trustee shall be deemed to have been delivered to each co-trustee.

Section 6.13 Direction to enter into the Servicing Agreement. The Issuer hereby directs the Trustee and the Note Administrator to enter into the Servicing Agreement. Each of

the Trustee and the Note Administrator shall be entitled to the same rights, protections, immunities and indemnities afforded to each herein in connection with any matter contained in the Servicing Agreement.

Section 6.14 Representations and Warranties of the Trustee. The Trustee represents and warrants for the benefit of the other parties to this Indenture and the parties to the Servicing Agreement that:

(a) the Trustee is a national banking association with trust powers, duly and validly existing under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture and the Servicing Agreement, and is duly eligible and qualified to act as Trustee under this Indenture and the Servicing Agreement;

(b) this Indenture and the Servicing Agreement have each been duly authorized, executed and delivered by the Trustee and each constitutes the valid and binding obligation of the Trustee, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought;

(c) neither the execution, delivery and performance of this Indenture or the Servicing Agreement, nor the consummation of the transactions contemplated by this Indenture or the Servicing Agreement, (i) is prohibited by, or requires the Trustee to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, or any judgment, order, writ, injunction or decree that is binding upon the Trustee or any of its properties or Collateral or (ii) will violate the provisions of the Governing Documents of the Trustee; and

(d) there are no proceedings pending or, to the best knowledge of the Trustee, threatened against the Trustee before any Federal, state or other governmental agency, authority, administrator or regulatory body, arbitrator, court or other tribunal, foreign or domestic, which could have a material adverse effect on the Collateral or the performance by the Trustee of its obligations under this Indenture or the Servicing Agreement.

Section 6.15 Representations and Warranties of the Note Administrator. The Note Administrator represents and warrants for the benefit of the other parties to this Indenture and the parties to the Servicing Agreement that:

(a) the Note Administrator is a national banking association with trust powers, duly and validly existing under the laws of the United States of America, with corporate power and authority to execute, deliver and perform its obligations under this Indenture and the Servicing Agreement, and is duly eligible and qualified to act as Note Administrator under this Indenture and the Servicing Agreement;

(b) this Indenture and the Servicing Agreement have each been duly authorized, executed and delivered by the Note Administrator and each constitutes the valid and binding obligation of the Note Administrator, enforceable against it in accordance with its terms except (i) as limited by bankruptcy, fraudulent conveyance, fraudulent transfer, insolvency, reorganization, liquidation, receivership, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and by general equitable principles, regardless of whether considered in a proceeding in equity or at law, and (ii) that the remedy of specific performance and injunctive and other forms of equitable relief may be subject to equitable defenses and to the discretion of the court before which any proceeding therefor may be brought;

(c) neither the execution, delivery and performance of this Indenture of the Servicing Agreement, nor the consummation of the transactions contemplated by this Indenture or the Servicing Agreement, (i) is prohibited by, or requires the Note Administrator to obtain any consent, authorization, approval or registration under, any law, statute, rule, regulation, or any judgment, order, writ, injunction or decree that is binding upon the Note Administrator or any of its properties or Collateral or (ii) will violate the provisions of the Governing Documents of the Note Administrator; and

(d) there are no proceedings pending or, to the best knowledge of the Note Administrator, threatened against the Note Administrator before any Federal, state or other governmental agency, authority, administrator or regulatory body, arbitrator, court or other tribunal, foreign or domestic, which could have a material adverse effect on the Collateral or the performance by the Note Administrator of its obligations under this Indenture or the Servicing Agreement.

Section 6.16 Requests for Consents. In the event that the Trustee and Note Administrator receives written notice of any offer or any request for a waiver, consent, amendment or other modification with respect to any Collateral Interest (before or after any default) or in the event any action is required to be taken in respect to a Loan Document, the Note Administrator shall promptly forward such notice to the Issuer, the Collateral Manager, the Servicer and the Special Servicer. The Special Servicer shall take such action as required under the Servicing Agreement as described in Section 10.10(f).

Section 6.17 Withholding.

(a) If any amount is required to be deducted or withheld from any payment to any Noteholder or payee, such amount shall reduce the amount otherwise distributable to such Noteholder or payee. The Note Administrator is hereby authorized to withhold or deduct from amounts otherwise distributable to any Noteholder or payee sufficient funds for the payment of any tax that is legally required to be withheld or deducted (but such authorization shall not prevent the Note Administrator from contesting any such tax in appropriate proceedings and legally withholding payment of such tax, pending the outcome of such proceedings). The amount of any withholding tax imposed with respect to any Noteholder or payee shall be treated as Cash distributed to such Noteholder or payee at the time it is deducted or withheld by the Issuer or the Note Administrator, as applicable, and remitted to the appropriate taxing authority. If there is a possibility that withholding tax is payable with respect to a distribution, the Note

Administrator may in its sole discretion withhold such amounts in accordance with this Section 6.17. The Issuer and the Co-Issuer agree to timely provide to the Trustee accurate and complete copies of all documentation received from Noteholders or payee pursuant to Sections 2.7(c) and 2.11(c). Solely with respect to FATCA compliance and reporting, nothing herein shall impose an obligation on the part of the Note Administrator to determine the amount of any tax or withholding obligation on the part of the Issuer or in respect of the Notes. In addition, initial purchasers and transferees of Definitive Notes after the Closing Date shall provide the Issuer, the Trustee, the Note Administrator or their agents, all information, documentation or certifications reasonably required to permit the Issuer to comply with its tax reporting obligations under applicable law, including any applicable cost basis reporting obligation. For the avoidance of doubt, the Note Administrator will have no responsibility for the preparation of any tax returns or related reports on behalf of or for the benefit of the Issuer or any noteholder, or the calculation of any original issue discount on the Notes.

(b) For the avoidance of doubt, the Note Administrator shall reasonably cooperate with Issuer, at Issuer's direction and expense, to permit Issuer to fulfill its obligations under FATCA (including the Cayman FATCA Legislation); **provided that** the Note Administrator shall have no independent obligation to cause or maintain Issuer's compliance with FATCA and shall have no liability for any withholding on payments to Issuer as a result of Issuer's failure to achieve or maintain FATCA compliance.

ARTICLE 7

COVENANTS

Section 7.1 Payment of Principal and Interest. The Issuer and, with respect to the Offered Notes, the Co-Issuer shall duly and punctually pay the principal of and interest on each Class of Notes in accordance with the terms of this Indenture. Amounts properly withheld under the Code or other applicable law by any Person from a payment to any Securityholder of interest and/or principal shall be considered as having been paid by the Issuer and, with respect to the Offered Notes, the Co-Issuer for all purposes of this Indenture.

The Note Administrator shall, unless prevented from doing so for reasons beyond its reasonable control, give notice to each Securityholder of any such withholding requirement no later than ten days prior to the related Payment Date from which amounts are required (as directed by the Issuer (or the Collateral Manager on its behalf)) to be withheld; **provided that**, despite the failure of the Note Administrator to give such notice, amounts withheld pursuant to applicable tax laws shall be considered as having been paid by the Issuer and the Co-Issuer, as provided above.

Section 7.2 Maintenance of Office or Agency. The Issuer and, with respect to the Offered Notes, the Co-Issuer hereby appoint the Note Administrator as a Paying Agent for the payment of principal of and interest on the Notes and where Notes may be surrendered for registration of transfer or exchange and the Issuer hereby appoints Corporation Service Company in New York, New York, as its agent where notices and demands to or upon the Co-Issuer in

respect of the Offered Notes or this Indenture, or the Issuer in respect of the Notes or this Indenture, may be served.

The Issuer may at any time and from time to time vary or terminate the appointment of any such agent or appoint any additional agents for any or all of such purposes; **provided, however, that** the Issuer will maintain in the Borough of Manhattan, The City of New York, an office or agency where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served, and, subject to any laws or regulations applicable thereto, an office or agency outside of the United States where Notes may be presented and surrendered for payment; **provided, further, that** no paying agent shall be appointed in a jurisdiction which subjects payments on the Notes to withholding tax. The Issuer shall give prompt written notice to the Trustee, the Note Administrator, the Rating Agencies and the Noteholders of the appointment or termination of any such agent and of the location and any change in the location of any such office or agency.

If at any time the Issuer shall fail to maintain any such required office or agency in the Borough of Manhattan, The City of New York, or outside the United States, or shall fail to furnish the Trustee and the Note Administrator with the address thereof, presentations and surrenders may be made (subject to the limitations described in the preceding paragraph) at and notices and demands may be served on the Issuer and Co-Issuer and Notes may be presented and surrendered for payment to the appropriate Paying Agent at its main office and the Issuer and the Co-Issuer hereby appoint the same as their agent to receive such respective presentations, surrenders, notices and demands.

Section 7.3 Amounts for Note Payments to be Held in Trust.

(a) All payments of amounts due and payable with respect to any Notes that are to be made from amounts withdrawn from the Payment Account shall be made on behalf of the Issuer and, with respect to the Offered Notes, the Co-Issuer by the Note Administrator or a Paying Agent (in each case, from and to the extent of available funds in the Payment Account and subject to the Priority of Payments) with respect to payments on the Notes.

When the Paying Agent is not also the Notes Registrar, the Issuer and, with respect to the Offered Notes, the Co-Issuer shall furnish, or cause the Notes Registrar to furnish, no later than the fifth calendar day after each Record Date a list, if necessary, in such form as such Paying Agent may reasonably request, of the names and addresses of the Holders of Notes and of the certificate numbers of individual Notes held by each such Holder together with wiring instructions, contact information, and such other information reasonably required by the paying agent.

Whenever the Paying Agent is not also the Note Administrator, the Issuer, the Co-Issuer, and such Paying Agent shall, on or before the Business Day next preceding each Payment Date or Redemption Date, as the case may be, direct the Note Administrator to deposit on such Payment Date with such Paying Agent, if necessary, an aggregate sum sufficient to pay the amounts then becoming due pursuant to the terms of this Indenture (to the extent funds are then available for such purpose in the Payment Account, and subject to the Priority of Payments),

such sum to be held for the benefit of the Persons entitled thereto and (unless such Paying Agent is the Note Administrator) the Issuer and the Co-Issuer shall promptly notify the Note Administrator of its action or failure so to act. Any amounts deposited with a Paying Agent (other than the Note Administrator) in excess of an amount sufficient to pay the amounts then becoming due on the Notes with respect to which such deposit was made shall be paid over by such Paying Agent to the Note Administrator for application in accordance with Article 11. Any such Paying Agent shall be deemed to agree by assuming such role not to cause the filing of a petition in bankruptcy against the Issuer, the Co-Issuer or any Permitted Subsidiary for the non-payment to the Paying Agent of any amounts payable thereto until at least one year and one day (or, if longer, the applicable preference period then in effect) after the payment in full of all Notes issued under this Indenture.

The initial Paying Agent shall be as set forth in Section 7.2. Any additional or successor Paying Agents shall be appointed by Issuer Order of the Issuer and Issuer Order of the Co-Issuer and at the sole cost and expense (including such Paying Agent's fee) of the Issuer and the Co-Issuer, with written notice thereof to the Note Administrator; **provided, however, that** so long as any Class of the Notes are rated by a Rating Agency and with respect to any additional or successor Paying Agent for the Notes, either (i) such Paying Agent has (1) a long-term unsecured debt rating of "Aa3" or higher by Moody's and a short-term debt rating of "P-1" by Moody's and (2) a long-term unsecured debt rating of at least "A" by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)) or (ii) each of the Rating Agencies confirms that employing such Paying Agent shall not adversely affect the then-current ratings of the Notes. In the event that such successor Paying Agent ceases to have a long-term debt rating of "Aa3" or higher by Moody's, a short-term debt rating of at least "P-1" by Moody's and a long-term debt rating of "A" by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody's)), the Issuer and the Co-Issuer shall promptly remove such Paying Agent and appoint a successor Paying Agent. The Issuer and the Co-Issuer shall not appoint any Paying Agent that is not, at the time of such appointment, a depository institution or trust company subject to supervision and examination by federal and/or state and/or national banking authorities. The Issuer and the Co-Issuer shall cause the Paying Agent other than the Note Administrator to execute and deliver to the Note Administrator an instrument in which such Paying Agent shall agree with the Note Administrator (and if the Note Administrator acts as Paying Agent, it hereby so agrees), subject to the provisions of this Section 7.3, that such Paying Agent will:

- (i) allocate all sums received for payment to the Holders of Notes in accordance with the terms of this Indenture;
- (ii) hold all sums held by it for the payment of amounts due with respect to the Notes for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided and pay such sums to such Persons as herein provided;

(iii) if such Paying Agent is not the Note Administrator, immediately resign as a Paying Agent and forthwith pay to the Note Administrator all sums held by it for the payment of Notes if at any time it ceases to satisfy the standards set forth above required to be met by a Paying Agent at the time of its appointment;

(iv) if such Paying Agent is not the Note Administrator, immediately give the Note Administrator notice of any Default by the Issuer or the Co-Issuer (or any other obligor upon the Notes) in the making of any payment required to be made; and

(v) if such Paying Agent is not the Note Administrator at any time during the continuance of any such Default, upon the written request of the Note Administrator, forthwith pay to the Note Administrator all sums so held by such Paying Agent.

The Issuer or the Co-Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Issuer Order direct the Paying Agent to pay, to the Note Administrator all sums held by the Issuer or the Co-Issuer or held by the Paying Agent for payment of the Notes, such sums to be held by the Note Administrator in trust for the same Noteholders as those upon which such sums were held by the Issuer, the Co-Issuer or the Paying Agent; and, upon such payment by the Paying Agent to the Note Administrator, the Paying Agent shall be released from all further liability with respect to such amounts.

Except as otherwise required by applicable law, any amounts deposited with the Note Administrator in trust or deposited with the Paying Agent for the payment of the principal of or interest on any Note and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Issuer on request; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Issuer for payment of such amounts and all liability of the Note Administrator or the Paying Agent with respect to such amounts (but only to the extent of the amounts so paid to the Issuer or the Co-Issuer, as applicable) shall thereupon cease. The Note Administrator or the Paying Agent, before being required to make any such release of payment, may, but shall not be required to, adopt and employ, at the expense of the Issuer or the Co-Issuer, as the case may be, any reasonable means of notification of such release of payment, including, but not limited to, mailing notice of such release to Holders whose Notes have been called but have not been surrendered for redemption or whose right to or interest in amounts due and payable but not claimed is determinable from the records of the Paying Agent, at the last address of record of each such Holder.

Section 7.4 Existence of the Issuer and Co-Issuer.

(a) So long as any Note is Outstanding, the Issuer shall, to the maximum extent permitted by applicable law, maintain in full force and effect its existence and rights as an exempted company incorporated with limited liability under the laws of the Cayman Islands and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture, the Notes or any of the Collateral; **provided that** the Issuer shall be entitled to change its jurisdiction of registration from the Cayman Islands to any other

jurisdiction reasonably selected by the Issuer so long as (i) such change is not disadvantageous in any material respect to the Holders of the Notes or the Preferred Shares, (ii) it delivers written notice of such change to the Note Administrator for delivery to the Holders of the Notes or Preferred Shares, the Preferred Share Paying Agent and the Rating Agencies and (iii) on or prior to the fifteenth (15th) Business Day following delivery of such notice by the Note Administrator to the Noteholders, the Note Administrator shall not have received written notice from a Majority of the Controlling Class or a Majority of Preferred Shareholders objecting to such change. So long as any Rated Notes are Outstanding, the Issuer will maintain at all times at least one director who is Independent of the Collateral Manager and its Affiliates.

(b) So long as any Note is Outstanding, the Co-Issuer shall maintain in full force and effect its existence and rights as a limited liability company organized under the laws of Delaware and shall obtain and preserve its qualification to do business as a foreign limited liability company in each jurisdiction in which such qualifications are or shall be necessary to protect the validity and enforceability of this Indenture or the Notes; **provided, however, that** the Co-Issuer shall be entitled to change its jurisdiction of formation from Delaware to any other jurisdiction reasonably selected by the Co-Issuer so long as (i) such change is not disadvantageous in any material respect to the Holders of the Notes, (ii) it delivers written notice of such change to the Note Administrator for delivery to the Holders of the Notes and the Rating Agencies and (iii) on or prior to the fifteenth (15th) Business Day following such delivery of such notice by the Note Administrator to the Noteholders, the Note Administrator shall not have received written notice from a Majority of the Controlling Class objecting to such change. So long as any Rated Notes are Outstanding, the Co-Issuer will maintain at all times at least one director who is Independent of the Collateral Manager and its Affiliates.

(c) So long as any Note is Outstanding, the Issuer shall ensure that all corporate or other formalities regarding its existence are followed (including correcting any known misunderstanding regarding its separate existence). So long as any Note is Outstanding, the Issuer shall not take any action or conduct its affairs in a manner that is likely to result in its separate existence being ignored or its Collateral and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. So long as any Note is Outstanding, the Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Issuer's obligations hereunder, and the Issuer shall at all times keep and maintain, or cause to be kept and maintained, separate books, records, accounts and other information customarily maintained for the performance of the Issuer's obligations hereunder. Without limiting the foregoing, so long as any Note is Outstanding, (i) the Issuer shall (A) pay its own liabilities only out of its own funds and (B) use separate stationery, invoices and checks, (C) hold itself out and identify itself as a separate and distinct entity under its own name; (D) not commingle its assets with assets of any other Person; (E) hold title to its assets in its own name; (F) maintain separate financial statements, showing its assets and liabilities separate and apart from those of any other Person and not have its assets listed on any financial statement of any other Person; **provided, however, that** the Issuer's assets may be included in a consolidated financial statement of its Affiliate; **provided that** (1) appropriate notation shall be made on such consolidated financial statements to indicate the separateness of the Issuer from such Affiliate and to indicate that the Issuer's assets and credit

are not available to satisfy the debts and other obligations of such Affiliate or any other Person and (2) such assets shall also be listed on the Issuer's own balance sheet; (G) not guarantee any obligation of any Person, including any Affiliate or become obligated for the debts of any other Person or hold out its credit or assets as being available to satisfy the obligations of others; (H) allocate fairly and reasonably any overhead expenses, including for shared office space; (I) not have its obligations guaranteed by any Affiliate; (J) not pledge its assets to secure the obligations of any other Person; (K) correct any known misunderstanding regarding its separate identity; (L) maintain adequate capital in light of its contemplated business purpose, transactions and liabilities; (M) not acquire any securities of any Affiliate of the Issuer; and (N) not own any asset or property other than property arising out of the actions permitted to be performed under the Transaction Documents; and (ii) the Issuer shall not (A) have any subsidiaries (other than a Permitted Subsidiary and, in the case of the Issuer, the Co-Issuer); (B) engage, directly or indirectly, in any business other than the actions required or permitted to be performed under the Transaction Documents; (C) engage in any transaction with any shareholder that is not permitted under the terms of the Servicing Agreement; (D) pay dividends other than in accordance with the terms of this Indenture, its governing documents and the Preferred Share Paying Agency Agreement; (E) conduct business under an assumed name (*i.e.*, no "DBAs"); (F) incur, create or assume any indebtedness other than as expressly permitted under the Transaction Documents; (G) enter into any contract or agreement with any of its Affiliates, except upon terms and conditions that are commercially reasonable and substantially similar to those available in arm's-length transactions; **provided that** the foregoing shall not prohibit the Issuer from entering into the transactions contemplated by the Company Administration Agreement with the Company Administrator, the Preferred Share Paying Agency Agreement with the Share Registrar and any other agreement contemplated or permitted by the Servicing Agreement or this Indenture; (H) make or permit to remain outstanding any loan or advance to, or own or acquire any stock or securities of, any Person, except that the Issuer may invest in those investments permitted under the Transaction Documents and may make any advance required or expressly permitted to be made pursuant to any provisions of the Transaction Documents and permit the same to remain outstanding in accordance with such provisions; and (I) to the fullest extent permitted by law, engage in any dissolution, liquidation, consolidation, merger, asset sale or transfer of ownership interests other than such activities as are expressly permitted pursuant to any provision of the Transaction Documents.

(d) So long as any Note is Outstanding, the Co-Issuer shall ensure that all limited liability company or other formalities regarding its existence are followed, as well as correcting any known misunderstanding regarding its separate existence. The Co-Issuer shall not take any action or conduct its affairs in a manner, that is likely to result in its separate existence being ignored or its Collateral and liabilities being substantively consolidated with any other Person in a bankruptcy, reorganization or other insolvency proceeding. The Co-Issuer shall maintain and implement administrative and operating procedures reasonably necessary in the performance of the Co-Issuer's obligations hereunder, and the Co-Issuer shall at all times keep and maintain, or cause to be kept and maintained, books, records, accounts and other information customarily maintained for the performance of the Co-Issuer's obligations hereunder. Without limiting the foregoing, the Co-Issuer shall not (A) have any subsidiaries, (B) have any employees (other than its managers), (C) join in any transaction with any member that is not permitted under the terms

Section 7.5 Protection of Collateral.

(a) The Note Administrator, at the expense of the Issuer and pursuant to any Opinion of Counsel received pursuant to Section 7.5(d) shall execute and deliver all such Financing Statements, continuation statements, instruments of further assurance and other instruments, and shall take such other action as may be necessary or advisable or desirable to secure the rights and remedies of the Holders and to:

(i) Grant more effectively all or any portion of the Collateral;

(ii) maintain or preserve the lien (and the priority thereof) of this Indenture or to carry out more effectively the purposes hereof;

(iii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations);

The Issuer hereby designates the Note Administrator as its agent and attorney-in-fact to execute any Financing Statement, continuation statement or other instrument required pursuant to this Section 7.5. The Note Administrator agrees that it will from time to time execute and cause such Financing Statements and continuation statements to be filed (it being understood that the Note Administrator shall be entitled to rely upon an Opinion of Counsel described in Section 7.5(d), at the expense of the Issuer, as to the need to file such Financing Statements and continuation statements, the dates by which such filings are required to be made and the jurisdictions in which such filings are required to be made).

(b) Neither the Trustee nor the Note Administrator shall (except in accordance with Section 10.12(a), (b) or (c) and except for payments, deliveries and distributions otherwise

expressly permitted under this Indenture) cause or permit the Custodial Account or the Custodian to be located in a different jurisdiction from the jurisdiction in which the Custodian was located on the Closing Date, unless the Trustee or the Note Administrator, as applicable, shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

(c) The Issuer (or an agent acting on its behalf) shall (i) pay or cause to be paid taxes, if any, levied on account of the beneficial ownership by the Issuer of any Collateral that secure the Notes and timely file all tax returns and information statements as required, (ii) take all reasonable actions, including hiring agents or advisors, consistent with law and its obligations under this Indenture, as are necessary or advisable to prevent the Issuer from becoming subject to any withholding or other taxes or assessments and to allow the Issuer to comply with FATCA and the Cayman FATCA Legislation, including appointing any agent or representative to perform due diligence, withholding or reporting obligations of the Issuer pursuant to FATCA and the Cayman FATCA Legislation, and any other action that the Issuer would be permitted to take under this Indenture necessary for compliance with FATCA and the Cayman FATCA Legislation, and (iii) if required to prevent the withholding or imposition of United States income tax, deliver or cause to be delivered a United States IRS Form W-9 (or the applicable IRS Form W-8, if appropriate) or successor applicable form, to each borrower, counterparty or paying agent with respect to (as applicable) an item included in the Collateral at the time such item is purchased or entered into and thereafter prior to the expiration or obsolescence of such form.

Upon written request, the Note Administrator and the Registrar shall provide to the Issuer, the Collateral Manager, the Placement Agents or any agent thereof any information specified by such parties regarding the Holders of the Notes and payments on the Notes that is reasonably available to the Note Administrator or the Registrar, as the case may be, and may be necessary for compliance with FATCA and the Cayman FATCA Legislation, subject in all cases to confidentiality provisions.

(d) For so long as the Notes are Outstanding, within the six-month period preceding the fifth anniversary of the Closing Date and every 60 months thereafter, the Issuer (or the Collateral Manager on its behalf) shall deliver to the Trustee and the Note Administrator, for the benefit of the Trustee, the Collateral Manager, the Note Administrator and the Rating Agencies, at the expense of the Issuer, an Opinion of Counsel stating what is required, in the opinion of such counsel, as of the date of such opinion, to maintain the lien and security interest created by this Indenture with respect to the Collateral, and confirming the matters set forth in the Opinion of Counsel, furnished pursuant to Section 3.1(d), with regard to the perfection and priority of such security interest (and such Opinion of Counsel may likewise be subject to qualifications and assumptions similar to those set forth in the Opinion of Counsel delivered pursuant to Section 3.1(d)).

Section 7.6 Notice of Any Amendments. Each of the Issuer and the Co-Issuer shall give notice to the 17g-5 Information Provider of, and satisfy the Rating Agency Condition with respect to, any amendments to its Governing Documents.

Section 7.7 Performance of Obligations.

(a) Each of the Issuer and the Co-Issuer shall not take any action, and will use commercially reasonable efforts not to permit any action to be taken by others, that would release any Person from any of such Person's covenants or obligations under any Instrument included in the Collateral, except in the case of enforcement action taken with respect to any Defaulted Collateral Interest in accordance with the provisions hereof and as otherwise required hereby.

(b) The Issuer or the Co-Issuer may, with the prior written consent of the Majority of the Notes (or if there are no Notes Outstanding, a Majority of Preferred Shareholders), contract with other Persons, including the Servicer, the Special Servicer, the Note Administrator, the Collateral Manager or the Trustee, for the performance of actions and obligations to be performed by the Issuer or the Co-Issuer, as the case may be, hereunder by such Persons and the performance of the actions and other obligations with respect to the Collateral of the nature set forth in this Indenture. Notwithstanding any such arrangement, the Issuer or the Co-Issuer, as the case may be, shall remain primarily liable with respect thereto. In the event of such contract, the performance of such actions and obligations by such Persons shall be deemed to be performance of such actions and obligations by the Issuer or the Co-Issuer; and the Issuer or the Co-Issuer shall punctually perform, and use commercially reasonable efforts to cause the Servicer, the Special Servicer, the Collateral Manager or such other Person to perform, all of their obligations and agreements contained in this Indenture or such other agreement.

(c) Unless the Rating Agency Condition is satisfied with respect thereto, the Issuer shall maintain the Servicing Agreement in full force and effect so long as any Notes remain Outstanding and shall not terminate the Servicing Agreement with respect to any Collateral Interest except upon the sale or other liquidation of such Collateral Interest in accordance with the terms and conditions of this Indenture.

(d) If the Co-Issuers receive a notice from the Rating Agencies stating that they are not in compliance with Rule 17g-5, the Co-Issuers shall take such action as mutually agreed between the Co-Issuers and the Rating Agencies in order to comply with Rule 17g-5.

Section 7.8 Negative Covenants.

(a) The Issuer and the Co-Issuer shall not:

(i) sell, assign, participate, transfer, exchange or otherwise dispose of, or pledge, mortgage, hypothecate or otherwise encumber (or permit such to occur or suffer such to exist), any part of the Collateral, except as otherwise expressly permitted by this Indenture, the Servicing Agreement or the Collateral Management Agreement;

(ii) claim any credit on, make any deduction from, or dispute the enforceability of, the payment of the principal or interest payable in respect of the Notes (other than amounts required to be paid, deducted or withheld in accordance with any applicable law or regulation of any governmental authority) or assert any claim against any present or future Noteholder by reason of the payment of any taxes levied or assessed upon any part of the Collateral;

(xiii) except for any agreements involving the purchase and sale of Collateral Interests having customary purchase or sale terms and documented with customary loan trading documentation, enter into any agreements unless such agreements contain "non-petition" and "limited recourse" provisions; or

this Indenture) to the Holders of the Notes. The foregoing notwithstanding, the Issuer may agree to any material new agreements; **provided that** (i) the Issuer (or the Collateral Manager on its behalf) determines that such new agreements would not, upon becoming effective, adversely affect the rights or interests of any Class or Classes of Noteholders and (ii) subject to satisfaction of the Rating Agency Condition.

(f) As long as any Note is Outstanding, the Advancing Agent shall cause the Retention Holder to not transfer (whether by means of actual transfer or a transfer of beneficial ownership for U.S. federal income tax purposes), pledge or hypothecate the Retained Securities, any retained or repurchased Notes, the Preferred Shares or the ordinary shares of the Issuer to any other Person (except to an affiliate that is wholly-owned by BRSP Sub-REIT and is disregarded for U.S. federal income tax purposes) unless the Issuer receives a No Entity-Level Tax Opinion, or has previously received a No Trade or Business Opinion.

Section 7.10 Issuer and Co-Issuer May Consolidate or Merge Only on Certain Terms.

(ii) the Rating Agency Condition has been satisfied;

(iii) if the Co-Issuer is not the surviving entity, the Person formed by such consolidation or into which the Co-Issuer is merged or to which all or substantially all of the Collateral of the Co-Issuer are transferred shall have agreed with the Trustee and the Note Administrator (A) to observe the same legal requirements for the recognition of such formed or surviving entity as a legal entity separate and apart from any of its Affiliates as are applicable to the Co-Issuer with respect to its Affiliates and (B) not to consolidate or merge with or into any other Person or transfer or convey all or substantially all of its Collateral to any other Person except in accordance with the provisions of this Section 7.10;

Section 7.11 Successor Substituted. Upon any consolidation or merger, or transfer or conveyance of all or substantially all of the Collateral of the Issuer or the Co-Issuer, in accordance with Section 7.10, the Person formed by or surviving such consolidation or merger (if other than the Issuer or the Co-Issuer), or the Person to which such consolidation, merger, transfer or conveyance is made, shall succeed to, and be substituted for, and may exercise every

right and power of, the Issuer or the Co-Issuer, as the case may be, under this Indenture with the same effect as if such Person had been named as the Issuer or the Co-Issuer, as the case may be, herein. In the event of any such consolidation, merger, transfer or conveyance, the Person named as the “Issuer” or the “Co-Issuer” in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Article 7 may be dissolved, wound-up and liquidated at any time thereafter, and such Person thereafter shall be released from its liabilities as obligor and maker on all the Notes and from its obligations under this Indenture.

Section 7.12 No Other Business. The Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and any supplements thereto, issuing its ordinary shares and issuing and selling the Preferred Shares in accordance with its Governing Documents, and acquiring, owning, holding, disposing of and pledging the Collateral in connection with the Notes and such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith. The Co-Issuer shall not engage in any business or activity other than issuing and selling the Notes pursuant to this Indenture and any supplements thereto and such other activities which are necessary, suitable or convenient to accomplish the foregoing or are incidental thereto or connected therewith.

Section 7.13 Reporting. At any time when the Issuer and/or the Co-Issuer is not subject to Section 13 or 15(d) of the Exchange Act and is not exempt from reporting pursuant to Rule 12g3-2(b) under the Exchange Act, upon the request of a Holder or beneficial owner of a Note, the Issuer and/or the Co-Issuer shall promptly furnish or cause to be furnished “Rule 144A Information” (as defined below) to such Holder or beneficial owner, to a prospective purchaser of such Note designated by such Holder or beneficial owner or to the Note Administrator for delivery to such Holder or beneficial owner or a prospective purchaser designated by such Holder or beneficial owner, as the case may be, in order to permit compliance by such Holder or beneficial owner with Rule 144A under the Securities Act in connection with the resale of such Note by such Holder or beneficial owner. “**Rule 144A Information**” shall be such information as is specified pursuant to Rule 144A(d)(4) under the Securities Act (or any successor provision thereto). The Note Administrator shall reasonably cooperate with the Issuer and/or the Co-Issuer in mailing or otherwise distributing (at the Issuer’s expense) to such Noteholders or prospective purchasers, at and pursuant to the Issuer’s and/or the Co-Issuer’s written direction the foregoing materials prepared by or on behalf of the Issuer and/or the Co-Issuer; **provided, however, that** the Note Administrator shall be entitled to prepare and affix thereto or enclose therewith reasonable disclaimers to the effect that such Rule 144A Information was not assembled by the Note Administrator, that the Note Administrator has not reviewed or verified the accuracy thereof, and that it makes no representation as to such accuracy or as to the sufficiency of such information under the requirements of Rule 144A or for any other purpose.

Section 7.14 Calculation Agent.

(a) The Issuer and the Co-Issuer hereby agree that for so long as any Notes remain Outstanding there shall at all times be an agent appointed to calculate the Benchmark in respect of each Interest Accrual Period in accordance with the terms of Schedule B (the “**Calculation**”

Agent”). The Issuer and the Co-Issuer initially have appointed the Note Administrator as Calculation Agent for purposes of determining the Benchmark for each Interest Accrual Period. The Calculation Agent may be removed by the Issuer at any time upon thirty (30) days’ written notice delivered to the Calculation Agent. The Calculation Agent may resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Collateral Manager, the Noteholders and the Rating Agencies. If the Calculation Agent is unable or unwilling to act as such or is removed by the Issuer, or if the Calculation Agent fails to determine the rate using the Benchmark or the Interest Distribution Amount for any Class of Notes for any Interest Accrual Period, the Issuer shall promptly appoint as a replacement Calculation Agent a leading bank which does not control or is not controlled by or under common control with the Issuer or its affiliates and which, if the Benchmark is LIBOR, is engaged in transactions in Eurodollar deposits in the international Eurodollar market. To the extent the Calculation Agent is removed without cause, the expenses incurred in connection with transferring the Calculation Agent’s responsibilities under this Indenture shall be reimbursed by the Issuer. The Calculation Agent may not resign its duties without a successor having been duly appointed. If no successor Calculation Agent shall have been appointed within 30 days after giving of a notice of resignation, the resigning Calculation Agent or a Majority of the Preferred Shareholders with regard to the determination that a Benchmark Transition Event has occurred, may petition a court of competent jurisdiction for the appointment of a successor Calculation Agent, and if such petition is commenced by the Calculation Agent, then such petition will be at the expense of the Issuer.

(b) The Calculation Agent shall be required to agree that, as soon as practicable after the Reference Time, but in no event later than 11:00 a.m. (New York time) on the next succeeding Business Day (or the next succeeding London Banking Day if the Benchmark is LIBOR) immediately following each Benchmark Determination Date, the Calculation Agent shall calculate the Benchmark for the related Interest Accrual Period and will communicate such information to the Note Administrator, who shall include such calculation on the next Monthly Report following such Benchmark Determination Date. The Calculation Agent shall notify the Issuer, the Co-Issuer and the Collateral Manager before 5:00 p.m. (New York time) on each Benchmark Determination Date if it has not determined and is not in the process of determining the Benchmark and the Interest Distribution Amounts for each Class of Notes, together with the reasons therefor. The determination of the Note Interest Rates and the related Interest Distribution Amounts, respectively, by the Calculation Agent shall, absent manifest error, be final and binding on all parties.

Section 7.15 REIT Status.

(a) BRSP Sub-REIT shall not take any action that results in the Issuer failing to qualify as a Qualified REIT Subsidiary of BRSP Sub-REIT for federal income tax purposes, unless (A) based on an Opinion of Counsel, the Issuer will be treated as a Qualified REIT Subsidiary of a REIT other than BRSP Sub-REIT, or (B) based on an Opinion of Counsel, the Issuer will be treated as a foreign corporation that is not engaged in a trade or business in the United States for U.S. federal income tax purposes.

(b) Without limiting the generality of this Section 7.15, if the Issuer is no longer a Qualified REIT Subsidiary, prior to the time that:

(i) any Collateral Interest would cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis;

(ii) the Issuer would acquire or receive any asset in connection with a workout or restructuring of a Collateral Interest that could cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis;

(iii) the Issuer would acquire the real property underlying any Collateral Interest pursuant to a foreclosure or deed-in-lieu of foreclosure; or

(iv) any Collateral Interest is modified in such a manner that could cause the Issuer to be treated as engaged in a trade or business in the United States or to become subject to U.S. federal tax on a net income basis,

the Issuer will either (x) organize one or more Permitted Subsidiaries and contribute the subject property to such Permitted Subsidiary, (y) contribute such Collateral Interest to an existing Permitted Subsidiary, or (z) sell such Collateral Interest in accordance with Section 12.1.

(c) At the direction of 100% of the Preferred Shareholders (including any party that will become the beneficial owner of 100% of the Preferred Shares because of a default under any financing arrangement for which the Preferred Shares are security), the Issuer may operate as a foreign corporation that is not engaged in a trade or business in the United States for U.S. federal income tax purposes; **provided that** (i) the Issuer receives a No Entity-Level Tax Opinion or a No Trade or Business Opinion; (ii) this Indenture and the Servicing Agreement, as applicable, are amended or supplemented (A) to adopt written tax guidelines governing the Issuer's origination, acquisition, disposition and modification of Collateral Interests designed to prevent the Issuer from being treated as engaged in a trade or business in the United States for U.S. federal income tax purposes, (B) to form one or more "grantor trusts" to the hold Collateral Interests and (C) to implement any other provisions deemed necessary (as determined by the tax counsel providing the opinion) to prevent the Issuer from being treated as a foreign corporation engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise becoming subject to U.S. federal withholding tax or U.S. federal income tax on a net income basis; (iii) the Preferred Shareholder shall pay the administrative and other costs related to the Issuer converting from a Qualified REIT Subsidiary to operating as a foreign corporation, including the costs of any opinions and amendments; and (iv) the Preferred Shareholder agrees to pay any ongoing expenses related to the Issuer's status as a foreign corporation not engaged in a trade or business in the United States for U.S. federal income tax purposes, including but not limited to U.S. federal income tax filings required by the Issuer, the "grantor trusts" or any taxable subsidiaries or required under FATCA.

Section 7.16 Permitted Subsidiaries. Notwithstanding any other provision of this Indenture, the Collateral Manager on behalf of the Issuer shall, following delivery of an Issuer Order to the parties hereto, be permitted to sell or transfer to a Permitted Subsidiary at any time any Sensitive Asset for consideration consisting entirely of the equity interests of such Permitted Subsidiary (or for an increase in the value of equity interests already owned). Such Issuer Order shall certify that the sale of a Sensitive Asset is being made in accordance with satisfaction of all requirements of this Indenture. The Custodian shall, upon receipt of a Request for Release with respect to a Sensitive Asset, release such Sensitive Asset and shall deliver such Sensitive Asset as specified in such Request for Release. The following provisions shall apply to all Sensitive Asset and Permitted Subsidiaries:

(a) For all purposes under this Indenture, any Sensitive Asset transferred to a Permitted Subsidiary shall be treated as if it were an asset owned directly by the Issuer.

(b) Any distribution of Cash by a Permitted Subsidiary to the Issuer shall be characterized as Interest Proceeds or Principal Proceeds to the same extent that such Cash would have been characterized as Interest Proceeds or Principal Proceeds if received directly by the Issuer and each Permitted Subsidiary shall cause all proceeds of and collections on each Sensitive Asset owned by such Permitted Subsidiary to be deposited into the Payment Account.

(c) To the extent applicable, the Issuer shall form one or more Securities Accounts with the Securities Intermediary for the benefit of each Permitted Subsidiary and shall, to the extent applicable, cause Sensitive Asset to be credited to such Securities Accounts.

(d) Notwithstanding the complete and absolute transfer of a Sensitive Asset to a Permitted Subsidiary, the ownership interests of the Issuer in a Permitted Subsidiary or any property distributed to the Issuer by a Permitted Subsidiary shall be treated as a continuation of its ownership of the Sensitive Asset that was transferred to such Permitted Subsidiary (and shall be treated as having the same characteristics as such Sensitive Asset).

(e) If the Special Servicer on behalf of the Trustee, or any other authorized party takes any action under this Indenture to sell, liquidate or dispose of all or substantially all of the Collateral, the Issuer (or the Collateral Manager on its behalf) shall cause each Permitted Subsidiary to sell each Sensitive Asset and all other Collateral held by such Permitted Subsidiary and distribute the proceeds of such sale, net of any amounts necessary to satisfy any related expenses and tax liabilities, to the Issuer in exchange for the equity interest in such Permitted Subsidiary held by the Issuer.

Section 7.17 Repurchase Requests. If the Issuer, the Trustee, the Note Administrator, the Collateral Manager, the Servicer or the Special Servicer receives any request or demand that a Collateral Interest be repurchased or replaced arising from any Material Breach of a representation or warranty made with respect to such Collateral Interest, any Material Document Defect or any Combined Loan Repurchase Event (any such request or demand, a “**Repurchase Request**”) or a withdrawal of a Repurchase Request from any Person other than the Servicer or Special Servicer, then the Collateral Manager (on behalf of the Issuer), the Trustee or the Note Administrator, as applicable, shall promptly forward such notice of such Repurchase Request or

withdrawal of a Repurchase Request, as the case may be, to the Servicer (if related to a Collateral Interest that is, or is related to, a Performing Mortgage Loan as defined in the Servicing Agreement) or Special Servicer, and include the following statement in the related correspondence: “This is a “[Repurchase Request]/[withdrawal of a Repurchase Request]” under Section 3.19 of the Servicing Agreement relating to BRSP 2021-FL1, Ltd. and BRSP 2021-FL1, LLC, requiring action from you as the “Repurchase Request Recipient” thereunder.” Upon receipt of such Repurchase Request or withdrawal of a Repurchase Request by the Collateral Manager, the Servicer or Special Servicer pursuant to the prior sentence, the Servicer or the Special Servicer, as applicable, shall be deemed to be the Repurchase Request Recipient in respect of such Repurchase Request or withdrawal of a Repurchase Request, as the case may be, and shall be responsible for complying with the procedures set forth in Section 3.19 of the Servicing Agreement with respect to such Repurchase Request.

Section 7.18 [Reserved]

Section 7.19 [Reserved]

Section 7.20 Servicing of Commercial Real Estate Loans and Control of Servicing Decisions. Other than with respect to the Non-Serviced Commercial Real Estate Loans, the Collateral Interests (or, as applicable, the related Participated Loan) will be serviced by the Servicer or, with respect to Specially Serviced Loans, the Special Servicer, in each case pursuant to the Servicing Agreement, subject to the consultation, consent and direction rights of the Collateral Manager, as set forth in the Servicing Agreement, subject to those conditions, restrictions or termination events expressly provided therein. Nothing in this Indenture shall be interpreted to limit in any respect the rights of the Collateral Manager under the Servicing Agreement and none of the Issuer, Co-Issuer, Note Administrator and Trustee shall take any action under this Indenture inconsistent with the Collateral Manager’s rights set forth under the Servicing Agreement.

Section 7.21 ABS Due Diligence Services. If any of the parties to this Indenture receives a Form ABS Due Diligence-15E from any party in connection with any third-party due diligence services such party may have provided with respect to the Collateral Interests (any such party, a “**Due Diligence Service Provider**”), such receiving party shall promptly forward such Form ABS Due Diligence-15E to the 17g-5 Information Provider for posting on the 17g-5 Website. The 17g-5 Information Provider shall post on the 17g-5 Website any Form ABS Due Diligence-15E it receives directly from a Due Diligence Service Provider or from another party to this Indenture, promptly upon receipt thereof.

ARTICLE 8

SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures Without Consent of Securityholders.

(a) Without the consent of the Holders of any Notes or any Preferred Shareholders, and without satisfaction of the Rating Agency Condition, the Issuer, the Co-Issuer, when

authorized by Board Resolutions of the Co-Issuers, the Trustee and the Note Administrator, at any time and from time to time subject to the requirement provided below in this Section 8.1, may enter into one or more indentures supplemental hereto, in form satisfactory to the parties thereto, for any of the following purposes:

(v) correct or amplify the description of any property at any time subject to the lien of this Indenture, or to better assure, convey and confirm unto the Trustee any property subject or required to be subject to the lien of this Indenture (including, without limitation, any and all actions necessary or desirable as a result of changes in law or regulations) or to subject any additional property to the lien of this Indenture;

(vi) modify the restrictions on and procedures for resales and other transfers of Notes to reflect any changes in applicable law or regulation (or the interpretation thereof) or to enable the Issuer and the Co-Issuer to rely upon any exemption or exclusion from registration under the Securities Act, the Exchange Act or the 1940 Act (including, without limitation, (A) to prevent any Class of Notes from being considered an “ownership interest” under the Section 619 of Dodd-Frank (such statutory provision together with such implementing regulations, the “**Volcker Rule**”) or (B) to prevent the Issuer or the Co-Issuer from being considered a “covered fund” under the Volcker Rule) or to remove restrictions on resale and transfer to the extent not required thereunder;

(vii) accommodate the issuance, if any, of Notes in global or book-entry form through the facilities of DTC or otherwise;

(viii) take any action commercially reasonably necessary or advisable as required for the Issuer to comply with the requirements of FATCA (or the Cayman FATCA Legislation); or to prevent the Issuer from failing to qualify as a Qualified REIT

Subsidiary or other disregarded entity of a REIT for U.S. federal income tax purposes or from otherwise being treated as a foreign corporation engaged in a trade or business in the United States for federal income tax purposes, or to prevent the Issuer, the Holders of the Notes, the Holders of the Preferred Shares or the Trustee from being subject to withholding or other taxes, fees or assessments or from otherwise being subject to U.S. federal, state, local or foreign income or franchise tax on a net income tax basis;

(ix) amend or supplement any provision of this Indenture to the extent necessary to maintain the then-current ratings assigned to the Notes;

(x) accommodate the settlement of the Notes in book-entry form through the facilities of DTC, Euroclear or Clearstream, Luxembourg or otherwise;

(xi) authorize the appointment of any listing agent, transfer agent, paying agent or additional registrar for any Class of Notes required or advisable in connection with the listing of any Class of Notes on any stock exchange, and otherwise to amend this Indenture to incorporate any changes required or requested by any governmental authority, stock exchange authority, listing agent, transfer agent, paying agent or additional registrar for any Class of Notes in connection therewith;

(xii) evidence changes to applicable laws and regulations;

(xiii) to modify, eliminate or add to any of the provisions of this Indenture in the event the U.S. Credit Risk Retention Rules or the EU Securitization Laws and/or UK Securitization Laws are amended or repealed, in order to modify or eliminate the risk retention requirements (or, in respect of the EU Securitization Laws and/or UK Securitization Laws, other requirements, including those relating to transparency, disclosure and credit-granting) in the event of such amendment or repeal; **provided that** (1) in relation to the U.S. Credit Risk Retention Rules, the Trustee has received an opinion of counsel or (2) in relation to the EU Securitization Laws and/or UK Securitization Laws, the EU/UK Retention Holder certifies to the Trustee that it has received written legal advice, in each case, to the effect the action is consistent with and will not cause a violation of the U.S. Credit Risk Retention Rules or the EU Securitization Laws and/or UK Securitization Laws (as applicable);

(xiv) reduce the minimum denominations required for transfer of the Notes;

(xv) modify the provisions of this Indenture with respect to reimbursement of Nonrecoverable Interest Advances if (a) the Collateral Manager determines that the commercial mortgage securitization industry standard for such provisions has changed, in order to conform to such industry standard and (b) such modification does not adversely affect the status of Issuer for U.S. federal income tax purposes, as evidenced by an Opinion of Counsel;

(xvi) modify the procedures set forth in this Indenture relating to compliance with Rule 17g-5 of the Exchange Act; **provided that** the change would not materially

increase the obligations of the Collateral Manager, the Note Administrator, Trustee, any paying agent, the Servicer or the Special Servicer (in each case, without such party's consent) and would not adversely affect in any material respect the interests of any Noteholder or Preferred Shareholder; **provided, further, that** the Collateral Manager must provide a copy of any such amendment to the 17g-5 Information Provider for posting to the Rule 17g-5 Website and provide notice of any such amendment to the Rating Agencies;

(xvii) at the direction of 100% of the holders of the Preferred Shares (including any party that shall become the beneficial owner of 100% of the Preferred Shares because of a default under any financing arrangement for which the Preferred Shares are security), modify the provisions of this Indenture to adopt restrictions provided by tax counsel in order to prevent the Issuer from being treated as a foreign corporation that is engaged in a trade or business in the United States for U.S. federal income tax purposes or otherwise become subject to U.S. federal withholding tax or U.S. federal income tax on a net income basis;

(xviii) make any change to any other provisions with respect to matters or questions arising under this Indenture; **provided that** the party requesting the supplemental indenture represents that it believes the required action will not adversely affect in any material respect the interests of any Noteholder not consenting thereto, as evidenced by (A) an Opinion of Counsel or (B) an Officer's Certificate of the Collateral Manager; and

(xix) providing for and/or facilitating the exchange of Exchangeable Notes for Exchanged Notes to the extent permitted by this Indenture and to extend to such Exchanged Notes (to the extent explicitly provided herein) the benefits and provisions of this Indenture;

provided that (subject to the further provisions on modification and amendment of this Indenture set forth below) such action would not adversely affect the tax treatment of the Offered Notes as indebtedness, constitute an event requiring the beneficial owner of the Offered Notes to recognize gain or loss for U.S. federal income tax purposes, or cause the Issuer to be subject to U.S. federal tax on a net income basis.

In addition, in the event that any or all restrictions and/or limitations under the U.S. Credit Risk Retention Rules, the EU Securitization Laws or the UK Securitization Laws are withdrawn, repealed or modified to be less restrictive on the Securitization Sponsor, at the request of the Sponsor and, in the case of the EU Securitization Laws and/or UK Securitization Laws, at the request of the EU/UK Retention Holder, the Issuer, the Co-Issuer, the Trustee and the Note Administrator will be required to modify any corresponding terms of this Indenture in accordance with Section 8.1(a)(xiii) to reflect any such withdrawal, repeal or modification.

Neither the Trustee nor the Note Administrator shall enter into any such supplemental indenture unless the Trustee and the Note Administrator have received, in addition to such other requirements under this Indenture, either (x) an opinion of tax counsel of nationally recognized

standing in the United States experienced in such matters to the effect that the proposed supplemental indenture will not cause the Issuer to fail to be treated as a Qualified REIT Subsidiary or other disregarded entity of a REIT or (y) a No Trade or Business Opinion.

The Note Administrator and Trustee are each hereby authorized to join in the execution of any such supplemental indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Note Administrator and Trustee shall not be obligated to enter into any such supplemental indenture which affects the Note Administrator's or Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise, except to the extent required by law.

(b) Notwithstanding Section 8.1(a), Section 8.2 or any other provision of this Indenture, without prior notice to, and without the consent of the Holders of any Notes or any Preferred Shareholders, the Issuer, the Co-Issuer, when authorized by Board Resolutions of the Co-Issuers, the Trustee and the Note Administrator, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee and the Note Administrator, for any of the following purposes:

- (i) conform this Indenture to the provisions described in the Offering Memorandum (or any supplement thereto);
- (ii) to correct any defect or ambiguity in this Indenture in order to address any manifest error, omission or mistake in any provision of this Indenture;
- (iii) to conform this Indenture to any Rating Agency Test Modification; and
- (iv) to provide for the Notes of each Class to bear interest based on the applicable Benchmark Replacement from and after the related Benchmark Replacement Date; and/or at the direction of the Designated Transaction Representative, to make Benchmark Replacement Conforming Changes.

Section 8.2 Supplemental Indentures with Consent of Securityholders. Except as set forth below, the Note Administrator, the Trustee and the Co-Issuers may enter into one or more indentures supplemental hereto to add any provisions to, or change in any manner or eliminate any of the provisions of, this Indenture or modify in any manner the rights of the Holders of any Class of Notes or the Preferred Shares under this Indenture only (x) with the written consent of the Holders of at least Majority in Aggregate Outstanding Amount of the Notes of each Class materially and adversely affected thereby (excluding any Notes owned by the Collateral Manager or any of its Affiliates) and the Preferred Shareholder if materially and adversely affected thereby, by Act of said Securityholders delivered to the Trustee, the Note Administrator and the Co-Issuers, and (y) subject to satisfaction of the Rating Agency Condition, notice of which may be in electronic form. The Note Administrator shall provide ten (10) Business Days' notice of such change to the Holders of each Class of Notes and the Preferred Shareholders, requesting notification by such Noteholders and Holders of the Preferred Shares if any such Noteholders or Preferred Shareholder would be materially and adversely affected by the proposed supplemental indenture. The Note Administrator shall include notice of

such consent request in the next Monthly Report and a copy of the proposed supplemental indenture shall be posted on the Note Administrator's Website. Following such initial ten (10) Business Day period, the Note Administrator shall provide three successive additional ten (10) Business Days' notices to any holder of Notes or Preferred Shares that did not respond to the initial notice. Unless the Note Administrator is notified (after giving such initial ten (10) Business Days' notice and the three additional ten (10) Business Days' notices, as applicable) by Holders of at least 33 1/3 in Aggregate Outstanding Amount (excluding any Notes held by the Collateral Manager or its Affiliates or by any accounts managed by them) of the Notes of any Class that such Class of Notes or a Majority of Preferred Shareholders will be materially and adversely affected by the proposed supplemental indenture (and upon receipt of an Officer's Certificate of the Collateral Manager), the interests of such Class and the interests of the Preferred Shares will be deemed not to be materially and adversely affected by such proposed supplemental indenture and the Trustee will be permitted to enter into such supplemental indenture; **provided** that a Class of Notes may only be deemed to not be materially and adversely affected without the written consent by at least a majority of the Notes of any Class by up to five (5) proposed supplemental indentures in the aggregate; **provided further** that repeated requests for a supplemental indenture on separate occasions relating to the same subject matter will count as a separate proposal; **provided further** that the required multiple notices provided by the Note Administrator as described above for the same proposed supplemental indenture will constitute a single proposal (as determined by an Issuer Order delivered to the Trustee and the Note Administrator in connection with such supplemental indenture). Such determinations shall be conclusive and binding on all present and future Noteholders. The consent of the Holders of the Preferred Shares shall be binding on all present and future Holders of the Preferred Shares.

(a) Without the consent of (x) all of the Holders of each Outstanding Class of Notes materially adversely affected and (y) all of the Holders of the Preferred Shares materially adversely affected thereby, no supplemental indenture may:

(i) change the Stated Maturity Date of the principal of or the due date of any installment of interest on any Note, reduce the principal amount thereof or the Note Interest Rate thereon or the Redemption Price with respect to any Note, change the date of any scheduled distribution on the Preferred Shares, or the Redemption Price with respect thereto, change the earliest date on which any Note may be redeemed at the option of the Issuer, change the provisions of this Indenture that apply proceeds of any Collateral to the payment of principal of or interest on Notes or of distributions to the Preferred Share Paying Agent for the payment of distributions in respect of the Preferred Shares or change any place where, or the coin or currency in which, any Note or the principal thereof or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity Date thereof (or, in the case of redemption, on or after the applicable Redemption Date);

(ii) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class or the Notional Amount of Preferred Shares of the Holders thereof whose consent is required for the authorization of any such supplemental indenture or for

any waiver of compliance with certain provisions of this Indenture or certain Defaults hereunder or their consequences provided for in this Indenture;

(iii) impair or adversely affect the Collateral except as otherwise permitted in this Indenture;

(iv) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Collateral or terminate such lien on any property at any time subject hereto or deprive the Holder of any Note of the security afforded by the lien of this Indenture;

(v) reduce the percentage of the Aggregate Outstanding Amount of Holders of Notes of each Class whose consent is required to request the Trustee to preserve the Collateral or rescind any election to preserve the Collateral pursuant to Section 5.5 or to sell or liquidate the Collateral pursuant to Section 5.4 or 5.5;

(vi) [Reserved];

(vii) modify the definition of the term “Outstanding” or the provisions of Section 11.1(a) or Section 13.1;

(viii) modify any of the provisions of this Indenture in such a manner as to affect the calculation of the amount of any payment of interest on or principal of any Note on any Payment Date or of distributions to the Preferred Share Paying Agent for the payment of distributions in respect of the Preferred Shares on any Payment Date (or any other date) or to affect the rights of the Holders of Securities to the benefit of any provisions for the redemption of such Securities contained herein;

(ix) reduce the permitted minimum denominations of the Notes below the minimum denomination necessary to maintain an exemption from the registration requirements of the Securities Act or the 1940 Act; or

(x) modify any provisions regarding non- recourse or non-petition covenants with respect to the Issuer and the Co-Issuer.

(b) Notwithstanding the foregoing, with the consent of (x) a Majority of the Holders of each Outstanding Class of Notes and (y) a Majority of the Holders of the Preferred Shares, a supplemental indenture may:

(i) modify any of the provisions of this Article 8, except to increase any percentage of Outstanding Notes whose holders’ consent is required for any such action or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;

(ii) modify the definitions of the terms “Acquisition Criteria,” “Controlling Class,” “Majority,” “Reinvestment Period” and “Supermajority” set forth in this Indenture; and

(iii) modify the Eligibility Criteria, the Acquisition Criteria or the Note Protection Tests, other than with respect to a Rating Agency Test Modification.

The Trustee and Note Administrator shall be entitled to rely upon an Officer's Certificate of the Issuer (or the Collateral Manager on its behalf) in determining whether or not the Holders of Securities would be materially or adversely affected by such change (after giving notice of such change to the Holders of Securities). Such determination shall be conclusive and binding on all present and future Holders of Securities. Neither the Trustee nor the Note Administrator shall be liable for any such determination made in good faith.

Section 8.3 Execution of Supplemental Indentures. In executing or accepting the additional trusts created by any supplemental indenture permitted by this Article 8 or the modifications thereby of the trusts created by this Indenture, the Note Administrator and Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Note Administrator and Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects its own rights, duties or immunities under this Indenture or otherwise.

The Servicer and Special Servicer will be bound to follow any amendment or supplement to this Indenture of which it has received written notice at least ten (10) Business Days prior to the execution and delivery of such amendment or supplement; **provided, however, that** with respect to any amendment or supplement to this Indenture which may, in the judgment of the Servicer or Special Servicer adversely affect the Servicer or Special Servicer, the Servicer or Special Servicer, as applicable, shall not be bound (and the Issuer agrees that it will not permit any such amendment to become effective) unless the Servicer or Special Servicer, as applicable, gives written consent to the Note Administrator, the Trustee and the Issuer to such amendment. The Issuer, the Trustee and the Note Administrator shall give written notice to the Servicer and Special Servicer of any amendment made to this Indenture pursuant to its terms. In addition, the Servicer or Special Servicer's written consent shall be required prior to any amendment to this Indenture by which it is adversely affected.

The Collateral Manager will be bound to follow any amendment or supplement to this Indenture of which it has received written notice at least ten (10) Business Days prior to the execution and delivery of such amendment or supplement; **provided, however, that** with respect to any amendment or supplement to this Indenture which may, in the judgment of the Collateral Manager adversely affect the Collateral Manager, the Collateral Manager, as applicable, shall not be bound (and the Issuer agrees that it will not permit any such amendment to become effective) unless the Collateral Manager, as applicable, gives written consent to the Note Administrator, the Trustee and the Issuer to such amendment. The Issuer and the Note Administrator shall give written notice to the Collateral Manager of any amendment made to this Indenture pursuant to its terms. In addition, the Collateral Manager's written consent shall be required prior to any amendment to this Indenture by which it is adversely affected.

In connection with any supplemental indenture that affects a Class of MASCOT Notes in a manner that is materially different from the effect of such supplemental indenture on the Class

F Notes or the Class G Notes, as applicable, the Holders of the applicable MASCOT Notes will vote as a separate class.

At the cost of the Issuer, the Note Administrator, (i) except as otherwise provided in this Indenture, shall provide to each Noteholder, each Preferred Shareholder and, for so long as any Class of Notes shall remain Outstanding and is rated, the Note Administrator shall provide to the 17g-5 Information Provider and the Rating Agencies a copy of any proposed supplemental indenture at least fifteen (15) Business Days prior to the execution thereof by the Note Administrator, and (ii) following execution shall provide to the 17g-5 Information Provider and the Rating Agencies a copy of the executed supplemental indenture.

The Trustee shall not enter into any such supplemental indenture (i) if such action would adversely affect the treatment of the Offered Notes as indebtedness, cause the Issuer to be a taxable entity or constitute an event requiring a beneficial owner of an Offered Note to recognize gain or loss for U.S. federal income tax purposes, and (ii) unless the Trustee and the Note Administrator has received an Opinion of Counsel from Dechert LLP or other nationally recognized U.S. tax counsel experienced in such matters that the proposed supplemental indenture will not cause the Issuer to be treated as a foreign corporation that is engaged in a trade or business in the United States for U.S. federal income tax purposes. The Trustee and the Note Administrator shall be entitled to rely upon (i) the receipt of notice from the Rating Agencies or the Requesting Party, which may be in electronic form, that the Rating Agency Condition has been satisfied and (ii) receipt of an Opinion of Counsel forwarded to the Trustee and Note Administrator certifying that, following provision of notice of such supplemental indenture to the Noteholders and holders of the Preferred Shares, that the Holders of Securities would not be materially and adversely affected by such supplemental indenture. Such determination shall be conclusive and binding on all present and future Holders of Securities. Neither the Trustee nor the Note Administrator shall be liable for any such determination made in good faith and in reliance upon such Opinion of Counsel, as the case may be.

It shall not be necessary for any Act of Securityholders under this Section 8.3 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Promptly after the execution by the Issuer, the Co-Issuer, the Note Administrator and the Trustee of any supplemental indenture pursuant to this Section 8.3, the Note Administrator, at the expense of the Issuer, shall mail to the Securityholders, the Preferred Share Paying Agent, the Servicer, the Special Servicer and, so long as the Notes are Outstanding and so rated, the Rating Agencies a copy thereof based on an outstanding rating. Any failure of the Trustee and the Note Administrator to publish or mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 8.4 Effect of Supplemental Indentures. Upon the execution of any supplemental indenture under this Article 8, this Indenture shall be modified in accordance therewith, such supplemental indenture shall form a part of this Indenture for all purposes and every Holder of Notes theretofore and thereafter authenticated and delivered hereunder, and every Preferred Shareholder, shall be bound thereby.

Section 8.5 Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture pursuant to this Article 8 may, and if required by the Note Administrator shall, bear a notice in form approved by the Note Administrator as to any matter provided for in such supplemental indenture. If the Issuer and, with respect to the Offered Notes, the Co-Issuer shall so determine, new Notes, so modified as to conform in the opinion of the Note Administrator and the Issuer and the Co-Issuer to any such supplemental indenture, may be prepared and executed by the Issuer and the Co-Issuer and authenticated and delivered by the Note Administrator in exchange for Outstanding Notes. Notwithstanding the foregoing, any Note authenticated and delivered hereunder shall be subject to the terms and provisions of this Indenture, and any supplemental indenture.

REDEMPTION OF SECURITIES; REDEMPTION PROCEDURES

Section 9.1 Clean-up Call; Tax Redemption; Optional Redemption; and Auction Call Redemption.

(a) The Notes may be redeemed by the Issuer and, as applicable, the Co-Issuer, and the Preferred Shares may be redeemed by the Issuer, at the option of and at the direction of the Collateral Manager (such redemption, a “**Clean-up Call**”), in whole but not in part, at a price equal to the applicable Redemption Prices on any Payment Date on or after the Payment Date on which the Aggregate Outstanding Amount of the Offered Notes has been reduced to 10% or less of the Aggregate Outstanding Amount of the Offered Notes on the Closing Date; **provided that** the funds available to be used for such Clean-up Call will be sufficient to pay the Total Redemption Price.

(b) The Notes and the Preferred Shares shall be redeemable by the Issuer and the Co-Issuer, as applicable, in whole but not in part, at the written direction of a Majority of Preferred Shareholders delivered to the Issuer, the Note Administrator and the Preferred Share Paying Agent, on the Payment Date following the occurrence of a Tax Event if the Tax Materiality Condition is satisfied at a price equal to the applicable Redemption Prices (such redemption, a “**Tax Redemption**”); **provided that** the funds available to be used for such Tax Redemption will be sufficient to pay the Total Redemption Price. Upon the receipt of such written direction of a Tax Redemption, the Note Administrator shall provide written notice thereof to the Securityholders and the Rating Agencies.

(c) The Notes and the Preferred Shares shall be redeemable by the Issuer and the Co-Issuer, as applicable, in whole but not in part, at a price equal to the applicable Redemption Prices, on any Payment Date after the end of the Non-Call Period, at the written direction of a Majority of the Preferred Shareholders to the Issuer, the Note Administrator and the Trustee (such redemption, an “**Optional Redemption**”); **provided, however, that** the funds available to be used for such Optional Redemption will be sufficient to pay the Total Redemption Price.

Notwithstanding anything herein to the contrary in this Indenture, in the case of an Optional Redemption, after providing for the payment of the Redemption Prices of all Classes of

Offered Notes and all accrued and unpaid Company Administrative Expenses (and any other amounts owed to the Servicer or Special Servicer under the Servicing Agreement) if the Preferred Shareholders and/or one or more affiliates thereof own 100% of one or more of the most junior Classes of Notes, such holder(s) may elect to exchange such Notes and the Preferred Shares for all of the remaining Collateral Interests and other assets of the Issuer, in lieu of the Issuer paying such holder(s) the Redemption Price for such Securities.

(d) The Notes and the Preferred Shares shall be redeemable by the Issuer and Co-Issuer, as applicable, in whole but not in part, at a price equal to the applicable Redemption Prices, on any Payment Date occurring in January, April, July and October in each year, beginning on the Payment Date occurring in July 2031, upon the occurrence of a Successful Auction and pursuant to the procedures set forth in Exhibit M (such redemption, an “**Auction Call Redemption**”). An Auction Call Redemption may only occur on a Payment Date in January, April, July and October in accordance with the requirements set forth in Exhibit M; **provided that** the Preferred Shareholder or any of its affiliates shall have the option to purchase any Collateral Interest for a purchase price equal to the highest bid therefor subject to the requirements set forth in Exhibit M.

(e) The election by the Collateral Manager to redeem the Notes pursuant to a Clean-up Call shall be evidenced by an Officer’s Certificate from the Collateral Manager directing the Note Administrator to pay to the Paying Agent the Redemption Price of all of the Notes to be redeemed from funds in the Payment Account in accordance with the Priority of Payments. In connection with a Tax Redemption, the occurrence of a Tax Event and satisfaction of the Tax Materiality Condition and the election by a Majority of Preferred Shareholders to redeem the Notes pursuant to a Tax Redemption shall be evidenced by an Officer’s Certificate from the Collateral Manager certifying that such conditions for a Tax Redemption have occurred. The election by a Majority of Preferred Shareholders to redeem the Notes pursuant to an Optional Redemption shall be evidenced by an Officer’s Certificate from the Collateral Manager certifying that the conditions for an Optional Redemption have occurred.

(f) A redemption pursuant to Section 9.1(a), 9.1(b) or 9.1(c) shall not occur unless (i) (A) at least three (3) Business Days before the scheduled Redemption Date, the Collateral Manager shall have furnished to the Trustee and the Note Administrator evidence (in a form reasonably satisfactory to the Trustee and the Note Administrator) that the Collateral Manager, on behalf of the Issuer, has entered into a binding agreement or agreements with one or more financial institutions whose long-term unsecured debt obligations (other than such obligations whose rating is based on the credit of a Person other than such institution) have a credit rating from Moody’s and at least equal to the highest rating of any Notes then Outstanding or whose (1) short-term unsecured debt obligations have a credit rating of “P-1” or higher by Moody’s and (2) a long-term unsecured rating of at least “A” by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)) (as long as the term of such agreement is ninety (90) days or less), to sell (directly or by participation or other arrangement) all or part of the Collateral not later than the Business Day immediately preceding the scheduled Redemption Date, (B) at least three (3) Business Days before the scheduled Redemption Date, the Rating Agency Condition has been satisfied with

respect to the applicable method of redemption, (C) at least three (3) Business Days before the scheduled Redemption Date, the Collateral Manager shall have furnished to the Trustee and the Note Administrator evidence (in a form reasonably satisfactory to the Trustee and the Note Administrator) that the Collateral Manager, on behalf of the Issuer, has entered into a binding agreement or agreements with an Affiliate of the Issuer to sell (directly or by participation or other arrangement) all or part of the Collateral not later than the scheduled Redemption Date, or (D) at least three (3) Business Days prior to the scheduled Redemption Date, the Securitization Sponsor (or an Affiliate or agent thereof) has priced but not yet closed another securitization transaction, and (ii) the related Sale Proceeds pursuant to clause (i)(A) or clause (i)(C), or the net proceeds pursuant to clause (i)(D), as applicable, (in immediately available funds), together with all other available funds (including proceeds from the sale of the Collateral Interests, Eligible Investments maturing on or prior to the scheduled Redemption Date, all amounts in the Accounts and available Cash), shall be an aggregate amount sufficient to pay all amounts, payments, fees and expenses in accordance with the Priority of Payments due and owing on such Redemption Date.

Section 9.2 Notice of Redemption.

(a) In connection with a Clean-up Call pursuant to Section 9.1(a), a Tax Redemption pursuant to Section 9.1(b), an Optional Redemption pursuant to Section 9.1(c), or an Auction Call Redemption pursuant to Section 9.1(d), the Note Administrator shall set the applicable Record Date ten (10) Business Days prior to the proposed Redemption Date. The Note Administrator shall deliver to the Rating Agencies any notice received by it from the Issuer or the Special Servicer of such proposed Redemption Date, the applicable Record Date, the principal amount of Notes to be redeemed on such Redemption Date and the Redemption Price of such Notes in accordance with Section 9.1. The Redemption Price shall be determined no earlier than sixty (60) days prior to the proposed Redemption Date.

(b) Any such notice of an Optional Redemption, Clean-up Call or Tax Redemption may be withdrawn by the Issuer and the Co-Issuer at the direction of the Collateral Manager up to the second Business Day prior to the scheduled Redemption Date by written notice to the Note Administrator, the Trustee, the Preferred Share Paying Agent, the Servicer, the Special Servicer, each Holder of Notes to be redeemed and the Collateral Manager (only if the Collateral Manager is unable to deliver the sale agreement or agreements or certifications referred to in Section 9.1(e) using commercially reasonable efforts, as the case may be). The failure of any Optional Redemption, Clean-up Call or Tax Redemption that is withdrawn in accordance with this Indenture shall not constitute an Event of Default.

Section 9.3 Notice of Redemption or Maturity. Notice of redemption (or a withdrawal thereof) or Clean-up Call pursuant to Section 9.1 or the Maturity of any Notes shall be given by first class mail, postage prepaid, mailed not less than ten (10) Business Days (or one (1) Business Day (or promptly thereafter upon receipt of written notice, if later) where the notice of an Optional Redemption, a Clean-up Call or a Tax Redemption is withdrawn pursuant to Section 9.2(b)) prior to the applicable Redemption Date or Maturity, to the Trustee, the Servicer,

the Special Servicer, the Preferred Share Paying Agent, the Rating Agencies, and each Holder of Securities to be redeemed, at its address in the Notes Register.

All notices of redemption shall state:

- (a) the applicable Redemption Date;
- (b) the applicable Redemption Price;
- (c) that all the Notes are being paid in full and that interest on the Notes shall cease to accrue on the Redemption Date specified in the notice; and
- (d) the place or places where such Notes to be redeemed in whole are to be surrendered for payment of the Redemption Price which shall be the office or agency of the Paying Agent as provided in Section 7.2.

Notice of redemption shall be given by the Issuer and Co-Issuer, or at their request, by the Note Administrator in their names, and at the expense of the Issuer. Failure to give notice of redemption, or any defect therein, to any Holder of any Note shall not impair or affect the validity of the redemption of any other Notes.

Section 9.4 Notes Payable on Redemption Date. Notice of redemption having been given as aforesaid, the Notes to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer shall Default in the payment of the Redemption Price and accrued interest thereon) the Notes shall cease to bear interest on the Redemption Date. Upon final payment on a Note to be redeemed, the Holder shall present and surrender such Note at the place specified in the notice of redemption on or prior to such Redemption Date; **provided, however, that** if there is delivered to the Issuer, the Co-Issuer, the Note Administrator and the Trustee such security or indemnity as may be required by them to hold each of them harmless and an undertaking thereafter to surrender such Note, then, in the absence of notice to the Issuer, the Note Administrator and the Trustee that the applicable Note has been acquired by a *bona fide* purchaser, such final payment shall be made without presentation or surrender. Payments of interest on Notes of a Class to be so redeemed whose Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such at the close of business on the relevant Record Date according to the terms and provisions of Section 2.7(g).

If any Note called for redemption shall not be paid upon surrender thereof for redemption, the principal thereof shall, until paid, bear interest from the Redemption Date at the applicable Note Interest Rate for each successive Interest Accrual Period the Note remains Outstanding. Subject to applicable law, any funds not distributed to any Noteholder and holder of the Preferred Shares on the Payment Date because of the failure of such Holder or holder of the Preferred Shares to tender their Notes or Preferred Shares, as applicable, shall, on such date, be set aside and held by the Note Administrator for the benefit of the appropriate non-tendering Noteholder or holder of the Preferred Shares, as applicable.

Section 9.5 Mandatory Redemption. On any Payment Date on which the Note Protection Tests are not satisfied as of any Determination Date, the Offered Notes shall be redeemed (a “**Mandatory Redemption**”), from Interest Proceeds as set forth in Section 11.1(a)(i)(14) and, to the extent necessary after application of Interest Proceeds, Principal Proceeds pursuant to Section 11.1(a)(ii)(1), in an amount necessary, and only to the extent necessary, for the Note Protection Tests to be satisfied. On or promptly after such Mandatory Redemption, the Issuer shall certify or cause to be certified to the Rating Agencies and the Note Administrator whether the Note Protection Tests have been satisfied.

ARTICLE 10

ACCOUNTS, ACCOUNTINGS AND RELEASES

Section 10.1 Collection of Amounts; Custodial Account.

(a) Except as otherwise expressly provided herein, the Note Administrator may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all amounts and other property payable to or receivable by the Note Administrator pursuant to this Indenture, including all payments due on the Collateral in accordance with the terms and conditions of such Collateral. The Note Administrator shall segregate and hold all such amounts and property received by it in an Eligible Account in trust for the Secured Parties, and shall apply such amounts as provided in this Indenture. Any Indenture Account may include any number of subaccounts deemed necessary or appropriate by the Note Administrator for convenience in administering such account.

(b) The Note Administrator, in its capacity as Securities Intermediary on behalf of the Trustee for the benefit of the Secured Parties, shall credit all Commercial Real Estate Loans, Collateral Interests and Eligible Investments to an Eligible Account in the name of the Issuer for the benefit of the Secured Parties designated as the “**Custodial Account.**”

Section 10.2 Reinvestment Account.

(a) The Note Administrator shall, on or prior to the Closing Date, establish a single, segregated trust account which shall be designated as the “**Reinvestment Account,**” which shall be held in trust in the name of the Note Administrator for the benefit of the Secured Parties and over which the Note Administrator shall have exclusive control and the sole right of withdrawal; **provided, however, that** the Note Administrator shall only withdraw such amounts as directed by the Issuer or the Collateral Manager on behalf of the Issuer. All amounts credited to the Reinvestment Account pursuant to Section 11.1(a)(ii) or otherwise shall be held by the Note Administrator as part of the Collateral and shall be applied to the purposes herein provided.

(b) The Note Administrator agrees to give the Issuer and the Collateral Manager prompt notice if it becomes aware that the Reinvestment Account or any funds on deposit therein, or otherwise to the credit of the Reinvestment Account, becomes subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall have no

legal, equitable or beneficial interest in the Reinvestment Account other than in accordance with the Priority of Payments. The Reinvestment Account shall remain at all times an Eligible Account.

(c) The Collateral Manager, on behalf of the Issuer, may direct the Note Administrator to, and upon such direction the Note Administrator shall, invest all funds in the Reinvestment Account in Eligible Investments designated by the Collateral Manager. All interest and other income from such investments shall be deposited in the Reinvestment Account, any gain realized from such investments shall be credited to the Reinvestment Account, and any loss resulting from such investments shall be charged to the Reinvestment Account. The Note Administrator shall not in any way be held liable (except as a result of negligence, willful misconduct or bad faith) by reason of any insufficiency of such Reinvestment Account resulting from any loss relating to any such investment. If the Note Administrator does not receive written investment instructions from an Authorized Officer of the Collateral Manager, funds in the Reinvestment Account shall be held uninvested.

(d) Amounts in the Reinvestment Account shall remain in the Reinvestment Account (or invested in Eligible Investments) until the earlier of (i) the time the Collateral Manager instructs the Note Administrator in writing to transfer any such amounts (or related Eligible Investments) to the Payment Account, (ii) the time the Collateral Manager notifies the Note Administrator in writing that such amounts (or related Eligible Investments) are to be applied to the acquisition of Reinvestment Collateral Interests in accordance with Section 12.2(a), and (iii) the later of (x) the first Business Day after the last day of the Reinvestment Period and (y) if after the last day of the Reinvestment Period, the last settlement date within 60 days of the last day of the Reinvestment Period with respect to the last Reinvestment Collateral Interest that the Issuer entered into an irrevocable commitment to purchase during the Reinvestment Period. Upon receipt of notice pursuant to clause (i) above and on the date described in clause (iii) above, the Note Administrator shall transfer the applicable amounts (or related Eligible Investments) to the Payment Account, in each case for application on the next Payment Date pursuant to Section 11.1(a)(ii) as Principal Proceeds.

(e) During the Reinvestment Period (and up to 60 days thereafter to the extent necessary to acquire Reinvestment Collateral Interests pursuant to binding commitments entered into during the Reinvestment Period using Principal Proceeds received during or after the Reinvestment Period), the Collateral Manager on behalf of the Issuer may by notice to the Note Administrator direct the Note Administrator to, and upon receipt of such notice the Note Administrator shall, reinvest amounts (and related Eligible Investments) credited to the Reinvestment Account in Commercial Real Estate Loans and Participations selected by the Collateral Manager as permitted under and in accordance with the requirements of Article 12 and such notice. The Note Administrator shall be entitled to conclusively rely on such notice and shall not be required to make any determination as to whether any loans or participations satisfy the Eligibility Criteria, the Acquisition Criteria or the Acquisition and Disposition Requirements.

Section 10.3 Payment Account.

(a) The Note Administrator shall, on or prior to the Closing Date, establish a single, segregated trust account which shall be designated as the “**Payment Account**,” which shall be held in trust in the name of the Note Administrator for the benefit of the Secured Parties and over which the Note Administrator shall have exclusive control and the sole right of withdrawal. All funds received by the Note Administrator from the Servicer on each Remittance Date shall be credited to the Payment Account. Any and all funds at any time on deposit in, or otherwise to the credit of, the Payment Account shall be held in trust by the Note Administrator, on behalf of the Trustee for the benefit of the Secured Parties. Except as provided in Sections 11.1 and 11.2, the only permitted withdrawal from or application of funds on deposit in, or otherwise to the credit of, the Payment Account shall be (i) to pay the interest on and the principal of the Notes and make other payments in respect of the Notes in accordance with their terms and the provisions of this Indenture, (ii) to deposit into the Preferred Share Distribution Account for distributions to the Preferred Shareholders, (iii) upon Issuer Order, to pay other amounts specified therein, and (iv) otherwise to pay amounts payable pursuant to and in accordance with the terms of this Indenture, each in accordance with the Priority of Payments.

(b) The Note Administrator agrees to give the Issuer and the Collateral Manager prompt notice if it becomes aware that the Payment Account or any funds on deposit therein, or otherwise to the credit of the Payment Account, becomes subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall have no legal, equitable or beneficial interest in the Payment Account other than in accordance with the Priority of Payments. The Payment Account shall remain at all times an Eligible Account.

Section 10.4 [Reserved].

Section 10.5 [Reserved].

Section 10.6 [Reserved].

Section 10.7 Interest Advances.

(a) With respect to each Payment Date for which the sum of Interest Proceeds and, if applicable, Principal Proceeds, collected during the related Due Period and remitted to the Note Administrator that are available to pay interest on the Class A Notes, the Class A-S Notes and the Class B Notes in accordance with the Priority of Payments, are insufficient to remit the interest due and payable with respect to the Class A Notes, the Class A-S Notes and the Class B Notes on such Payment Date as a result of interest shortfalls on the Collateral Interests (or the application of interest received on the Collateral Interests to pay certain expenses in accordance with the terms of the Servicing Agreement) (the amount of such insufficiency, an “**Interest Shortfall**”), the Note Administrator shall provide the Advancing Agent with email notice of such Interest Shortfall no later than the close of business on the Business Day preceding such Payment Date, at the following addresses: *legal@brightspire.com*, or such other email address as provided by the Advancing Agent to the Note Administrator. The Note Administrator shall provide the Advancing Agent with additional email notice, prior to any funding of an Interest Advance by

the Advancing Agent, of any additional interest remittances received by the Note Administrator after delivery of such initial notice that reduces such Interest Shortfall. No later than 10:00 a.m. (New York time) on the related Payment Date, the Advancing Agent shall advance the difference between such amounts (each such advance, an “**Interest Advance**”) by deposit of an amount equal to such Interest Advance in the Payment Account, subject to a determination of recoverability by the Advancing Agent as described in Section 10.7(b), and subject to a maximum limit in respect of any Payment Date equal to the lesser of (i) the aggregate of such Interest Shortfalls that would otherwise occur on the Class A Notes, the Class A-S Notes and the Class B Notes on such Payment Date and (ii) the aggregate of the interest payments not received in respect of Collateral Interests with respect to such Payment Date (including, for such purpose, interest payments received on the Collateral Interests but applied to pay certain expenses in accordance with the terms of the Servicing Agreement).

Notwithstanding the foregoing, in no circumstance will the Advancing Agent be required to make an Interest Advance in respect of a Collateral Interest to the extent that the aggregate outstanding amount of all unreimbursed Interest Advances would exceed the Aggregate Outstanding Amount of the Class A Notes, the Class A-S Notes and the Class B Notes. In addition, in no event will the Advancing Agent or Backup Advancing Agent be required to advance any payments in respect of interest on any Class of Notes other than the Class A Notes, the Class A-S Notes and the Class B Notes or principal of any Note. Any Interest Advance made by the Advancing Agent with respect to a Payment Date that is in excess of the actual Interest Shortfall for such Payment Date shall be refunded to the Advancing Agent by the Note Administrator on the related Payment Date (or, if such Interest Advance is made prior to final determination by the Note Administrator of such Interest Shortfall, on the Business Day of such final determination).

The Advancing Agent shall provide the Note Administrator written notice of a determination by the Advancing Agent that a proposed Interest Advance would constitute a Nonrecoverable Interest Advance no later than 10:00 a.m. (New York time) on the Business Day preceding the related Payment Date. If the Advancing Agent shall fail to make any required Interest Advance no later than 10:00 a.m. (New York time) on the Business Day preceding the Payment Date upon which distributions are to be made pursuant to Section 11.1(a)(i), the Note Administrator may, and at the direction of the majority of the Controlling Class shall, remove the Advancing Agent in its capacity as advancing agent hereunder as required under Section 17.5(d) and the Backup Advancing Agent shall be required to make such Interest Advance no later than 11:00 a.m. (New York time) on the Business Day preceding the Payment Date, subject to a determination of recoverability by the Backup Advancing Agent as described in Section 10.7(b). Based upon available information at the time, the Backup Advancing Agent or the Advancing Agent or the Note Administrator, as applicable, will provide fifteen (15) days’ prior notice to the Rating Agencies if recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall on the next succeeding Payment Date. No later than the close of business on the Determination Date related to a Payment Date on which the recovery of a Nonrecoverable Interest Advance would result in an Interest Shortfall, the Note Administrator shall provide the Rating Agencies with notice of such recovery.

(b) Notwithstanding anything herein to the contrary, neither the Advancing Agent nor the Backup Advancing Agent, as applicable, shall be required to make any Interest Advance unless such Person determines, in its sole discretion, exercised in good faith that such Interest Advance, or such proposed Interest Advance, *plus* interest expected to accrue thereon at the Reimbursement Rate, will not be a Nonrecoverable Interest Advance. In determining whether any proposed Interest Advance will be, or whether any Interest Advance previously made is, a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent, as applicable, will take into account:

- (i) amounts that may be realized on each Mortgaged Property in its “as is” or then-current condition and occupancy;
- (ii) the potential length of time before such Interest Advance may be reimbursed and the resulting degree of uncertainty with respect to such reimbursement; and
- (iii) the possibility and effects of future adverse changes with respect to the Mortgaged Properties, and
- (iv) the fact that Interest Advances are intended to provide liquidity only and not credit support to the Holders of the Notes.

For purposes of any such determination of whether an Interest Advance constitutes or would constitute a Nonrecoverable Interest Advance, an Interest Advance will be deemed to be nonrecoverable if the Advancing Agent or the Backup Advancing Agent, as applicable, determines that future Interest Proceeds and Principal Proceeds may be ultimately insufficient to fully reimburse such Interest Advance, *plus* interest thereon at the Reimbursement Rate within a reasonable period of time. The Backup Advancing Agent will be entitled to conclusively rely on any affirmative determination by the Advancing Agent that an Interest Advance would have been a Nonrecoverable Interest Advance. Absent bad faith, the determination by the Advancing Agent or the Backup Advancing Agent, as applicable, as to the nonrecoverability of any Interest Advance shall be conclusive and binding on the Holders of the Class A Notes, the Class A-S Notes and the Class B Notes.

(c) Each of the Advancing Agent and the Backup Advancing Agent may recover any previously unreimbursed Interest Advance made by it (including any Nonrecoverable Interest Advance), together with interest thereon, *first*, from Interest Proceeds and *second* (to the extent that there are insufficient Interest Proceeds for such reimbursement), from Principal Proceeds to the extent that such reimbursement would not trigger an additional Interest Shortfall; **provided that** if at any time an Interest Advance is determined to be a Nonrecoverable Interest Advance, the Advancing Agent or the Backup Advancing Agent shall be entitled to recover all outstanding Interest Advances together with interest thereon at the Reimbursement Rate from the Collection Account pursuant to the Servicing Agreement on any Business Day during any Interest Accrual Period prior to the related Determination Date. The Advancing Agent shall be permitted (but not obligated) to defer or otherwise structure the timing of recoveries of Nonrecoverable Interest Advances in such manner as the Advancing Agent determines is in the best interest of the

Holders of the Notes, as a collective whole, which may include being reimbursed for Nonrecoverable Interest Advances in installments.

(d) The Advancing Agent and the Backup Advancing Agent will each be entitled with respect to any Interest Advance made by it (including Nonrecoverable Interest Advances) to interest accrued on the amount of such Interest Advance for so long as it is outstanding at the Reimbursement Rate.

(e) The obligations of the Advancing Agent and the Backup Advancing Agent to make Interest Advances in respect of the Class A Notes, the Class A-S Notes and the Class B Notes will continue through the Stated Maturity Date, unless such Notes are previously redeemed or repaid in full.

(f) In no event will the Advancing Agent, in its capacity as such hereunder, or the Note Administrator, in its capacity as Backup Advancing Agent hereunder, be required to advance any amounts in respect of payments of principal of any Notes, nor payments in respect of interest, other than with respect to the Class A Notes, the Class A-S Notes and the Class B Notes. Additionally, in no event will the Advancing Agent, in its capacity as such hereunder, or the Note Administrator, in its capacity as Backup Advancing Agent hereunder, be required to advance any amounts in respect of payments of principal or interest, or any other amounts, of any Collateral Interest.

(g) In consideration of the performance of its obligations hereunder, the Advancing Agent shall be entitled to receive, at the times set forth herein and subject to the Priority of Payments, to the extent funds are available therefor, the Advancing Agent Fee. For so long as (i) BRSP Advancing (or any of its Affiliates) is the Advancing Agent and (ii) any of its affiliates owns the Preferred Shares, BRSP Advancing hereby agrees, on behalf of itself and its affiliates, to waive its rights to receive the Advancing Agent Fee and any Reimbursement Interest. In the event that the Advancing Agent fails to make an Interest Advance required to be made by the Advancing Agent pursuant to the terms of this Indenture, (x) the Advancing Agent shall be in default of its obligations under this Indenture, (y) the Backup Advancing Agent shall be required to make such Interest Advance and shall be entitled to receive, in consideration thereof, the Advancing Agent Fee in accordance with the Priority of Payments and (z) the Collateral Manager may, and at the direction of the majority of the Controlling Class shall, terminate the Advancing Agent and use commercially reasonable efforts for up to 90 days following such termination to replace the Advancing Agent with a successor advancing agent that satisfies the requirements set forth in this Indenture. If the Advancing Agent is terminated for failing to make an Interest Advance hereunder (as provided in Section 17.5(d)) (or for failing to make a Servicing Advance under the Servicing Agreement) that the Advancing Agent did not determine to be nonrecoverable, any applicable subsequent successor advancing agent will be entitled to receive the Advancing Agent Fee (*plus* Reimbursement Interest on any Interest Advance made by the applicable subsequent successor advancing agent).

(h) The determination by the Advancing Agent or the Backup Advancing Agent (in its capacity as successor Advancing Agent), as applicable, (i) that it has made a Nonrecoverable Interest Advance (together with Reimbursement Interest thereon) or (ii) that any proposed

Interest Advance, if made, would constitute a Nonrecoverable Interest Advance, shall be evidenced by an Officer's Certificate delivered promptly to the Trustee, the Note Administrator, the Issuer and the Rating Agencies, setting forth the basis for such determination; **provided that** failure to give such notice, or any defect therein, shall not impair or affect the validity of, or the Advancing Agent or the Backup Advancing Agent, entitlement to reimbursement with respect to, any Interest Advance.

Section 10.8 Reports by Parties. The Note Administrator shall supply, in a timely fashion, to the Issuer, the Trustee, the Special Servicer and the Collateral Manager any information regularly maintained by the Note Administrator that the Issuer, the Trustee, the Special Servicer, the Servicer or the Collateral Manager may from time to time request in writing with respect to the Collateral or the Indenture Accounts and provide any other information reasonably available to the Note Administrator by reason of its acting as Note Administrator hereunder and required to be provided by Section 10.9 or to permit the Collateral Manager to perform its obligations under the Collateral Management Agreement. The Servicer shall forward to the Collateral Manager copies of notices and other writings received by it from the borrower with respect to any Collateral Interest advising the holders of such Collateral Interest of any rights that the holders might have with respect thereto as well as all periodic financial reports received from such borrower with respect to such borrower. Each of the Issuer, the Servicer, and the Special Servicer shall promptly forward to the Collateral Manager, the Trustee and the Note Administrator any information in their possession or reasonably available to them concerning any of the Collateral that the Trustee or the Note Administrator reasonably may request or that reasonably may be necessary to enable the Note Administrator to prepare any report or to enable the Trustee or the Note Administrator to perform any duty or function on its part to be performed under the terms of this Indenture.

The Note Administrator shall post (within a commercially reasonable period of time following preparation or receipt of such answer, as the case may be) such Inquiry and the related answer to the Note Administrator's Website. If the Note Administrator or the applicable Q&A Respondent determines, in its respective sole

date of such certification to other registered Noteholders and registered beneficial owners or Notes. Such Person shall then be asked to enter certain mandatory fields such as the individual's name, the company name and email address, as well as certain optional fields such as address, and phone number. If any Noteholder or beneficial owner of a Note notifies the Note Administrator that it wishes to be removed from the Investor Registry (which notice may not be within forty-five (45) days of its registration), the Note Administrator shall promptly remove it from the Investor Registry. The Note Administrator shall not be responsible for verifying or validating any information submitted on the Investor Registry, or for monitoring or otherwise maintaining the accuracy of any information thereon. The Trustee, the Note Administrator, the Servicer or the Special Servicer, as applicable, will be required to answer each inquiry, unless it determines that (a) answering the inquiry would be in violation of applicable law, the Servicing Standard, the Indenture, the Servicing Agreement or the applicable loan documents, (b) answering the inquiry would or is reasonably expected to result in a waiver of an attorney-client privilege or the disclosure of attorney work product, or (c) answering the inquiry would materially increase the duties of, or result in significant additional cost or expense to, such party, and the performance of such additional duty or the payment of such additional cost or expense is beyond the scope of its duties under this Indenture or the Servicing Agreement, as applicable. In the event that any of the Trustee, the Note Administrator, the Servicer or the Special Servicer declines to answer an inquiry, it shall promptly email the 17g-5 Information Provider with the basis of such declination. The 17g-5 Information Provider will be required to post the inquiries and the related answers (or reports, as applicable) on the Rating Agency Q&A Forum and Servicer Document Request Tool promptly upon receipt, or in the event that an inquiry is unanswered, the inquiry and the basis for which it was unanswered. information posted on the Rating Agency Q&A Forum and Servicer Document Request Tool will be attributable only to the respondent, and will not be deemed to be answers from any other Person. SALE OF COLLATERAL INTERESTS; REINVESTMENT COLLATERAL INTERESTS; EXCHANGE COLLATERAL INTERESTS; FUTURE FUNDING ESTIMATES

Section 12.1 Sales of Collateral Interests.

(a) Except as otherwise expressly permitted or required by this Indenture, the Issuer shall not sell or otherwise dispose of any Collateral Interest. The Collateral Manager, on behalf of the Issuer, acting pursuant to the Collateral Management Agreement, may direct the Special Servicer (on behalf of the Trustee) in writing to sell at any time, subject to satisfaction of the Acquisition and Disposition Requirements:

(i) any Defaulted Collateral Interest;

(ii) any Credit Risk Collateral Interest, unless in the case of a sale of a Credit Risk Collateral Interest to an entity other than the Collateral Manager or an affiliate thereof that is for a cash purchase price that is less than the Par Purchase Price thereof,

the Note Protection Tests were not satisfied as of the immediately preceding Measurement Date and have not been cured as of the proposed sale date; and

(iii) any Collateral Interest acquired in violation of the Eligibility Criteria, the Acquisition Criteria or the Acquisition and Disposition Requirements.

The Trustee shall sell any Collateral Interest in any sale permitted pursuant to this Section 12.1(a), as directed by the Collateral Manager. Promptly after any sale pursuant to this Section 12.1(a), the Collateral Manager shall notify the 17g-5 Information Provider of the Collateral Interest sold and the sale price and shall provide such other information relating to such sale as may be reasonably requested by the Rating Agencies.

(b) In addition, with respect to any Defaulted Collateral Interest or Credit Risk Collateral Interest permitted to be sold pursuant to Section 12.1(a), such Defaulted Collateral Interest or Credit Risk Collateral Interest may be sold by the Issuer at the direction of the Collateral Manager:

(i) to an entity, other than an Interested Person; or

(ii) to an Interested Person for a cash purchase price that is equal to or greater than:

(1) with respect to (A) Defaulted Collateral Interests, at any time, and (B) Credit Risk Collateral Interests, until the Disposition Limitation Threshold has been met, in each case, the Par Purchase Price thereof; and

(2) with respect to Credit Risk Collateral Interests, after the Disposition Limitation Threshold has been met, following disclosure to, and approval by, the Advisory Committee in accordance with the Collateral Management Agreement, the greater of (A) the Par Purchase Price thereof and (B) the fair market value thereof (any such purchase pursuant to Section 12.1(b)(ii), a “**Credit Risk/Defaulted Collateral Interest Cash Purchase**”).

If a Collateral Interest that is a Defaulted Collateral Interest is not sold or otherwise disposed of by the Issuer within three years of such Collateral Interest becoming a Defaulted Collateral Interest, the Collateral Manager will use commercially reasonable efforts to cause the Issuer to sell or otherwise dispose of such Collateral Interest as soon as commercially practicable thereafter. The Issuer shall not sell or otherwise dispose of any Collateral Interest for the primary purpose of recognizing gains or decreasing losses resulting from market value changes.

In connection with the sale of a Credit Risk Collateral Interest or a Defaulted Collateral Interest in accordance with Section 12.1(a) or this Section 12.1(b), the Collateral Manager may cause the Issuer to create one or more participation interests in such Defaulted Collateral Interest or Credit Risk Collateral Interest and direct the Special Servicer or the Trustee to sell one or more of such participation interests.

In the case of a sale of a Credit Risk Collateral Interest or a Defaulted Collateral Interest, or the exchange of a Credit Risk Collateral Interest, in each case, which is a Combined Loan, the related Mortgage Loan and the corresponding Mezzanine Loan shall be sold or exchanged together.

(c) Whether any offer constitutes a fair price for any Defaulted Collateral Interest shall be determined by the Special Servicer, if the highest offeror is a person other than an Interested Person, and by the Trustee, if the highest offeror is an Interested Person. If the Trustee is required to determine the fair price for any Defaulted Collateral Interest, Trustee may (at its option and at the expense of the Issuer), and shall be required to, if the purchaser is the Seller or any of its Affiliates, designate an independent third party expert in real estate or commercial mortgage loan matters with at least five (5) years' experience in valuing or investing in mortgage loans similar to the Defaulted Collateral Interest, that has been selected with reasonable care by the Trustee to determine the fair market value for such Defaulted Collateral Interest. The Trustee shall be entitled to conclusively rely upon any such third party determination; provided that no offer from an Interested Person will constitute a fair price for purposes of this Section 12.1 unless (i) it is the highest offer received and (ii) if the Defaulted Collateral Interest has been marketed for sale for a period of less than three (3) months, at least one other offer is received from an independent third party. All reasonable fees and costs of any appraisals, inspection reports, and opinions of value incurred by any such third party shall be covered by, and shall be paid in advance of any determination by the applicable Interested Person; provided that the Trustee may not engage a third party expert whose fees exceed a commercially reasonable amount as determined by the Trustee.

(d) At all times the Majority of the Preferred Shares shall have the rights (such rights, collectively, the **"PE Purchase Rights"**) to purchase (i) any Defaulted Collateral Interest for a purchase that is equal to or greater than the Par Purchase Price and (ii) any Credit Risk Collateral Interest for a purchase price that is equal to or greater than (1) until the Disposition Limitation Threshold has been met, the Par Purchase Price and (2) after the Disposition Limitation Threshold has been met, following disclosure to, and approval by, the Advisory Committee in accordance with the Collateral Management Agreement, the greater of (A) the Par Purchase Price and (B) the fair market value thereof.

(e) A Defaulted Collateral Interest or Credit Risk Collateral Interest may be disposed of at any time, following disclosure to, and approval by, the Advisory Committee, by the Collateral Manager directing the Issuer to exchange such Defaulted Collateral Interest or Credit Risk Collateral Interest for (1) a Collateral Interest owned by an affiliate of the Collateral Manager that satisfies the Eligibility Criteria and the Acquisition and Disposition Requirements (such Collateral Interest, an **"Exchange Collateral Interest"**) or (2) a combination of an Exchange Collateral Interest and cash (such exchange, a **"Credit Risk/Defaulted Collateral Interest Exchange"**); **provided that:**

(i) the sum of (A) the Par Purchase Price of such Exchange Collateral Interest *plus* (B) the cash amount (if any) to be paid to the Issuer by the Collateral Manager or such affiliate thereof in connection with such exchange, is equal to or greater than the Par

Purchase Price of the Credit Risk Collateral Interest or Defaulted Collateral Interest sought to be exchanged; and

(ii) with respect to any such exchange of a Credit Risk Collateral Interest after the Reinvestment Period, the Credit Risk Exchange Limitation is satisfied.

If the Collateral Manager directs the sale of a Collateral Interest acquired in violation of the Eligibility Criteria, the Acquisition Criteria or the Acquisition and Disposition Requirements, the Issuer may sell such Collateral Interest to the Collateral Manager or an affiliate thereof for a cash purchase price that is equal to or greater than the Par Purchase Price thereof.

If the Collateral Manager does not promptly direct the sale of a Collateral Interest that is determined to have been acquired in violation of the Eligibility Criteria, the Acquisition Criteria or the Acquisition and Disposition Requirements, the Issuer shall satisfy the Rating Agency Condition with respect to such Collateral Interest within sixty (60) days after such date of determination. If the Issuer satisfies the Rating Agency Condition with respect to such Collateral Interest within such time period, the Issuer may retain such Collateral Interest. If the Issuer does not satisfy the Rating Agency Condition with respect to such Collateral Interest within such time period, the Issuer shall promptly sell such Collateral Interest to the Collateral Manager or an affiliate thereof for a cash purchase price that is equal to or greater than the Par Purchase Price thereof.

In connection with the exchange of a Credit Risk Collateral Interest or a Defaulted Collateral Interest as in accordance with this Section 12.1(d), the Collateral Manager may cause the Issuer to create one or more participation interests in such Defaulted Collateral Interest or Credit Risk Collateral Interest and direct the Special Servicer or the Trustee to exchange one or more of such participation interests.

(f) After the Issuer has notified the Trustee of an Optional Redemption, a Clean-Up Call, an Auction Call Redemption or a Tax Redemption in accordance with Section 9.3, the Collateral Manager, on behalf of the Issuer, and acting pursuant to the Collateral Management Agreement, may at any time direct the Special Servicer (on behalf of the Trustee) in writing by Issuer Order to sell, and the Trustee shall sell in the manner directed by the Collateral Manager in writing, any Collateral Interest without regard to the foregoing limitations in Section 12.1(a); **provided that:**

(i) the Sale Proceeds therefrom must be used to pay certain expenses and redeem all of the Notes in whole but not in part pursuant to Section 9.1, and upon any such sale the Trustee shall release the lien on such Collateral Interest pursuant to Section 10.10, and the Custodian shall upon receipt of a Request for Release, release the related Collateral Interest File;

(ii) the Issuer may not direct the Special Servicer (on behalf of the Trustee) to sell (and the Trustee shall not be required to release) a Collateral Interest pursuant to this Section 12.1(e) unless:

(1) the Collateral Manager certifies, in an Officer's Certificate, to the Trustee and the Note Administrator that, in the Collateral Manager's reasonable business judgment based on calculations included in the certification (which shall include the sales prices of the Collateral Interests), the Sale Proceeds from the sale of one or more of the Collateral Interests and all Cash and proceeds from Eligible Investments will be at least equal to the Total Redemption Price; and

(2) the Independent accountants appointed by the Issuer pursuant to Section 10.13 shall recalculate the calculations made in clause (1) above and prepare an agreed-upon procedures report; and

(iii) in connection with an Optional Redemption, an Auction Call Redemption, a Clean-up Call, or a Tax Redemption, all the Collateral Interests to be sold pursuant to this Section 12.1(e) must be sold in accordance with the requirements set forth in Section 9.1(f).

(g) In the event that any Notes remain Outstanding as of the Payment Date occurring six months prior to the Stated Maturity Date of the Notes, the Collateral Manager will be required to determine whether the proceeds expected to be received on the Collateral Interests prior to the Stated Maturity Date of the Notes will be sufficient to pay in full the principal amount of (and accrued interest on) the Notes on the Stated Maturity Date. If the Collateral Manager determines, in its sole discretion, that such proceeds will not be sufficient to pay the outstanding principal amount of and accrued interest on the Notes on the Stated Maturity Date of the Notes, the Issuer shall, at the direction of the Collateral Manager, be obligated to liquidate the portion of Collateral Interests sufficient to pay the remaining principal amount of and interest on the Notes on or before the Stated Maturity Date. The Collateral Interests to be liquidated by the Issuer will be selected by the Collateral Manager.

(h) Notwithstanding anything herein to the contrary, the Collateral Manager on behalf of the Issuer shall be permitted to sell to a Permitted Subsidiary any Sensitive Asset for consideration consisting of equity interests in such Permitted Subsidiary (or an increase in the value of equity interests already owned).

(i) Under no circumstances shall the Trustee in its individual capacity be required to acquire any Collateral Interests or any property related thereto.

(j) Any Collateral Interest sold pursuant to this Section 12.1 shall be released from the lien of this Indenture.

(k) Any Collateral Interest that was required at acquisition to satisfy the Eligibility Criteria, the Acquisition and Disposition Requirements or, as applicable, the Acquisition Criteria, but failed to do so, may be sold by the Collateral Manager on behalf of the Issuer to the Seller or an affiliate thereof within 60 days of such acquisition at a price that is equal to the Par Purchase Price of such Collateral Interest.

Section 12.2 Reinvestment Collateral Interests.

(a) Except as provided in Section 12.3(c), during the Reinvestment Period (or within 60 days after the end of the Reinvestment Period with respect to reinvestments made pursuant to binding commitments to purchase entered into during the Reinvestment Period), amounts (or Eligible Investments) credited to the Reinvestment Account may, but are not required to, be reinvested in Reinvestment Collateral Interests (which shall be, and hereby are upon acquisition by the Issuer, Granted to the Trustee pursuant to the Granting Clause of this Indenture) that satisfy the applicable Eligibility Criteria, the Acquisition and Disposition Requirements and the following additional criteria (the “**Acquisition Criteria**”), as evidenced by an Officer’s Certificate of the Collateral Manager on behalf of the Issuer delivered to the Trustee and the Note Administrator substantially in the form of Exhibit S (which shall include the subsequent transfer instrument substantially in the form of Annex A to the Collateral Interest Purchase Agreement attached to such Officer’s Certificate), delivered as of the date of the commitment to purchase such Reinvestment Collateral Interests:

- (i) the Note Protection Tests are satisfied; and
- (ii) no Event of Default has occurred and is continuing.

(b) Notwithstanding the foregoing provisions, (i) Cash on deposit in the Reinvestment Account may be invested in Eligible Investments pending investment in Reinvestment Collateral Interests and (ii) if an Event of Default shall have occurred and be continuing, no Reinvestment Collateral Interest may be acquired unless it was the subject of a commitment entered into by the Issuer prior to the occurrence of such Event of Default.

(c) Notwithstanding the foregoing provisions, at any time when the Retention Holder or an Affiliate that is wholly-owned by BRSP Sub-REIT and is a disregarded entity for U.S. federal income tax purposes holds 100% of the Preferred Shares, it may contribute additional Cash, Eligible Investments and/or Collateral Interests to the Issuer so long as, in the case of Collateral Interests, any such Collateral Interests satisfy the Eligibility Criteria at the time of such contribution, including, but not limited to, for purposes of effecting any cure rights reserved for the holder of the Participations, pursuant to and in accordance with the terms of the related Participation Agreement or Amended Participation Agreement, as applicable. Cash or Eligible Investments contributed to the Issuer by the Retention Holder (during the Reinvestment Period) shall be credited to the Reinvestment Account (unless the Retention Holder directs otherwise) and may be reinvested by the Issuer in Reinvestment Collateral Interests so long as no Event of Default has occurred and is continuing.

Section 12.3 Conditions Applicable to all Transactions Involving Sale or Grant.

(a) Any transaction effected after the Closing Date under this Article 12 or Section 10.12 shall be conducted in accordance with the requirements of the Collateral Management Agreement; **provided that** (i) the Collateral Manager shall not direct the Trustee to acquire any Collateral Interest for inclusion in the Collateral from the Collateral Manager or any of its Affiliates as principal or to sell any Collateral Interest from the Collateral to the Collateral

Manager or any of its Affiliates as principal unless the transaction is effected in accordance with the Collateral Management Agreement and (ii) the Collateral Manager shall not direct the Trustee to acquire any Collateral Interest for inclusion in the Collateral from any account or portfolio for which the Collateral Manager serves as investment adviser or direct the Special Servicer (on behalf of the Trustee) to sell any Collateral Interest to any account or portfolio for which the Collateral Manager serves as investment adviser unless such transactions comply with the Collateral Management Agreement and Section 206(3) of the Advisers Act. The Trustee shall have no responsibility to oversee compliance with this clause by the other parties.

(b) Upon any Grant pursuant to this Article 12, all of the Issuer's right, title and interest to the Collateral Interest or Securities shall be Granted to the Trustee pursuant to this Indenture, such Collateral Interest or Securities shall be registered in the name of the Trustee, and, if applicable, the Trustee (or the Custodian on its behalf) shall receive such Pledged Collateral Interest or Securities. The Trustee also shall receive, not later than the date of delivery of any Collateral Interest delivered after the Closing Date, an Officer's Certificate of the Collateral Manager certifying that, as of the date of such Grant, such Grant complies with the applicable conditions of and is permitted by this Article 12 (and setting forth, to the extent appropriate, calculations in reasonable detail necessary to determine such compliance).

(c) Notwithstanding anything contained in this Article 12 to the contrary, the Issuer shall, subject to this Section 12.3(c), have the right to effect any transaction which has been consented to by the Holders of Notes evidencing 100% of the Aggregate Outstanding Amount of each and every Class of Notes (or if there are no Notes Outstanding, 100% of the Preferred Shares).

Section 12.4 Modifications to Note Protection Tests. In the event that (a) Moody's modifies the definitions or calculations relating to any of the Moody's specific Eligibility Criteria or (b) any Rating Agency modifies the definitions or calculations relating to either of the Note Protection Tests (each, a "**Rating Agency Test Modification**"), in any case in order to correspond with published changes in the guidelines, methodology or standards established by such Rating Agency, the Issuer may, but is under no obligation solely as a result of this Section 12.4 to, incorporate corresponding changes into this Indenture by an amendment or supplement hereto without the consent of the Holders of the Notes (except as provided below) (but with written notice to the Noteholders) or the Preferred Shares if (i) in the case of a modification of a Moody's specific Eligibility Criteria, the Rating Agency Condition is satisfied with respect to Moody's, (ii) in the case of a modification of a Note Protection Test, the Rating Agency Condition is satisfied with respect to each Rating Agency then rating any Class of Notes and (iii) written notice of such modification is delivered by the Collateral Manager to the Trustee and the Holders of the Notes and Preferred Shares (which notice may be included in the next regularly scheduled report to Noteholders). Any such Rating Agency Test Modification shall be effected without execution of a supplemental indenture; **provided, however, that** such amendment shall be (A) evidenced by a written instrument executed and delivered by each of the Co-Issuers and the Collateral Manager and delivered to the Trustee, and (B) accompanied by delivery by the Issuer to the Trustee of an Officer's Certificate of the Issuer (or the Collateral

(f) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders agree, for the benefit of the Holders of the Class E Notes, that the rights of the Holders of the Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes and the Class G-X Notes shall be subordinate and junior to the Class E Notes to the extent and in the manner set forth in Article 11 of this Indenture; **provided that** on each Redemption Date and each Payment Date as a result of the occurrence and continuation of the acceleration of the Notes following the occurrence of an Event of Default, all accrued and unpaid interest on and outstanding principal on the Class E Notes shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class E Notes consent, other than in Cash, before any further payment or distribution is made on account of any of the Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes and the Class G-X Notes to the extent and in the manner provided in Section 11.1(a)(iii).

(g) Anything in this Indenture or the Notes to the contrary notwithstanding, the Issuer and the Holders agree, for the benefit of the Holders of the Class F Notes, the Class F-E Notes and the Class F-X Notes, that the rights of the Holders of the Class G Notes, the Class G-E Notes and the Class G-X Notes shall be subordinate and junior to the Class F Notes, the Class F-E Notes and the Class F-X Notes to the extent and in the manner set forth in Article 11 of this Indenture; **provided that** on each Redemption Date and each Payment Date as a result of the occurrence and continuation of the acceleration of the Notes following the occurrence of an Event of Default, all accrued and unpaid interest on and outstanding principal on the Class F Notes, the Class F-E Notes and the Class F-X Notes shall be paid pursuant to Section 11.1(a)(iii) in full in Cash or, to the extent 100% of Holders of the Class F Notes, the Class F-E Notes and the Class F-X Notes consent, other than in Cash, before any further payment or distribution is made on account of any of the Class G Notes, the Class G-E Notes and the Class G-X Notes to the extent and in the manner provided in Section 11.1(a)(iii).

(h) In the event that notwithstanding the provisions of this Indenture, any Holders of any Class of Notes shall have received any payment or distribution in respect of such Class contrary to the provisions of this Indenture, then, unless and until all accrued and unpaid interest on and outstanding principal of all more senior Classes of Notes have been paid in full in

accordance with this Indenture, such payment or distribution shall be received and held in trust for the benefit of, and shall forthwith be paid over and delivered to, the Note Administrator, which shall pay and deliver the same to the Holders of the more senior Classes of Notes in accordance with this Indenture.

(i) Each Holder of any Class of Notes agrees with the Note Administrator on behalf of the Secured Parties that such Holder shall not demand, accept, or receive any payment or distribution in respect of such Notes in violation of the provisions of this Indenture including Section 11.1(a) and this Section 13.1; **provided, however, that** after all accrued and unpaid interest on, and principal of, each Class of Notes senior to such Class have been paid in full, the Holders of such Class of Notes shall be fully subrogated to the rights of the Holders of each Class of Notes senior thereto. Nothing in this Section 13.1 shall affect the obligation of the Issuer to pay Holders of such Class of Notes any amounts due and payable hereunder.

(j) The Holders of each Class of Notes agree, for the benefit of all Holders of the Notes, not to institute against, or join any other person in instituting against, the Issuer, the Co-Issuer or any Permitted Subsidiary, any petition for bankruptcy, reorganization, arrangement, moratorium, liquidation or similar proceedings under the laws of any jurisdiction before one year and one day or, if longer, the applicable preference period then in effect, have elapsed since the final payments to the Holders of the Notes.

Section 13.2 Standard of Conduct. In exercising any of its or their voting rights, rights to direct and consent or any other rights as a Securityholder under this Indenture, a Securityholder or Securityholders shall not have any obligation or duty to any Person or to consider or take into account the interests of any Person and shall not be liable to any Person for any action taken by it or them or at its or their direction or any failure by it or them to act or to direct that an action be taken, without regard to whether such action or inaction benefits or adversely affects any Securityholder, the Issuer, or any other Person, except for any liability to which such Securityholder may be subject to the extent the same results from such Securityholder's taking or directing an action, or failing to take or direct an action, in bad faith or in violation of the express terms of this Indenture.

ARTICLE 14

MISCELLANEOUS

Section 14.1 Form of Documents Delivered to the Trustee and Note Administrator. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an Authorized Officer of the Issuer or the Co-Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by,

counsel, unless such Authorized Officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of an Authorized Officer of the Issuer or the Co-Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, the Issuer, the Co-Issuer, the Collateral Manager or any other Person, stating that the information with respect to such factual matters is in the possession of the Issuer, the Co-Issuer, the Collateral Manager or such other Person, unless such Authorized Officer of the Issuer or the Co-Issuer or such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous. Any Opinion of Counsel also may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an Authorized Officer of the Issuer or the Co-Issuer, or the Servicer on behalf of the Issuer, certifying as to the factual matters that form a basis for such Opinion of Counsel and stating that the information with respect to such matters is in the possession of the Issuer or the Co-Issuer or the Collateral Manager on behalf of the Issuer, unless such counsel knows that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture it is provided that the absence of the occurrence and continuation of a Default or Event of Default is a condition precedent to the taking of any action by the Trustee or the Note Administrator at the request or direction of the Issuer or the Co-Issuer, then notwithstanding that the satisfaction of such condition is a condition precedent to the Issuer's or the Co-Issuer's rights to make such request or direction, the Trustee or the Note Administrator shall be protected in acting in accordance with such request or direction if it does not have knowledge of the occurrence and continuation of such Default or Event of Default as provided in Section 6.1(g).

Section 14.2 Acts of Securityholders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Securityholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Securityholders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and the Note Administrator, and, where it is hereby expressly required, to the Issuer and/or the Co-Issuer. Such instrument or instruments (and the action or actions embodied therein and evidenced thereby) are herein sometimes referred to as the "**Act**" of the Securityholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee, the Note Administrator, the Issuer and the Co-Issuer, if made in the manner provided in this Section 14.2.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved in any manner which the Trustee or the Note Administrator deems sufficient.

(c) The principal amount and registered numbers of Notes held by any Person, and the date of his holding the same, shall be proved by the Notes Register. The Notional Amount and registered numbers of the Preferred Shares held by any Person, and the date of his holding the same, shall be proved by the register of members maintained with respect to the Preferred Shares. Notwithstanding the foregoing, the Trustee and Note Administrator may conclusively rely on an Investor Certification to determine ownership of any Notes.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Securityholder shall bind such Securityholder (and any transferee thereof) of such Security and of every Security issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Trustee, the Note Administrator, the Preferred Share Paying Agent, the Share Registrar, the Issuer or the Co-Issuer in reliance thereon, whether or not notation of such action is made upon such Security.

(a) such notice shall be sufficiently given to Holders of Notes if in writing and mailed, first class postage prepaid, to each Holder of a Note affected by such event, at the address of such Holder as it appears in the Notes Register, not earlier than the earliest date and not later than the latest date, prescribed for the giving of such notice;

(b) such notice shall be in the English language; and

The Note Administrator shall deliver to the Holders of the Notes any information or notice in its possession, requested to be so delivered by at least 25% of the Holders of any Class of Notes.

Neither the failure to mail any notice, nor any defect in any notice so mailed, to any particular Holder of a Note shall affect the sufficiency of such notice with respect to other Holders of Notes. In case by reason of the suspension of regular mail service or by reason of any other cause, it shall be impracticable to give such notice by mail, then such notification to Holders of Notes shall be made with the approval of the Note Administrator and shall constitute sufficient notification to such Holders of Notes for every purpose hereunder.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Trustee and with the Note Administrator, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In the event that, by reason of the suspension of the regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice as shall be satisfactory to the Trustee and the Note Administrator shall be deemed to be a sufficient giving of such notice.

Notwithstanding any provision to the contrary in this Indenture or any other agreement or document, any report, statement, notice or other information (including notices of supplemental indentures in accordance with Section 8.3) required to be provided by the Trustee or the Note Administrator pursuant to the Transaction Documents may be provided by providing access to the Note Administrator's Website containing such information.

Section 14.5 Effect of Headings and Table of Contents. The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

Section 14.6 Successors and Assigns. All covenants and agreements in this Indenture by the Issuer and the Co-Issuer shall bind their respective successors and assigns, whether so expressed or not.

Section 14.7 Severability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 14.8 Benefits of Indenture. Nothing in this Indenture or in the Securities, expressed or implied, shall give to any Person, other than (i) the parties hereto and their successors hereunder and (ii) the Servicer, the Special Servicer, the Collateral Manager, the Preferred Shareholders, the Preferred Share Paying Agent, the Share Registrar and the Noteholders (each of whom shall be an express third party beneficiary hereunder), any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 14.9 Governing Law; Waiver of Jury Trial. THIS INDENTURE AND EACH NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED THEREIN WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES.

THE PARTIES HERETO HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THEIR RESPECTIVE RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER IN CONTRACT, TORT OR OTHERWISE, RELATING DIRECTLY OR INDIRECTLY TO THIS INDENTURE OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 14.10 Submission to Jurisdiction. Each of the Issuer and the Co-Issuer hereby irrevocably submits to the nonexclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes or this Indenture, and each of the Issuer and the Co-Issuer hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. Each of the Issuer and the Co-Issuer hereby irrevocably waives, to the fullest extent that they may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. Each of the Issuer and the Co-Issuer irrevocably consents to the service of any and all process in any action or proceeding by the mailing or delivery of copies of such process to it at the office of the Issuer's and the Co-Issuer's agent set forth in Section 7.2. Each of the Issuer and the Co-Issuer agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 14.11 Counterparts. This Indenture may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. This Indenture and any document in the Collateral Interest File shall be valid, binding and enforceable against a party (and any respective successors and permitted assigns thereof) when executed and delivered by an

authorized individual on behalf of such party by means of (i) an original manual signature, (ii) a faxed, scanned or photocopied manual signature or (iii) any other electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act and/or any other relevant electronic signatures law, including any relevant provisions of the Uniform Commercial Code (collectively, “**Signature Law**”), in each case, to the extent applicable. Each faxed, scanned or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned or photocopied manual signature, or other electronic signature, of any other party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. Delivery of an executed counterpart of a signature page of this Indenture in Portable Document Format (PDF) or by electronic transmission shall be as effective as delivery of a manually executed original counterpart to this Indenture. For the avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the Uniform Commercial Code or other Signature Law due to the character or intended character of the writings.

Section 14.12 Liability of Co-Issuers. Notwithstanding any other terms of this Indenture, the Notes or any other agreement entered into between, *inter alios*, the Issuer and the Co-Issuer or otherwise, neither the Issuer nor the Co-Issuer shall have any liability whatsoever to the Co-Issuer or the Issuer, respectively, under this Indenture, the Notes, any such agreement or otherwise and, without prejudice to the generality of the foregoing, neither the Issuer nor the Co-Issuer shall be entitled to take any steps to enforce, or bring any action or proceeding, in respect of this Indenture, the Notes, any such agreement or otherwise against the other Co-Issuer or the Issuer, respectively. In particular, neither the Issuer nor the Co-Issuer shall be entitled to petition or take any other steps for the winding up or bankruptcy of the Co-Issuer or the Issuer, respectively or shall have any claim in respect of any Collateral of the Co-Issuer or the Issuer, respectively.

Section 14.13 17g-5 Information.

(a) The Co-Issuers shall comply with their obligations under Rule 17g-5 promulgated under the Exchange Act (“**Rule 17g-5**”), by their or their agent’s posting on the 17g-5 Website, no later than the time such information is provided to the Rating Agencies, all information that the Issuer or other parties on its behalf, including the Trustee, the Note Administrator, the Servicer and the Special Servicer, provide to the Rating Agencies for the purposes of determining the initial credit rating of the Notes or undertaking credit rating surveillance of the Notes (the “**17g-5 Information**”); **provided that** no party other than the Issuer, the Trustee, the Note Administrator, the Servicer or the Special Servicer may provide information to the Rating Agencies on the Issuer’s behalf without the prior written consent of the Special Servicer. The foregoing information shall be made available by the 17g-5 Information Provider on the 17g-5 Website or such other website as the Issuer may notify the parties hereto in writing.

(d) Information shall be posted on the same Business Day of receipt; **provided that** such information is received by 12:00 p.m. (Eastern Time) or, if received after 12:00 p.m., on the next Business Day. The 17g-5 Information Provider shall have no obligation or duty to verify, confirm or otherwise determine whether the information being delivered is accurate, complete, conforms to the transaction, or otherwise is or is not anything other than what it purports to be. In the event that any information is delivered or posted in error, the 17g-5 Information Provider may remove it from the website. The 17g-5 Information Provider (and the Trustee) has not obtained and shall not be deemed to have obtained actual knowledge of any information posted to the 17g-5 Website to the extent such information was not produced by it. Access will be provided by the 17g-5 Information Provider to NRSROs upon receipt of an NRSRO Certification in substantially the form set forth in Exhibit N (which certification may be submitted electronically via the 17g-5 Website).

In no event shall the 17g-5 Information Provider disclose on the 17g-5 Website the Rating Agency or NRSRO that requested such additional information.

(f) The 17g-5 Information Provider shall provide a mechanism to notify each Person that has signed-up for access to the 17g-5 Website in respect of the transaction governed by this Indenture each time an additional document is posted to the 17g-5 Website.

(g) Any other information required to be delivered to the Rating Agencies pursuant to this Indenture shall be furnished to the Rating Agencies only after the earlier of (x) receipt of confirmation (which may be by email) from the 17g-5 Information Provider that such information has been posted to the 17g-5 Website and (y) two (2) Business Days after such information has been delivered to the 17g-5 Information Provider in accordance with this Section 14.13.

(h) Notwithstanding anything to the contrary in this Indenture, a breach of this Section 14.13 shall not constitute a Default or Event of Default.

(i) If any of the parties to this Indenture receives a Form ABS Due Diligence-15E from any party in connection with any third-party due diligence services such party may have provided with respect to the Collateral Interests (“**Due Diligence Service Provider**”), such receiving party shall promptly forward such Form ABS Due Diligence-15E to the 17g-5 Information Provider for posting on the 17g-5 Website. The 17g-5 Information Provider shall post on the 17g-5 Website any Form ABS Due Diligence-15E it receives directly from a Due Diligence Service Provider or from another party to this Indenture, promptly upon receipt thereof.

Accordingly, each of the parties agrees to provide to the Trustee and the Note Administrator, upon its request from time to time, such identifying information and documentation as may be available for such party in order to enable the Trustee and the Note Administrator, as applicable, to comply with Applicable Law. The Issuer and Company Administrator are subject to laws in the Cayman Islands, which impose similar obligations to the Applicable Laws, including with regard to verifying the identity and source of funds of investors.

ARTICLE 15

ASSIGNMENT OF THE COLLATERAL INTEREST PURCHASE AGREEMENTS AND THE COLLATERAL MANAGEMENT AGREEMENT

Section 15.1 Assignment of Collateral Interest Purchase Agreements and the Collateral Management Agreement.

(a) The Issuer, in furtherance of the covenants of this Indenture and as security for the Offered Notes and amounts payable to the Secured Parties hereunder and the performance and observance of the provisions hereof, hereby collaterally assigns, transfers, conveys and sets over to the Trustee, for the benefit of the Noteholders (and to be exercised on behalf of the Issuer by persons responsible therefor pursuant to this Indenture and the Servicing Agreement), all of the

Issuer's estate, right, title and interest in, to and under the Collateral Interest Purchase Agreements (now or hereafter entered into) and the Collateral Management Agreement (each, an "**Article 15 Agreement**"), including, without limitation, (i) the right to give all notices, consents and releases thereunder, (ii) the right to give all notices of termination and to take any legal action upon the breach of an obligation of the Seller or the Collateral Manager thereunder, including the commencement, conduct and consummation of proceedings at law or in equity, (iii) the right to receive all notices, accountings, consents, releases and statements thereunder and (iv) the right to do any and all other things whatsoever that the Issuer is or may be entitled to do thereunder; **provided, however, that** the Issuer reserves for itself a license to exercise all of the Issuer's rights pursuant to the Article 15 Agreements without notice to or the consent of the Trustee or any other party hereto (except as otherwise expressly required by this Indenture, including, without limitation, as set forth in Section 15.1(f)) which license shall be and is hereby deemed to be automatically revoked upon the occurrence of an Event of Default hereunder until such time, if any, that such Event of Default is cured or waived.

(b) The assignment made hereby is executed as collateral security, and the execution and delivery hereby shall not in any way impair or diminish the obligations of the Issuer under the provisions of each of the Article 15 Agreements, nor shall any of the obligations contained in each of the Article 15 Agreements be imposed on the Trustee.

(c) Upon the retirement of the Notes and the release of the Collateral from the lien of this Indenture, this assignment and all rights herein assigned to the Trustee for the benefit of the Noteholders shall cease and terminate and all the estate, right, title and interest of the Trustee in, to and under each of the Article 15 Agreements shall revert to the Issuer and no further instrument or act shall be necessary to evidence such termination and reversion.

(d) The Issuer represents that it has not executed any assignment of any of the Article 15 Agreements other than this collateral assignment.

(e) The Issuer agrees that this assignment is irrevocable, and that it shall not take any action which is inconsistent with this assignment or make any other assignment inconsistent herewith. The Issuer shall, from time to time upon the request of the Trustee, execute all instruments of further assurance and all such supplemental instruments with respect to this assignment as the Trustee may specify.

(f) The Issuer hereby agrees, and hereby undertakes to obtain the agreement and consent of the Seller and the Collateral Manager, as applicable, in the Collateral Interest Purchase Agreements and the Collateral Management Agreement, as applicable, to the following:

(i) the Seller and the Collateral Manager each consents to the provisions of this collateral assignment and agrees to perform any provisions of this Indenture made expressly applicable to the Seller or the Collateral Manager, as applicable, pursuant to the applicable Article 15 Agreement;

(ii) the Seller and the Collateral Manager, as applicable, acknowledges that the Issuer is collaterally assigning all of its right, title and interest in, to and under the applicable Collateral Interest Purchase Agreement and the Collateral Management Agreement, as applicable, to the Trustee for the benefit of the Noteholders, and the Seller and the Collateral Manager, as applicable, agrees that all of the representations, covenants and agreements made by the Seller and the Collateral Manager, as applicable, in the applicable Article 15 Agreement are also for the benefit of, and enforceable by, the Trustee and the Noteholders;

(iii) the Seller and the Collateral Manager, as applicable, shall deliver to the Trustee duplicate original copies of all notices, statements, communications and instruments delivered or required to be delivered to the Issuer pursuant to the applicable Article 15 Agreement;

(iv) none of the Issuer, the Seller or the Collateral Manager shall enter into any agreement amending, modifying or terminating the applicable Article 15 Agreement, (other than in respect of an amendment or modification to cure any inconsistency, ambiguity or manifest error) or selecting or consenting to a successor Collateral Manager, as applicable, without notifying the Rating Agencies and without the prior written consent and written confirmation of the Rating Agencies that such amendment, modification or termination will not cause its then-current ratings of the Notes to be downgraded or withdrawn;

(v) except as otherwise set forth herein and therein (including, without limitation, pursuant to Section 12 of the Collateral Management Agreement), the Collateral Manager shall continue to serve as Collateral Manager under the Collateral Management Agreement, notwithstanding that the Collateral Manager shall not have received amounts due it under the Collateral Management Agreement because sufficient funds were not then available hereunder to pay such amounts pursuant to the Priority of Payments. The Collateral Manager agrees not to cause the filing of a petition in bankruptcy against the Issuer for the nonpayment of the fees or other amounts payable to the Collateral Manager under the Collateral Management Agreement until the payment in full of all Notes issued under this Indenture and the expiration of a period equal to the applicable preference period under the Bankruptcy Code *plus* ten days following such payment; and

(vi) the Collateral Manager irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan in The City of New York in any action or proceeding arising out of or relating to the Notes or this Indenture, and the Collateral Manager irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York State or federal court. The Collateral Manager irrevocably waives, to the fullest extent it may legally do so, the defense of an inconvenient forum to the maintenance of such action or proceeding. The Collateral Manager irrevocably consents to the service of any and all process in any action or Proceeding by the mailing by certified mail, return receipt

requested, or delivery requiring signature and proof of delivery of copies of such initial process to it at BrightSpire Capital Advisors, LLC, Attention: David A. Palamé. The Collateral Manager agrees that a final and non-appealable judgment by a court of competent jurisdiction in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

ARTICLE 16

CURE RIGHTS; PURCHASE RIGHTS

Section 16.1 [Reserved].

Section 16.2 Collateral Interest Purchase Agreements. Following the Closing Date, unless a Collateral Interest Purchase Agreement is necessary to comply with the provisions of this Indenture, the Issuer may acquire Collateral Interests in accordance with customary settlement procedures in the relevant markets. In any event, the Issuer (or the Collateral Manager on behalf of the Issuer) shall obtain from any seller of a Collateral Interest, all Loan Documents with respect to each Collateral Interest that govern, directly or indirectly, the rights and obligations of the owner of the Collateral Interest with respect to the Collateral Interest and any certificate evidencing the Collateral Interest.

Section 16.3 Representations and Warranties Related to Collateral Interests Acquired after the Closing Date.

(a) Upon the acquisition of any Collateral Interest by the Issuer after the Closing Date, the related seller shall be required to make representations and warranties in substantially the form set forth in Exhibit O with such exceptions as may be relevant.

(b) The representations and warranties in Section 16.3(a) with respect to the acquisition of any Collateral Interest acquired after the Closing Date may be subject to any modification, limitation or qualification that the Collateral Manager determines to be reasonably acceptable in accordance with the Collateral Management Standard; **provided that** the Collateral Manager will provide the Rating Agencies with a report attached to each Monthly Report identifying each such affected representation or warranty and the modification, exception, limitation or qualification received with respect to the acquisition of any Collateral Interest acquired after the Closing Date during the period covered by the Monthly Report, which report may contain explanations by the Collateral Manager as to its determinations.

(c) The Issuer (or the Collateral Manager on behalf of the Issuer) shall obtain a covenant from the Person making any representation or warranty to the Issuer pursuant to Section 16.3(a) that such Person shall repurchase the related Collateral Interest if any such representation or warranty is breached (but only after the expiration of any permitted cure periods and failure to cure such breach). The purchase price for any Collateral Interest repurchased shall be a price equal to the sum of the following (in each case, without duplication) as of the date of such repurchase: (i) the then outstanding Principal Balance of such Collateral

Interest, discounted based on the percentage amount of any discount that was applied when such Collateral Interest was purchased by the Issuer, *plus* (ii) accrued and unpaid interest on such Collateral Interest, *plus* (iii) any unreimbursed advances made under this Indenture or the Servicing Agreement on the Collateral Interest, *plus* (iv) accrued and unpaid interest on advances made under this Indenture or the Servicing Agreement on the Collateral Interest, *plus* (v) any reasonable costs and expenses (including, but not limited to, the cost of any enforcement action, incurred by the Issuer or the Trustee in connection with any such repurchase), *plus* (vi) any Liquidation Fee payable to the Special Servicer in connection with a repurchase of the Collateral Interest by the Seller.

Section 16.4 Operating Advisor. If the Issuer, as holder of a Participation has the right pursuant to the related Loan Documents to appoint the operating advisor, directing holder or Person serving a similar function under the Loan Documents, each of the Issuer, the Trustee and the Collateral Manager shall take such actions as are reasonably necessary to appoint the Collateral Manager to such position.

Section 16.5 Purchase Right; Holder of a Majority of the Preferred Shares. If the Issuer, as holder of a Participation, has the right pursuant to the related Loan Documents to purchase any other interest in the same Underlying Commercial Real Estate Loan as the Participation (an “**Other Tranche**”), the Issuer shall, if directed by the Holder of a Majority of the Preferred Shares, exercise such right, if the Collateral Manager determines, in accordance with the Collateral Management Standard, that the exercise of the option would be in the best interest of the Noteholders, but shall not exercise such right if the Collateral Manager determines otherwise. The Collateral Manager shall deliver to the Trustee an Officer’s Certificate certifying such determination, accompanied by an Act of the Holder of a Majority of the Preferred Shares directing the Issuer to exercise such right. In connection with the purchase of any such Other Tranche(s), the Issuer shall assign to the Holder of a Majority of the Preferred Shares or its designee all of its right, title and interest in such Other Tranche(s) in exchange for a purchase price (such price and any other associated expense of such exercise to be paid by the Holder of a Majority of the Preferred Shares) of the Other Tranche(s) (or, if the Loan Documents permit, the Issuer may assign the purchase right to the Holder of a Majority of the Preferred Shares or its designee; otherwise the Holder of a Majority of the Preferred Shares or its designee shall fund the purchase by the Issuer, which shall then assign the Other Tranche(s) to the Holder of a Majority of the Preferred Shares or its designee), which amount shall be delivered by such Holder or its designee from its own funds to or upon the instruction of the Collateral Manager in accordance with terms of the Loan Documents related to the acquisition of such Other Tranche(s). The Issuer shall execute and deliver at the direction of such Holder of a Majority of the Preferred Shares such instruments of transfer or assignment prepared by such Holder, in each case without recourse, as shall be necessary to transfer title to such Holder of the Majority of Preferred Shares or its designee of the Other Tranche(s) and the Trustee shall have no responsibility with regard to such Other Tranche(s). Notwithstanding anything to the contrary herein, any Other Tranche purchased hereunder by the Issuer shall not be subject to the Grant to the Trustee under the Granting Clauses.

ARTICLE 17

ADVANCING AGENT

Section 17.1 Liability of the Advancing Agent. The Advancing Agent shall be liable in accordance herewith only to the extent of the obligations specifically imposed upon and undertaken by the Advancing Agent.

Section 17.2 Merger or Consolidation of the Advancing Agent.

(a) The Advancing Agent will keep in full effect its existence, rights and franchises as a corporation under the laws of the jurisdiction in which it was formed, and will obtain and preserve its qualification to do business as a foreign corporation in each jurisdiction in which such qualification is or shall be necessary to protect the validity and enforceability of this Indenture to perform its duties under this Indenture.

(b) Any Person into which the Advancing Agent may be merged or consolidated, or any corporation resulting from any merger or consolidation to which the Advancing Agent shall be a party, or any Person succeeding to the business of the Advancing Agent shall be the successor of the Advancing Agent, hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding (it being understood and agreed by the parties hereto that the consummation of any such transaction by the Advancing Agent shall have no effect on the Backup Advancing Agent's obligations under Section 10.7, which obligations shall continue pursuant to the terms of Section 10.7).

Section 17.3 Limitation on Liability of the Advancing Agent and Others. None of the Advancing Agent or any of its affiliates, directors, officers, employees or agents shall be under any liability for any action taken or for refraining from the taking of any action in good faith pursuant to this Indenture, or for errors in judgment; **provided, however, that** this provision shall not protect the Advancing Agent against liability to the Issuer or Noteholders for any breach of warranties or representations made herein or any liability which would otherwise be imposed by reason of willful misfeasance, bad faith or negligence in the performance of duties or by reason of negligent disregard of obligations and duties hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Advancing Agent and any director, officer, employee or agent of the Advancing Agent shall be indemnified by the Issuer pursuant to the priorities set forth in Section 11.1(a) and held harmless against any loss, liability or expense incurred in connection with any legal action relating to this Indenture or the Notes, other than any loss, liability or expense (i) specifically required to be borne by the Advancing Agent pursuant to the terms hereof or otherwise incidental to the performance of obligations and duties hereunder (except as any such loss, liability or expense shall be otherwise reimbursable pursuant to this Indenture); or (ii) incurred by reason of any breach of a representation, warranty or covenant made herein, any misfeasance, bad faith or negligence by the Advancing Agent in the

performance of or negligent disregard of, obligations or duties hereunder or any violation of any state or federal securities law.

Section 17.4 Representations and Warranties of the Advancing Agent. The Advancing Agent represents and warrants that:

(a) the Advancing Agent (i) has been duly organized, is validly existing and is in good standing under the laws of the State of Delaware, (ii) has full power and authority to own the Advancing Agent's Collateral and to transact the business in which it is currently engaged, and (iii) is duly qualified and in good standing under the laws of each jurisdiction where the Advancing Agent's ownership or lease of property or the conduct of the Advancing Agent's business requires, or the performance of this Indenture would require, such qualification, except for failures to be so qualified that would not in the aggregate have a material adverse effect on the business, operations, Collateral or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under, or on the validity or enforceability of, the provisions of this Indenture applicable to the Advancing Agent;

(b) the Advancing Agent has full power and authority to execute, deliver and perform this Indenture; this Indenture has been duly authorized, executed and delivered by the Advancing Agent and constitutes a legal, valid and binding agreement of the Advancing Agent, enforceable against it in accordance with the terms hereof, except that the enforceability hereof may be subject to (i) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights and (ii) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law);

(c) neither the execution and delivery of this Indenture nor the performance by the Advancing Agent of its duties hereunder conflicts with or will violate or result in a breach or violation of any of the terms or provisions of, or constitutes a default under: (i) the Articles of Incorporation and bylaws of the Advancing Agent, (ii) the terms of any indenture, contract, lease, mortgage, deed of trust, note agreement or other evidence of indebtedness or other agreement, obligation, condition, covenant or instrument to which the Advancing Agent is a party or is bound, (iii) any law, decree, order, rule or regulation applicable to the Advancing Agent of any court or regulatory, administrative or governmental agency, body or authority or arbitrator having jurisdiction over the Advancing Agent or its properties, and which would have, in the case of any of (i), (ii) or (iii) of this Section 17.4(c), either individually or in the aggregate, a material adverse effect on the business, operations, Collateral or financial condition of the Advancing Agent or the ability of the Advancing Agent to perform its obligations under this Indenture;

(d) no litigation is pending or, to the best of the Advancing Agent's knowledge, threatened, against the Advancing Agent that would materially and adversely affect the execution, delivery or enforceability of this Indenture or the ability of the Advancing Agent to perform any of its obligations under this Indenture in accordance with the terms hereof; and

(e) no consent, approval, authorization or order of or declaration or filing with any government, governmental instrumentality or court or other Person is required for the

performance by the Advancing Agent of its duties hereunder, except such as have been duly made or obtained.

Section 17.5 Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Advancing Agent and no appointment of a successor Advancing Agent pursuant to this Article 17 shall become effective until the acceptance of appointment by the successor Advancing Agent under Section 17.6.

(b) The Advancing Agent may, subject to Section 17.5(a), resign at any time by giving written notice thereof to the Issuer, the Co-Issuer, the Collateral Manager, the Note Administrator, the Trustee, the Servicer, the Noteholders and the Rating Agencies.

(c) The Advancing Agent may be removed at any time by Act of Supermajority of the Preferred Shares upon written notice delivered to the Trustee and to the Issuer and the Co-Issuer.

(d) If the Advancing Agent fails to make a required Interest Advance and it has not determined such Interest Advance to be a Nonrecoverable Interest Advance, (i) the Advancing Agent will be in default under this Indenture, (ii) the Backup Advancing Agent shall be required to make such Interest Advance, and (iii) the Collateral Manager shall terminate such Advancing Agent and use commercially reasonable efforts for up to 90 days following such termination to replace such Advancing Agent with a successor Advancing Agent. In the event that the Collateral Manager has not directed the termination and replacement of the Advancing Agent within 30 days of the Advancing Agent's failure to make a required Interest Advance, the Trustee may, and at the direction of the majority of the Controlling Class shall, terminate the Advancing Agent and use commercially reasonable efforts for 90 days after such termination to appoint a successor advancing agent. Any appointment of a successor advancing agent by the Collateral Manager or Trustee shall satisfy the Rating Agency Condition. Following the termination of the Advancing Agent, the Backup Advancing Agent will be required to make Interest Advances until a successor advancing agent is appointed.

(e) Subject to Section 17.5(d), if the Advancing Agent shall resign or be removed, upon receiving such notice of resignation or removal, the Issuer and the Co-Issuer shall promptly appoint a successor advancing agent by written instrument, in duplicate, executed by an Authorized Officer of the Issuer and an Authorized Officer of the Co-Issuer, one copy of which shall be delivered to the Advancing Agent so resigning and one copy to the successor Advancing Agent, together with a copy to each Noteholder, the Collateral Manager, the Trustee, the Note Administrator, the Servicer and the Special Servicer; **provided that** such successor Advancing Agent shall be appointed only subject to satisfaction of the Rating Agency Condition, upon the written consent of a Majority of Preferred Shareholders. If no successor Advancing Agent shall have been appointed and an instrument of acceptance by a successor Advancing Agent shall not have been delivered to the Advancing Agent within 30 days after the giving of such notice of resignation, the resigning Advancing Agent, the Trustee, the Note Administrator, or any Preferred Shareholder, on behalf of himself and all others similarly situated, may petition any court of competent jurisdiction for the appointment of a successor Advancing Agent.

(f) The Issuer and the Co-Issuer shall give prompt notice of each resignation and each removal of the Advancing Agent and each appointment of a successor Advancing Agent by mailing written notice of such event by first class mail, postage prepaid, to the Rating Agencies, the Trustee, the Note Administrator, and to the Holders of the Notes as their names and addresses appear in the Notes Register.

Section 17.6 Acceptance of Appointment by Successor Advancing Agent.

(a) Every successor Advancing Agent appointed hereunder shall execute, acknowledge and deliver to the Issuer, the Co-Issuer, the Collateral Manager, the Servicer, the Special Servicer, the Trustee, the Note Administrator, and the retiring Advancing Agent an instrument accepting such appointment hereunder and under the Servicing Agreement. Upon delivery of the required instruments, the resignation or removal of the retiring Advancing Agent shall become effective and such successor Advancing Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts, duties and obligations of the retiring Advancing Agent hereunder and under the Servicing Agreement.

(b) No appointment of a successor Advancing Agent shall become effective unless (1) the Rating Agency Condition has been satisfied with respect to the appointment of such successor Advancing Agent and (2) such successor has a long-term unsecured debt rating of at least “A2” by Moody’s and “A” by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)), and whose short-term unsecured debt rating is at least “P-1” from Moody’s.

Section 17.7 Removal and Replacement of Backup Advancing Agent. The Note Administrator shall replace any such successor Advancing Agent (excluding the Note Administrator in its capacity as Backup Advancing Agent) upon receiving notice that such successor Advancing Agent’s long-term unsecured debt rating at any time becomes lower than “A2” by Moody’s or “A” by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)), and such successor Advancing Agent’s short-term unsecured debt rating becomes lower than “P-1” by Moody’s, with a successor Advancing Agent that has a long-term senior unsecured debt rating of at least “A2” by Moody’s and “A” by DBRS Morningstar (or, if not rated by DBRS Morningstar, an equivalent (or higher) rating by any two other NRSROs (which may include Moody’s)), and whose short-term unsecured debt rating is at least “P-1” from Moody’s.

IN WITNESS WHEREOF, the parties hereto have executed and delivered this Indenture as of the day and year first above written.

BENCHMARK

Calculation of Benchmark

Calculation of LIBOR

LIBOR with respect to any Interest Accrual Period shall be determined by the Calculation Agent in accordance with the following provisions (rounded to the nearest 1/1000 of 1%):

1. On each Benchmark Determination Date (other than for the initial Interest Accrual Period), LIBOR shall equal the rate, as obtained by the Calculation Agent, for deposits in U.S. Dollars for a period of one month, which appears on the Reuters Screen LIBOR01 Page (or such other page that may replace that page on such service for the purpose of displaying comparable rates) as reported by Bloomberg Financial Markets Commodities News as of the Benchmark Determination Date. “**London Banking Day**” means any day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London, England.

2. If such rate does not appear on Reuters Screen LIBOR01 (or its equivalent), as of the as of the Benchmark Determination Date (other than due to circumstances that would permit a Benchmark Replacement), the Calculation Agent shall request the principal London office of any four major reference banks in the London interbank market selected by the Calculation Agent to provide quotations of such reference bank’s offered quotations to prime banks in the London interbank market for deposits in U.S. Dollars for a period of one month, as of the Benchmark Determination Date, in a principal amount of not less than \$1 million that is representative for a single transaction in the relevant market at the relevant time. If at least two such rates are so provided, then LIBOR shall be the arithmetic mean of such quotations. If fewer than two such quotations are so provided, the Calculation Agent shall be required to request any three major banks in New York City selected by the Calculation Agent to provide such banks’ rates for loans in U.S. Dollars to leading European banks for a one-month period as of 11:00 a.m., New York City time, as of the applicable Benchmark Determination Date, in a principal amount not less than \$1 million that is representative for a single transaction in the relevant market at the relevant time. If at least two such rates are so provided, then LIBOR shall be the arithmetic mean of such quotations. If fewer than two rates are so provided, then LIBOR shall be the LIBOR rate used for the immediately preceding Interest Accrual Period.

3. In respect of the initial Interest Accrual Period, LIBOR shall be determined on the second London Banking Day preceding the Closing Date.

4. Notwithstanding the foregoing, in no event will LIBOR be less than zero.

In making the above calculations, all percentages resulting from the calculation shall be rounded, if necessary, to the nearest one thousandth of a percentage point (0.001%).

The Indenture may be amended and supplemented under the circumstances, and in accordance with the conditions, set forth therein.

The Notes are issuable in minimum denominations of U.S.\$100,000 and integral multiples of \$500 in excess thereof.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE COISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

Each of BRSP 2021-FL1, LTD., a Cayman Islands exempted company with limited liability (the “**Issuer**”) and BRSP 2021-FL1, LLC, a Delaware limited liability company (the “**CoIssuer**”) for value received, hereby promises to pay to [] or its registered assigns (a) upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [] United States Dollars (U.S.\$[]) on the Payment Date occurring in August 2038 (the “**Stated Maturity Date**”), to the extent not previously paid, in accordance with the Indenture referred to below unless the unpaid principal of this Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise and (b) the Class A-S Interest Distribution Amount allocable to this Note in accordance with the Indenture payable initially on August 19, 2021, and thereafter monthly on the 19th day of each month (or, if such day is not a Business Day, the preceding Business Day) (each, a “**Payment Date**”). Interest on the Class A-S Notes shall accrue at the Class A-S Rate and shall be computed on the basis of the actual number of days in the related Interest Accrual Period divided by 360. The interest so payable on any Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

The obligations of the Issuer and the CoIssuer under this Note and the Indenture are limited recourse obligations of the Issuer and nonrecourse obligations of the CoIssuer payable solely from the Collateral pledged by the Issuer as security for the Offered Notes under the Indenture, and in the event the Collateral are insufficient to satisfy such obligations, any claims of the Holders of the Notes shall be extinguished, all in accordance with the Indenture.

The payment of interest on this Note is senior to the payments of the principal of, and interest on, the Class B Notes, the Class C Notes, the Class D Notes, the Class E Notes, the Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes, the Class G-X Notes and the Preferred Shares. Except as set forth in the Indenture, the payment of principal of this Note is subordinate to the payments of principal of and interest on the Class A Notes and no payments of principal on the Class A-S Notes will be made until the Class A Notes are paid in full. The principal of this Note shall be due and payable no later than the Stated Maturity Date unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; **provided, however, that**, except as set forth in the Indenture, the payment of principal of this Note may only occur after principal on the Class A Notes has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes and other amounts in accordance with the Priority of Payments, all in accordance with the Indenture.

Payments in respect of principal and interest and any other amounts due on any Payment Date on this Note shall be payable by the Trustee or a Paying Agent, subject to any laws or regulations applicable thereto, by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; **provided that** the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register, as provided in the Indenture.

Interest will cease to accrue on this Note, or in the case of a partial repayment, on such repaid part, from the date of repayment or the Stated Maturity Date, unless payment of principal is improperly withheld or unless an Event of Default occurs with respect to such payments of principal.

Notwithstanding the foregoing, the final payment of interest and principal due on this Note shall be made only upon presentation and surrender of this Note (except as otherwise provided in the Indenture) at the Corporate Trust Office of the Note Administrator or at the office of the Paying Agent.

The Holder of this Note shall be treated as the owner hereof for all purposes.

Except as specifically provided herein and in the Indenture, neither the Issuer nor the CoIssuer shall be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

Each of BRSP 2021-FL1, LTD., a Cayman Islands exempted company with limited liability (the “**Issuer**”) and BRSP 2021-FL1, LLC, a Delaware limited liability company (the “**CoIssuer**”) for value received, hereby promises to pay to [_____] or its registered assigns (a) upon presentation and surrender of this Note (except as otherwise permitted by the Indenture referred to below), the principal sum of [_____] United States Dollars (U.S.\$[_]) on the Payment Date occurring in August 2038 (the “**Stated Maturity Date**”), to the extent not previously paid, in accordance with the Indenture referred to below unless the unpaid principal of this Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise and (b) the Class C Interest Distribution Amount allocable to this Note in accordance with the Indenture payable initially on August 19, 2021, and thereafter monthly on the 19th day of each month (or, if such day is not a Business Day, the preceding Business Day) (each, a “**Payment Date**”). Interest on the Class C Notes shall accrue at the Class C Rate and shall be computed on the basis of the actual number of days in the related Interest Accrual Period divided by 360. The interest so payable on any Payment Date will, as provided in the Indenture, be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on the Record Date for such interest.

The obligations of the Issuer and the CoIssuer under this Note and the Indenture are limited recourse obligations of the Issuer and nonrecourse obligations of the CoIssuer payable solely from the Collateral pledged by the Issuer as security for the Offered Notes under the Indenture, and in the event the Collateral are insufficient to satisfy such obligations, any claims of the Holders of the Notes shall be extinguished, all in accordance with the Indenture.

The payment of interest on this Note is senior to the payments of the principal of, and interest on, the Class D Notes, the Class E Notes, the Class F Notes, the Class F-E Notes, the Class F-X Notes, the Class G Notes, the Class G-E Notes, the Class G-X Notes and the Preferred Shares. Except as set forth in the Indenture, the payment of principal of this Note is subordinate to the payments of principal of and interest on the Class A Notes, the Class A-S Notes and the Class C Notes and no payments of principal on the Class C Notes will be made until the Class A Notes, the Class A-S Notes and the Class B Notes are paid in full. The principal of this Note shall be due and payable no later than the Stated Maturity Date unless the unpaid principal of such Note becomes due and payable at an earlier date by declaration of acceleration, call for redemption or otherwise; **provided, however, that**, except as set forth in the Indenture, the payment of principal of this Note may only occur after principal on the Class A Notes, the Class A-S Notes and the Class B has been paid in full and is subordinated to the payment on each Payment Date of the principal and interest due and payable on the Class A Notes, the Class A-S

Notes and the Class B Notes and other amounts in accordance with the Priority of Payments, all in accordance with the Indenture.

Payments in respect of principal and interest and any other amounts due on any Payment Date on this Note shall be payable by the Trustee or a Paying Agent, subject to any laws or regulations applicable thereto, by wire transfer in immediately available funds to a Dollar account maintained by the Holder or its nominee; **provided that** the Holder has provided wiring instructions to the Trustee on or before the related Record Date or, if wire transfer cannot be effected, by a Dollar check drawn on a bank in the United States, or by a Dollar check mailed to the Holder at its address in the Notes Register, as provided in the Indenture.

Interest will cease to accrue on this Note, or in the case of a partial repayment, on such repaid part, from the date of repayment or the Stated Maturity Date, unless payment of principal is improperly withheld or unless an Event of Default occurs with respect to such payments of principal.

Notwithstanding the foregoing, the final payment of interest and principal due on this Note shall be made only upon presentation and surrender of this Note (except as otherwise provided in the Indenture) at the Corporate Trust Office of the Note Administrator or at the office of the Paying Agent.

The Holder of this Note shall be treated as the owner hereof for all purposes.

Except as specifically provided herein and in the Indenture, neither the Issuer nor the CoIssuer shall be required to make any payment with respect to any tax, assessment or other governmental charge imposed by any government or any political subdivision or taxing authority thereof or therein.

If an Event of Default shall occur and be continuing, the Class D Notes may become or be declared due and payable in the manner and with the effect provided in the Indenture.

At any time after a declaration of acceleration of Maturity of the Notes has been made, and before a judgment or decree for payment of the amounts due has been obtained by the Trustee as provided in the Indenture, a Majority of each Class of Offered Notes (voting as a separate Class), or if no Class of Offered Notes is outstanding, a majority by outstanding principal amount, of the Class F Notes and the Class F-E Notes or, if no Class of Offered Notes, Class F Notes or Class F-E Notes are outstanding, a majority by outstanding principal amount, of the Class G Notes and the Class G-E Notes, other than with respect to an Event of Default specified in Section 5.1(d), 5.1(f), 5.1(g) or 5.1(i) of the Indenture, by written notice to the Issuer, the CoIssuer and the Trustee, may rescind and annul such declaration and its consequences if certain conditions set forth in the Indenture are satisfied. The Notes are issuable in minimum denominations of U.S.\$100,000 and integral multiples of \$500 in excess thereof.

Each Holder, by its acquisition of an interest in the Notes, shall be deemed to have represented to the Issuer, the CoIssuer, the Note Administrator, the Trustee, the Collateral Manager and their counsel that either (A) no part of the funds being used to pay the purchase price for such Notes constitutes an asset of any “employee benefit plan” (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”)) subject to Title I of ERISA, a “plan” (as defined in Section 4975(e)(1) of the Internal Revenue Code of 1986, as amended (the “Code”)) that is subject to Section 4975 of the Code or any other employee benefit plan that is subject to any federal, state or local law that is substantially similar to Section 406 of ERISA or Section 4975 of the Code (“**Similar Law**”), or any entity whose underlying assets are deemed to include “plan assets” by reason of such a plan’s investment in the entity or otherwise (any of the foregoing, a “**Plan**”), or (B) its purchase and holding of the Transferred Notes do not and will not constitute or give rise to a nonexempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, or in the case of any Plan subject to Similar Law, will not constitute or result in a violation of Similar Law.

Title to Notes shall pass by registration in the Register kept by the Note Administrator, acting through its Corporate Trust Office.

No service charge shall be made to a Holder for any registration of transfer or exchange of this Note, but the Note Administrator may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

No right or remedy conferred herein or in the Indenture upon or reserved to the Trustee, to the Note Administrator or to the Holder hereof is intended to be exclusive of any other right or

remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or thereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder or under the Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

THE HOLDER OF THIS NOTE AGREES NOT TO CAUSE THE FILING OF A PETITION IN BANKRUPTCY AGAINST THE ISSUER, THE CO-ISSUER OR ANY PERMITTED SUBSIDIARY IN ANY APPLICABLE OR RELEVANT JURISDICTION UNTIL AT LEAST ONE YEAR AND ONE DAY (OR, IF LONGER, THE APPLICABLE PREFERENCE PERIOD THEN IN EFFECT), AFTER THE PAYMENT IN FULL OF ALL NOTES ISSUED UNDER THE INDENTURE.

You agree to reasonably cooperate with each Furnishing Entity in its efforts to obtain a protective order or other reasonable assurance that confidential treatment will be accorded to the portion of the Confidential Information that is being disclosed, at the sole expense of such Furnishing Entity; provided, however, that in no event shall the NRSRO be required to take a position that such information should be entitled to receive such a protective order or reasonable assurance as to confidential treatment. If a Furnishing Entity succeeds in obtaining a protective order or other remedy, you agree to comply with its terms with respect to the disclosure of the Confidential Information, at the sole expense of such Furnishing Entity. If a protective order or other remedy is not obtained or if the relevant Furnishing Entity waives compliance with the provisions of this Confidentiality Agreement in writing, you agree to furnish only such information as you are legally required to disclose, at the sole expense of the relevant Furnishing Entity.

(4) Obligation to Return Evaluation Material. Promptly upon written request by or on behalf of the relevant Furnishing Entity, all material or documents, including copies thereof, that contain Evaluation Material will be destroyed or, in your sole discretion, returned to the relevant Furnishing Entity. Notwithstanding the foregoing, (a) the NRSRO may retain one or more copies of any document or other material containing Evaluation Material to the extent necessary for legal or regulatory compliance (or compliance with the NRSRO's internal policies and procedures designed to ensure legal or regulatory compliance) and (b) the NRSRO may retain any portion of the Evaluation Material that may be found in backup tapes or other archive or electronic media or other documents prepared by the NRSRO and any Evaluation Material obtained in an oral communication; provided, that any Evaluation Material so retained by the NRSRO will remain subject to this Confidentiality Agreement and the NRSRO will remain bound by the terms of this Confidentiality Agreement.

(5) Violations of this Confidentiality Agreement.

- (a) The NRSRO will be responsible for any breach of this Confidentiality Agreement by you, the NRSRO or any NRSRO Representative.
 - (b) You agree promptly to advise each relevant Furnishing Entity in writing of any misappropriation or unauthorized disclosure or use by any person of the Confidential Information which may come to your attention and to take all steps reasonably requested by such Furnishing Entity to limit, stop or otherwise remedy such misappropriation, or unauthorized disclosure or use.
 - (c) You acknowledge and agree that the Furnishing Entities would not have an adequate remedy at law and would be irreparably harmed in the event that any of the provisions of this Confidentiality Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that each Furnishing Entity shall be entitled to specific performance and injunctive relief to prevent breaches of this Confidentiality Agreement and to specifically enforce the terms and provisions hereof, in addition to any other remedy to which a Furnishing Entity may be entitled at law or in equity. It is further understood and agreed that no failure to or delay in exercising any right, power or privilege hereunder shall preclude any other or further exercise of any right, power or privilege.
- (6) Term.** Notwithstanding the termination or cancellation of this Confidentiality Agreement and regardless of whether the NRSRO has provided a credit rating on a Security, your obligations under this Confidentiality Agreement will survive indefinitely.
- (7) Governing Law.** This Confidentiality Agreement and any claim, controversy or dispute arising under the Confidentiality Agreement, the relationships of the parties and/or the interpretation and enforcement of the rights and duties of the parties shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made and to be performed within such State.
- (8) Amendments.** This Confidentiality Agreement may be modified or waived only by a separate writing by the NRSRO and each Furnishing Entity.
- (9) Entire Agreement.** This Confidentiality Agreement represents the entire agreement between you and the Furnishing Entities relating to the treatment of Confidential Information heretofore or hereafter reviewed or inspected by you. This agreement supersedes all other understandings and agreements between us relating to such matters; provided, however, that, if the terms of this Confidentiality Agreement conflict with another agreement relating to the Confidential Information that specifically states that the terms of such agreement shall supersede, modify or amend the terms of this Confidentiality Agreement, then to the extent the terms of this Confidentiality Agreement conflict with such agreement, the terms of such agreement shall control notwithstanding acceptance by you of the terms hereof by entry into this website.

FORM OF REPRESENTATIONS AND WARRANTIES FOR COLLATERAL INTERESTS

Capitalized terms used in this Exhibit O have the meanings assigned to such terms in the Collateral Interest Purchase Agreement.

A. Representations and Warranties Concerning Collateral Interests. With respect to each Collateral Interest:

- (1) Whole Loan; Fully Funded Participation; Ownership of Collateral Interests. Each Collateral Interest is either a whole loan or a fully funded participation interest in a whole loan. Each Participation is a fully funded senior, *pari passu* or senior *pari passu* participation interest (with no existing more-senior participation interest) in a Commercial Real Estate Loan. At the time of the sale, transfer and assignment to the Issuer, no Mortgage Note, Mortgage or Participation was subject to any assignment (other than assignments to the Seller), participation (other than with respect to a Participation) or pledge, and the Seller had good title to, and was the sole owner of, each Commercial Real Estate Loan free and clear of any and all liens, charges, pledges, encumbrances, participations (other than with respect to a Participation), any other ownership interests on, in or to such Commercial Real Estate Loan other than any servicing rights appointment or similar agreement. The Seller has full right and authority to sell, assign and transfer each Commercial Real Estate Loan, and the assignment to the Issuer constitutes a legal, valid and binding assignment of such Commercial Real Estate Loan free and clear of any and all liens, pledges, charges or security interests of any nature encumbering such Commercial Real Estate Loan.
- (2) Collateral Interest Schedule. The information pertaining to each Collateral Interest which is set forth in the closing date collateral interest schedule attached as Exhibit A to the Collateral Interest Purchase Agreement is true and correct in all material respects as of the Cut-off Date and contains all information required by the Collateral Interest Purchase Agreement to be contained therein.

B. Representations and Warranties Concerning Mortgage Loans. With respect to each Mortgage Loan:

- (1) Whole Loan. Each Mortgage Loan is a whole loan and not a participation interest in a loan.
- (2) Loan Document Status. Each related Mortgage Note, Mortgage, Assignment of Leases, Rents and Profits (if a separate instrument), guaranty and other agreement executed by or on behalf of the related borrower, guarantor or other obligor in connection with such Mortgage Loan is the legal, valid and binding obligation of the related borrower, guarantor or other obligor (subject to any non-recourse provisions contained in any of the foregoing agreements and any applicable state anti-deficiency,

one action, or market value limit deficiency legislation), as applicable, and is enforceable in accordance with its terms, except (i) as such enforcement may be limited by (a) bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (b) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law) and (ii) that certain provisions in such Loan Documents (including, without limitation, provisions requiring the payment of default interest, late fees or prepayment/yield maintenance fees, charges and/or premiums) are, or may be, further limited or rendered unenforceable by or under applicable law, but (subject to the limitations set forth in clause (i) above) such limitations or unenforceability will not render such Loan Documents invalid as a whole or materially interfere with the mortgagee's realization of the principal benefits and/or security provided thereby (clauses (i) and (ii) collectively, the "**Standard Qualifications**").

Except as set forth in the immediately preceding sentences, there is no valid offset, defense, counterclaim or right of rescission available to the related borrower with respect to any of the related Mortgage Notes, Mortgages or other Loan Documents, including, without limitation, any such valid offset, defense, counterclaim or right based on intentional fraud by the Seller in connection with the origination of the Mortgage Loan, that would deny the mortgagee the principal benefits intended to be provided by the Mortgage Note, Mortgage or other Loan Documents.

- (3) Mortgage Provisions. The Loan Documents for each Mortgage Loan contain provisions that render the rights and remedies of the holder thereof adequate for the practical realization against the Mortgaged Property of the principal benefits of the security intended to be provided thereby, including realization by judicial or, if applicable, non-judicial foreclosure subject to the limitations set forth in the Standard Qualifications.
- (4) Mortgage Status; Waivers and Modifications. Since origination and except by written instruments set forth in the related Collateral Interest File or as otherwise provided in the related Loan Documents (a) the material terms of such Mortgage, Mortgage Note, Mortgage Loan guaranty, Participation Agreement or Amended Participation Agreement, if applicable, and related Loan Documents have not been waived, impaired, modified, altered, satisfied, canceled, subordinated or rescinded in any respect that could be reasonably expected to have a material adverse effect on such Mortgage Loan; (b) no related Mortgaged Property or any portion thereof has been released from the lien of the related Mortgage in any manner which materially interferes with the security intended to be provided by such Mortgage or the use or operation of the remaining portion of such Mortgaged Property; and (c) neither the related borrower nor the related guarantor nor the related participating institution has been released from its material obligations under the Mortgage Loan or Participation, if applicable. With respect to each Mortgage Loan, except as contained in a written document included in the Collateral Interest File, there have been no modifications,

amendments or waivers, that could be reasonably expected to have a material adverse effect on such Mortgage Loan consented to by the Seller on or after the Cut-off Date.

- (5) Lien; Valid Assignment. Subject to the Standard Qualifications, each assignment of Mortgage and assignment of Assignment of Leases, Rents and Profits to the Issuer constitutes a legal, valid and binding assignment to the Issuer. Each related Mortgage and Assignment of Leases, Rents and Profits is freely assignable without the consent of the related borrower. Each related Mortgage is a legal, valid and enforceable first lien on the related borrower's fee or leasehold interest in the Mortgaged Property in the principal amount of such Mortgage Loan or Allocated Loan Amount (subject only to Permitted Encumbrances (as defined below) and the exceptions to paragraph (6) set forth in Exhibit B to the Collateral Interest Purchase Agreement (each such exception, a "**Title Exception**")), except as the enforcement thereof may be limited by the Standard Qualifications. Such Mortgaged Property (subject to and excepting Permitted Encumbrances and the Title Exceptions) as of origination was, and as of the Cut-off Date, to the Seller's knowledge, is free and clear of any recorded mechanics' liens, recorded materialmen's liens and other recorded encumbrances which are prior to or equal with the lien of the related Mortgage, except those which are bonded over, escrowed for or insured against by a lender's title insurance policy (as described below), and, to the Seller's knowledge and subject to the rights of tenants (as tenants only) (subject to and excepting Permitted Encumbrances and the Title Exceptions), no rights exist which under law could give rise to any such lien or encumbrance that would be prior to or equal with the lien of the related Mortgage, except those which are bonded over, escrowed for or insured against by a lender's title insurance policy (as described below). Notwithstanding anything herein to the contrary, no representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of Uniform Commercial Code ("**UCC**") financing statements is required in order to effect such perfection.
- (6) Permitted Liens; Title Insurance. Each Mortgaged Property securing a Mortgage Loan is covered by an American Land Title Association loan title insurance policy or a comparable form of loan title insurance policy approved for use in the applicable jurisdiction (or, if such policy is yet to be issued, by a pro forma policy, a preliminary title policy with escrow instructions or a "marked up" commitment, in each case binding on the title insurer) (the "**Title Policy**") in the original principal amount of such Mortgage Loan (or with respect to a Mortgage Loan secured by multiple properties, an amount equal to at least the Allocated Loan Amount with respect to the Title Policy for each such property) after all advances of principal (including any advances held in escrow or reserves), that insures for the benefit of the owner of the indebtedness secured by the Mortgage, the first priority lien of the Mortgage, which lien is subject only to (a) the lien of current real property taxes, water charges, sewer rents and assessments not yet due and payable; (b) covenants, conditions and restrictions, rights of way, easements and other matters of public record; (c) the exceptions (general and specific) and exclusions set forth in such Title Policy or

appearing of record; (d) other matters to which like properties are commonly subject; (e) the rights of tenants (as tenants only) under leases (including subleases) pertaining to the related Mortgaged Property and condominium declarations; and (f) if the related Mortgage Loan is cross-collateralized and cross-defaulted with another Mortgage Loan (each a “**Crossed Mortgage Loan**”), the lien of the Mortgage for another Mortgage Loan that is cross-collateralized and cross-defaulted with such Crossed Mortgage Loan, *provided* that none of which items (a) through (f), individually or in the aggregate, materially and adversely interferes with the value or current use of the Mortgaged Property or the security intended to be provided by such Mortgage or the borrower’s ability to pay its obligations when they become due (collectively, the “**Permitted Encumbrances**”). Except as contemplated by clause (f) of the preceding sentence, none of the Permitted Encumbrances are mortgage liens that are senior to or coordinate and co-equal with the lien of the related Mortgage. Such Title Policy (or, if it has yet to be issued, the coverage to be provided thereby) is in full force and effect, all premiums thereon have been paid and no claims have been made by the Seller thereunder and no claims have been paid thereunder. Neither the Seller, nor to the Seller’s knowledge, any other holder of the Mortgage Loan, has done, by act or omission, anything that would materially impair the coverage under such Title Policy.

- (7) Junior Liens. It being understood that B notes secured by the same Mortgage as a Mortgage Loan are not subordinate mortgages or junior liens, except for any Crossed Mortgage Loan, there are, as of origination, and to the Seller’s knowledge, as of the Cut-off Date, no subordinate mortgages or junior liens securing the payment of money encumbering the related Mortgaged Property (other than Permitted Encumbrances and the Title Exceptions, taxes and assessments, mechanics and materialmen’s liens (which are the subject of the representation in paragraph (5) above), and equipment and other personal property financing). Other than any Mezzanine Loan that is part of a Combined Loan, the Seller has no knowledge of any mezzanine debt secured directly by interests in the related borrower, except as set forth in the Exhibit B to the Collateral Interest Purchase Agreement.
- (8) Assignment of Leases, Rents and Profits. There exists as part of the related Collateral Interest File an Assignment of Leases, Rents and Profits (either as a separate instrument or incorporated into the related Mortgage). Subject to the Permitted Encumbrances and the Title Exceptions, each related Assignment of Leases, Rents and Profits creates a valid first-priority collateral assignment of, or a valid first-priority lien or security interest in, rents and certain rights under the related lease or leases, subject only to a license granted to the related borrower to exercise certain rights and to perform certain obligations of the lessor under such lease or leases, including the right to operate the related leased property, except as the enforcement thereof may be limited by the Standard Qualifications. The related Mortgage or related Assignment of Leases, Rents and Profits, subject to applicable law, provides that, upon an event of default under the Mortgage Loan, a receiver is permitted to be

appointed for the collection of rents or for the related mortgagee to enter into possession to collect the rents or for rents to be paid directly to the mortgagee.

- (9) UCC Filings. If the related Mortgaged Property is operated as a hospitality property, the Seller has filed and/or recorded or caused to be filed and/or recorded (or, if not filed and/or recorded, have been submitted in proper form for filing and/or recording), UCC financing statements in the appropriate public filing and/or recording offices necessary at the time of the origination of the Mortgage Loan to perfect a valid security interest in all items of physical personal property reasonably necessary to operate such Mortgaged Property owned by such borrower and located on the related Mortgaged Property (other than any non-material personal property, any personal property subject to a purchase money security interest, a sale and leaseback financing arrangement as permitted under the terms of the related Loan Documents or any other personal property leases applicable to such personal property), to the extent perfection may be effected pursuant to applicable law by recording or filing, as the case may be. Subject to the Standard Qualifications, each related Mortgage (or equivalent document) creates a valid and enforceable lien and security interest on the items of personalty described above. No representation is made as to the perfection of any security interest in rents or other personal property to the extent that possession or control of such items or actions other than the filing of UCC financing statements are required in order to effect such perfection.
- (10) Condition of Property. The Seller or the originator of the Mortgage Loan inspected or caused to be inspected each related Mortgaged Property within six months of origination of the Mortgage Loan and within twelve months of the Cut-off Date.

An engineering report or property condition assessment was prepared in connection with the origination of each Mortgage Loan no more than twelve months prior to the Cut-off Date. To the Seller's knowledge, based solely upon due diligence customarily performed in connection with the origination of comparable mortgage loans, as of the Closing Date, each related Mortgaged Property was free and clear of any material damage (other than (i) any damage or deficiency that is estimated to cost less than \$50,000 to repair, (ii) any deferred maintenance for which escrows were established at origination and (iii) any damage fully covered by insurance) that would affect materially and adversely the use or value of such Mortgaged Property as security for the Mortgage Loan.

- (11) Taxes and Assessments. All real estate taxes, governmental assessments and other similar outstanding governmental charges (including, without limitation, water and sewage charges), or installments thereof, that could be a lien on the related Mortgaged Property that would be of equal or superior priority to the lien of the Mortgage and that prior to the Cut-off Date have become delinquent in respect of each related Mortgaged Property have been paid, or an escrow of funds has been established in an amount sufficient to cover such payments and reasonably estimated interest and penalties, if any, thereon. For purposes of this representation and warranty, real estate

taxes and governmental assessments and other outstanding governmental charges and installments thereof shall not be considered delinquent until the earlier of (a) the date on which interest and/or penalties would first be payable thereon and (b) the date on which enforcement action is entitled to be taken by the related taxing authority.

- (12) Condemnation. As of the date of origination and to the Seller's knowledge as of the Cut-off Date, there is no proceeding pending, and, to the Seller's knowledge as of the date of origination and as of the Cut-off Date, there is no proceeding threatened, for the total or partial condemnation of such Mortgaged Property that would have a material adverse effect on the value, use or operation of the Mortgaged Property.
- (13) Actions Concerning Mortgage Loan. To the Seller's knowledge, based on evaluation of the Title Policy (as defined in paragraph 6), an engineering report or property condition assessment as described in paragraph 10, applicable local law compliance materials as described in paragraph 24, reasonable and customary bankruptcy, civil records, UCC-1, and judgment searches of the borrowers and guarantors, and the ESA (as defined in paragraph 40), on and as of the date of origination and as of the Cut-off Date, there was no pending or filed action, suit or proceeding, involving any borrower, guarantor, or borrower's interest in the Mortgaged Property, an adverse outcome of which would reasonably be expected to materially and adversely affect (a) such borrower's title to the Mortgaged Property, (b) the validity or enforceability of the Mortgage, (c) such borrower's ability to perform under the related Mortgage Loan, (d) such guarantor's ability to perform under the related guaranty, (e) the principal benefit of the security intended to be provided by the Loan Documents or (f) the current principal use of the Mortgaged Property.
- (14) Escrow Deposits. All escrow deposits and payments required to be escrowed with lender pursuant to each Mortgage Loan are in the possession, or under the control, of the Seller or its servicer, and there are no deficiencies (subject to any applicable grace or cure periods) in connection therewith, and all such escrows and deposits (or the right thereto) that are required to be escrowed with lender under the related Loan Documents are being conveyed by the Seller to the Issuer or its servicer.
- (15) No Holdbacks. The Principal Balance as of the Cut-off Date of the Collateral Interest as set forth on Exhibit A to the Collateral Interest Purchase Agreement has been fully disbursed as of the Cut-off Date and there is no requirement for future advances thereunder except in those cases where the full amount of the Mortgage Loan has been disbursed but a portion thereof is being held in escrow or reserve accounts pending the satisfaction of certain conditions relating to leasing, repairs or other matters with respect to the related Mortgaged Property, the borrower or other considerations determined by the Seller to merit such holdback.
- (16) Insurance. Each related Mortgaged Property is, and is required pursuant to the related Mortgage to be, insured by a property insurance policy providing coverage for loss in accordance with coverage found under a "special cause of loss form" or "all risk form" that includes replacement cost valuation issued by an insurer meeting the

requirements of the related Loan Documents and having a claims-paying or financial strength rating of any one of the following: (i) at least “A-:VII” from A.M. Best Company, (ii) at least “A3” (or the equivalent) from Moody’s or (iii) at least “A-” from S&P (collectively, the “**Insurance Rating Requirements**”), in an amount (subject to a customary deductible) not less than the lesser of (1) the original principal balance of the Mortgage Loan and (2) the full insurable value on a replacement cost basis of the improvements, furniture, furnishings, fixtures and equipment owned by the borrower and included in the Mortgaged Property (with no deduction for physical depreciation), but, in any event, not less than the amount necessary or containing such endorsements as are necessary to avoid the operation of any coinsurance provisions with respect to the related Mortgaged Property.

Each related Mortgaged Property is also covered, and required to be covered pursuant to the related Loan Documents, by business interruption or rental loss insurance which (subject to a customary deductible) covers a period of not less than 12 months (or with respect to each Mortgage Loan on a single asset with a principal balance of \$50 million or more, 18 months).

If any material part of the improvements, exclusive of a parking lot, located on a Mortgaged Property is in an area identified in the Federal Register by the Federal Emergency Management Agency as having special flood hazards, the related borrower is required to maintain insurance in an amount that is at least equal to the lesser of (1) the outstanding principal balance of the Mortgage Loan and (2) the maximum amount of such insurance available under the National Flood Insurance Program plus additional amounts as required by lender.

If the Mortgaged Property is located within 25 miles of the coast of the Gulf of Mexico or the Atlantic coast of Florida, Georgia, South Carolina or North Carolina, the related borrower is required to maintain coverage for windstorm and/or windstorm related perils and/or “named storms” issued by an insurer meeting the Insurance Rating Requirements or endorsement covering damage from windstorm and/or windstorm related perils and/or named storms.

The Mortgaged Property is covered, and required to be covered pursuant to the related Loan Documents, by a commercial general liability insurance policy issued by an insurer meeting the Insurance Rating Requirements including coverage for property damage, contractual damage and personal injury (including bodily injury and death) in amounts as are generally required by the Seller for loans originated for securitization, and in any event not less than \$1 million per occurrence and \$2 million in the aggregate.

An architectural or engineering consultant has performed an analysis of each of the Mortgaged Properties located in seismic zones 3 or 4 in order to evaluate the structural and seismic condition of such property, for the sole purpose of assessing either the scenario expected limit (“**SEL**”) or the probable maximum loss (“**PML**”) for the Mortgaged Property in the event of an earthquake. In such instance, the SEL

or PML, as applicable, was based on a 475-year return period, an exposure period of 50 years and a 10% probability of exceedance. If the resulting report concluded that the SEL or PML, as applicable, would exceed 20% of the amount of the replacement costs of the improvements, earthquake insurance on such Mortgaged Property was obtained by an insurer rated at least "A:VII" by A.M. Best Company or "A3" (or the equivalent) from Moody's or "A-" by S&P, in an amount not less than 100% of the SEL or PML, as applicable.

The Loan Documents require insurance proceeds in respect of a property loss to be applied either (a) to the repair or restoration of all or part of the related Mortgaged Property, with respect to all property losses in excess of 5% of the then outstanding principal amount of the related Mortgage Loan, the lender (or a trustee appointed by it) having the right to hold and disburse such proceeds as the repair or restoration progresses, or (b) to the reduction of the outstanding principal balance of such Mortgage Loan together with any accrued interest thereon.

All premiums on all insurance policies referred to in this section required to be paid as of the Cut-off Date have been paid, and such insurance policies name the lender under the Mortgage Loan and its successors and assigns as a loss payee under a mortgagee endorsement clause or, in the case of the general liability insurance policy, as named or additional insured. Such insurance policies will inure to the benefit of the Trustee. Each related Mortgage Loan obligates the related borrower to maintain all such insurance and, at such borrower's failure to do so, authorizes the lender to maintain such insurance at the borrower's cost and expense and to charge such borrower for related premiums. All such insurance policies (other than commercial liability policies) require at least 10 days' prior notice to the lender of termination or cancellation arising because of nonpayment of a premium and at least 30 days' prior notice to the lender of termination or cancellation (or such lesser period, not less than 10 days, as may be required by applicable law) arising for any reason other than non-payment of a premium and no such notice has been received by the Seller.

- (17) Access; Utilities; Separate Tax Lots. Each Mortgaged Property (a) is located on or adjacent to a public road and has direct legal access to such road, or has access via an irrevocable easement or irrevocable right of way permitting ingress and egress to/from a public road, (b) is served by or has uninhibited access rights to public or private water and sewer (or well and septic) and all required utilities, all of which are appropriate for the current use of the Mortgaged Property, and (c) constitutes one or more separate tax parcels which do not include any property which is not part of the Mortgaged Property or is subject to an endorsement under the related Title Policy insuring the Mortgaged Property, or in certain cases, an application has been, or will be, made to the applicable governing authority for creation of separate tax lots, in which case the Mortgage Loan requires the borrower to escrow an amount sufficient to pay taxes for the existing tax parcel of which the Mortgaged Property is a part until the separate tax lots are created or the non-recourse carveout guarantor under the

Mortgage Loan has indemnified the mortgagee for any loss suffered in connection therewith.

- (18) No Encroachments. To the Seller's knowledge based solely on surveys obtained in connection with origination (which may have been a previously existing "as built" survey) and the lender's Title Policy (or, if such policy is not yet issued, a pro forma title policy, a preliminary title policy with escrow instructions or a "marked up" commitment) obtained in connection with the origination of each Mortgage Loan, all material improvements that were included for the purpose of determining the appraised value of the related Mortgaged Property at the time of the origination of such Mortgage Loan are within the boundaries of the related Mortgaged Property, except encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No improvements on adjoining parcels encroach onto the related Mortgaged Property except for encroachments that do not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements were obtained under the Title Policy. No material improvements encroach upon any easements except for encroachments the removal of which would not materially and adversely affect the value or current use of such Mortgaged Property or for which insurance or endorsements have been obtained under the Title Policy.
- (19) No Contingent Interest or Equity Participation. No Mortgage Loan has a shared appreciation feature, any other contingent interest feature or a negative amortization feature or an equity participation by the Seller.
- (20) [Intentionally left blank.]
- (21) Compliance with Usury Laws. The Mortgage Rate (exclusive of any default interest, late charges, yield maintenance charges, exit fees, or prepayment premiums) of such Mortgage Loan complied as of the date of origination with, or was exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.
- (22) Authorized to do Business. To the extent required under applicable law, as of the Cut-off Date and as of each date that the Seller held the Mortgage Note, the Seller was authorized to transact and do business in the jurisdiction in which each related Mortgaged Property is located, or the failure to be so authorized does not materially and adversely affect the enforceability of such Mortgage Loan by the Issuer.
- (23) Trustee under Deed of Trust. With respect to each Mortgage which is a deed of trust, as of the date of origination and, to the Seller's knowledge, as of the Closing Date, a trustee, duly qualified under applicable law to serve as such, currently so serves and is named in the deed of trust or has been substituted in accordance with the Mortgage and applicable law or may be substituted in accordance with the Mortgage and applicable law by the related mortgagee.

- (24) Local Law Compliance. To the Seller's knowledge, based upon any of a letter from any governmental authorities, a legal opinion, an architect's letter, a zoning consultant's report, an endorsement to the related Title Policy, or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial, multi-family and manufactured housing community mortgage loans intended for securitization, with respect to the improvements located on or forming part of each Mortgaged Property securing a Mortgage Loan as of the date of origination of such Mortgage Loan and as of the Cut-off Date, there are no material violations of applicable zoning ordinances, building codes and land laws (collectively, "**Zoning Regulations**") other than those which (i) constitute a legal non-conforming use or structure, as to which the Mortgaged Property may be restored or repaired to the full extent necessary to maintain the use of the structure immediately prior to a casualty or the inability to restore or repair to the full extent necessary to maintain the use or structure immediately prior to the casualty would not materially and adversely affect the use or operation of the Mortgaged Property, (ii) are insured by the Title Policy or other insurance policy, (iii) are insured by law and ordinance insurance coverage in amounts customarily required by the Seller for loans originated for securitization that provides coverage for additional costs to rebuild and/or repair the property to current Zoning Regulations or (iv) would not have a material adverse effect on the Mortgage Loan. The terms of the Loan Documents require the borrower to comply in all material respects with all applicable governmental regulations, zoning and building laws.
- (25) Licenses and Permits. Each borrower covenants in the Loan Documents that it shall keep all material licenses, permits and applicable governmental authorizations necessary for its operation of the Mortgaged Property in full force and effect, and to the Seller's knowledge based upon a letter from any government authorities or other affirmative investigation of local law compliance consistent with the investigation conducted by the Seller for similar commercial, multi-family and manufactured housing community mortgage loans intended for securitization, all such material licenses, permits and applicable governmental authorizations are in effect. The Mortgage Loan requires the related borrower to be qualified to do business in the jurisdiction in which the related Mortgaged Property is located.
- (26) Recourse Obligations. The Loan Documents for each Mortgage Loan provide that such Mortgage Loan is non-recourse to the related parties thereto except that (a) the related borrower and at least one individual or entity shall be fully liable for actual losses, liabilities, costs and damages arising from certain acts of the related borrower and/or its principals specified in the related Loan Documents, which acts generally include the following: (i) acts of fraud or intentional material misrepresentation, (ii) misappropriation of rents (following an Event of Default), insurance proceeds or condemnation awards, (iii) intentional material physical waste of the Mortgaged Property (except, in certain cases, to the extent sufficient rents are not available from the Mortgaged Property to prevent such waste), and (iv) any breach of the environmental covenants contained in the related Loan Documents, and (b) the

Mortgage Loan shall become full recourse to the related borrower and at least one individual or entity, if the related borrower files a voluntary petition under federal or state bankruptcy or insolvency law.

- (27) Mortgage Releases. The terms of the related Mortgage or related Loan Documents do not provide for release of any material portion of the Mortgaged Property from the lien of the Mortgage except (a) a partial release, accompanied by principal repayment of not less than a specified percentage at least equal to the lesser of (i) 110% of the related Allocated Loan Amount of such portion of the Mortgaged Property and (ii) the outstanding principal balance of the Mortgage Loan, (b) upon payment in full of such Mortgage Loan, (c) releases of out-parcels that are unimproved or other portions of the Mortgaged Property which will not have a material adverse effect on the underwritten value of the Mortgaged Property and which were not afforded any material value in the appraisal obtained at the origination of the Mortgage Loan and are not necessary for physical access to the Mortgaged Property or compliance with zoning requirements, or (d) as required pursuant to an order of condemnation.
- (28) Financial Reporting and Rent Rolls. The Loan Documents for each Mortgage Loan require the borrower to provide the owner or holder of the Mortgage with quarterly or monthly (other than for single-tenant properties) and annual operating statements, and quarterly or monthly (other than for single-tenant properties) rent rolls for properties that have leases contributing more than 5% of the in-place base rent and annual financial statements, which annual financial statements with respect to each Mortgage Loan with more than one borrower are in the form of an annual combined balance sheet of the borrower entities (and no other entities), together with the related combined statements of operations, members' capital and cash flows, including a combining balance sheet and statement of income for the Mortgaged Properties on a combined basis.
- (29) Acts of Terrorism Exclusion. With respect to each Mortgage Loan over \$20 million, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) do not specifically exclude Acts of Terrorism, as defined in the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 and further amended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (collectively referred to as "**TRIA**"), from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each other Mortgage Loan, the related special-form all-risk insurance policy and business interruption policy (issued by an insurer meeting the Insurance Rating Requirements) did not, as of the date of origination of the Mortgage Loan, and, to the Seller's knowledge, do not, as of the Cut-off Date, specifically exclude Acts of Terrorism, as defined in TRIA, from coverage, or if such coverage is excluded, it is covered by a separate terrorism insurance policy. With respect to each Mortgage Loan, the related Loan Documents generally only require that the related borrower take commercially reasonable efforts to obtain insurance against damage resulting from acts of terrorism

and other acts of sabotage unless lack of such insurance will result in a downgrade of the ratings of the related Mortgage Loan. With respect to each Mortgage Loan, the related Loan Documents do not expressly waive or prohibit the mortgagee from requiring coverage for Acts of Terrorism, as defined in TRIA, or damages related thereto except to the extent that any right to require such coverage may be limited by commercial availability on commercially reasonable terms, or as otherwise indicated in Exhibit B of the Collateral Interest Purchase Agreement; *provided, however*, that if TRIA or a similar or subsequent statute is not in effect, then, *provided* that terrorism insurance is commercially available, the borrower under each Mortgage Loan is required to carry terrorism insurance, but in such event the borrower shall not be required to spend on terrorism insurance coverage more than two times the amount of the insurance premium that is payable in respect of the property and business interruption/rental loss insurance required under the related Loan Documents (without giving effect to the cost of terrorism and earthquake components of such casualty and business interruption/rental loss insurance) at such time, and if the cost of terrorism insurance exceeds such amount, the borrower is required to purchase the maximum amount of terrorism insurance available with funds equal to such amount.

- (30) Due on Sale or Encumbrance. Subject to specific exceptions set forth below, each Mortgage Loan contains a “due on sale” or other such provision for the acceleration of the payment of the Principal Balance of such Mortgage Loan if, without the consent of the holder of the Mortgage (which consent, in some cases, may not be unreasonably withheld) and/or complying with the requirements of the related Loan Documents (which provide for transfers without the consent of the lender which are customarily acceptable to the Seller lending on the security of property comparable to the related Mortgaged Property, including, without limitation, transfers of worn-out or obsolete furnishings, fixtures, or equipment promptly replaced with property of equivalent value and functionality and transfers by leases entered into in accordance with the Loan Documents), (a) the related Mortgaged Property, or any equity interest of greater than 50% in the related borrower, is directly or indirectly pledged, transferred or sold, other than as related to (i) family and estate planning transfers or transfers upon death or legal incapacity, (ii) transfers to certain affiliates as defined in the related Loan Documents, (iii) transfers that do not result in a change of Control of the related borrower or transfers of passive interests so long as the guarantor retains Control, (iv) transfers to another holder of direct or indirect equity in the borrower, a specific Person designated in the related Loan Documents or a Person satisfying specific criteria identified in the related Loan Documents, such as a qualified equity holder, (v) transfers of stock or similar equity units in publicly traded companies or (vi) a substitution or release of collateral within the parameters of paragraph (27) herein, or (vii) by reason of any mezzanine debt that existed at the origination of the related Mortgage Loan, or future permitted mezzanine debt, in each case as set forth in the Exhibit B of the Collateral Interest Purchase Agreement or (b) the related Mortgaged Property is encumbered with a subordinate lien or security interest against the related Mortgaged Property, other than (i) any companion loan or any subordinate debt that existed at origination and is permitted under the related Loan Documents,

(ii) purchase money security interests, (iii) any Crossed Mortgage Loan as set forth in Exhibit B of the Collateral Interest Purchase Agreement or (iv) Permitted Encumbrances. For purposes of the foregoing representation, “**Control**” means the power to direct the management and policies of an entity, directly or indirectly, whether through the ownership of voting securities or other beneficial interests, by contract or otherwise.

- (31) Single-Purpose Entity. Each Mortgage Loan requires the borrower to be a Single-Purpose Entity for at least as long as the Mortgage Loan is outstanding. Both the Loan Documents and the organizational documents of the borrower with respect to each Mortgage Loan with a Principal Balance as of the Cut-off Date in excess of \$5 million provide that the borrower is a Single-Purpose Entity, and each Mortgage Loan with a Principal Balance as of the Cut-off Date of \$20 million or more has a counsel’s opinion regarding non-consolidation of the borrower. For this purpose, a “**Single-Purpose Entity**” shall mean an entity, other than an individual, whose organizational documents (or if the Mortgage Loan has a Principal Balance as of the Cut-off Date equal to \$5 million or less, its organizational documents or the related Loan Documents) provide substantially to the effect that it was formed or organized solely for the purpose of owning and operating one or more of the Mortgaged Properties securing the Mortgage Loans and prohibit it from engaging in any business unrelated to such Mortgaged Property or Properties, and whose organizational documents further provide, or which entity represented in the related Loan Documents, substantially to the effect that it does not have any assets other than those related to its interest in and operation of such Mortgaged Property or Properties, or any indebtedness other than as permitted by the related Mortgage(s) or the other related Loan Documents, that it has its own books and records and accounts separate and apart from those of any other person (other than a borrower for a Crossed Mortgage Loan), and that it holds itself out as a legal entity, separate and apart from any other person or entity.
- (32) [Intentionally left blank].
- (33) Floating Interest Rates. Each Mortgage Loan bears interest at a floating rate of interest that is based on LIBOR (or another generally acceptable floating rate index or successor benchmark rate) *plus* a margin (which interest rate may be subject to a minimum or “floor” rate).
- (34) Ground Leases. For purposes of the Collateral Interest Purchase Agreement, a “**Ground Lease**” shall mean a lease creating a leasehold estate in real property where the fee owner as the ground lessor or sub ground lessor conveys for a term or terms of years its entire interest in the land and buildings and other improvements, if any, comprising the premises demised under such lease to the ground lessee (who may, in certain circumstances, own the building and improvements on the land), subject to the reversionary interest of the ground lessor as fee owner and does not include industrial

development agency (IDA) or similar leases for purposes of conferring a tax abatement or other benefit.

With respect to any Mortgage Loan where the Mortgage Loan is secured by a leasehold estate under a Ground Lease in whole or in part, and the related Mortgage does not also encumber the related lessor's fee interest in such Mortgaged Property, based upon the terms of the Ground Lease and any estoppel or other agreement received from the ground lessor in favor of the Seller, its successors and assigns, the Seller represents and warrants that:

- (a) The Ground Lease or a memorandum regarding such Ground Lease has been duly recorded or submitted for recordation in a form that is acceptable for recording in the applicable jurisdiction. The Ground Lease or an estoppel or other agreement received from the ground lessor permits the interest of the lessee to be encumbered by the related Mortgage and does not restrict the use of the related Mortgaged Property by such lessee, its successors or assigns in a manner that would materially adversely affect the security provided by the related Mortgage;
- (b) The lessor under such Ground Lease has agreed in a writing included in the related Collateral Interest File (or in such Ground Lease) that the Ground Lease may not be amended or modified, or cancelled or terminated by agreement of lessor and lessee, without the prior written consent of the lender (except termination or cancellation if (i) notice of a default under the Ground Lease is provided to lender and (ii) such default is curable by lender as provided in the Ground Lease but remains uncured beyond the applicable cure period), and no such consent has been granted by the Seller since the origination of the Mortgage Loan except as reflected in any written instruments which are included in the related Collateral Interest File;
- (c) The Ground Lease has an original term (or an original term *plus* one or more optional renewal terms, which, under all circumstances, may be exercised, and will be enforceable, by either borrower or the mortgagee) that extends not less than 20 years beyond the stated maturity of the related Mortgage Loan, or 10 years past the stated maturity if such Mortgage Loan fully amortizes by the stated maturity (or with respect to a Mortgage Loan that accrues on an actual 360 basis, substantially amortizes);
- (d) The Ground Lease either (i) is not subject to any liens or encumbrances superior to, or of equal priority with, the Mortgage, except for the related fee interest of the ground lessor and the Permitted Encumbrances, or (ii) is subject to a subordination, non-disturbance and attornment agreement to which the mortgagee on the lessor's fee interest in the Mortgaged Property is subject;
- (e) The Ground Lease does not place commercially unreasonable restrictions on the identity of the mortgagee and the Ground Lease is assignable to the holder

of the Mortgage Loan and its successors and assigns without the consent of the lessor thereunder, and in the event it is so assigned, it is further assignable by the holder of the Mortgage Loan and its successors and assigns without the consent of the lessor;

- (f) The Seller has not received any written notice of material default under or notice of termination of such Ground Lease. To the Seller's knowledge, there is no material default under such Ground Lease and no condition that, but for the passage of time or giving of notice, would result in a material default under the terms of such Ground Lease and to the Seller's knowledge, such Ground Lease is in full force and effect as of the Closing Date;
- (g) The Ground Lease or ancillary agreement between the lessor and the lessee requires the lessor to give to the lender written notice of any default, and provides that no notice of default or termination is effective against the lender unless such notice is given to the lender;
- (h) A lender is permitted a reasonable opportunity (including, where necessary, sufficient time to gain possession of the interest of the lessee under the Ground Lease through legal proceedings) to cure any default under the Ground Lease which is curable after the lender's receipt of notice of any default before the lessor may terminate the Ground Lease;
- (i) The Ground Lease does not impose any restrictions on subletting that would be viewed as commercially unreasonable by the Seller in connection with loans originated for securitization;
- (j) Under the terms of the Ground Lease, an estoppel or other agreement received from the ground lessor and the related Mortgage (taken together), any related insurance proceeds or the portion of the condemnation award allocable to the ground lessee's interest (other than (i) de minimis amounts for minor casualties or (ii) in respect of a total or substantially total loss or taking as addressed in clause (k) below) will be applied either to the repair or to restoration of all or part of the related Mortgaged Property with (so long as such proceeds are in excess of the threshold amount specified in the related Loan Documents) the lender or a trustee appointed by it having the right to hold and disburse such proceeds as repair or restoration progresses, or to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest;
- (k) In the case of a total or substantially total taking or loss, under the terms of the Ground Lease, an estoppel or other agreement and the related Mortgage (taken together), any related insurance proceeds, or portion of the condemnation award allocable to ground lessee's interest in respect of a total or substantially total loss or taking of the related Mortgaged Property to the extent not applied

to restoration, will be applied first to the payment of the outstanding principal balance of the Mortgage Loan, together with any accrued interest; and

- (l) Provided that the lender cures any defaults which are susceptible to being cured, the ground lessor has agreed to enter into a new lease with lender upon termination of the Ground Lease for any reason, including rejection of the Ground Lease in a bankruptcy proceeding.
- (35) Servicing. The servicing and collection practices used by the Seller with respect to the Mortgage Loan have been, in all material respects, legal and have met customary industry standards for servicing of similar commercial loans.
- (36) Origination and Underwriting. The origination practices of the Seller (or the related originator if the Seller was not the originator) with respect to each Mortgage Loan have been, in all material respects, legal and as of the date of its origination, such Mortgage Loan and the origination thereof complied in all material respects with, or was exempt from, all requirements of federal, state or local law relating to the origination of such Mortgage Loan; *provided* that such representation and warranty does not address or otherwise cover any matters with respect to federal, state or local law otherwise covered in the Collateral Interest Purchase Agreement.
- (37) No Material Default; Payment Record. No Mortgage Loan has been more than 30 days delinquent, without giving effect to any grace or cure period, in making required payments since origination, and as of the date hereof, no Mortgage Loan is more than 30 days delinquent (beyond any applicable grace or cure period) in making required payments as of the Closing Date. To the Seller's knowledge, there is (a) no material default, breach, violation or event of acceleration existing under the related Mortgage Loan or (b) no event (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, which default, breach, violation or event of acceleration, in the case of either clause (a) or clause (b), materially and adversely affects the value of the Mortgage Loan or the value, use or operation of the related Mortgaged Property, provided, however, that this representation and warranty does not cover any default, breach, violation or event of acceleration that specifically pertains to or arises out of an exception scheduled to any other representation and warranty made by the Seller in Exhibit B of the Collateral Interest Purchase Agreement. No person other than the holder of such Mortgage Loan may declare any event of default under the Mortgage Loan or accelerate any indebtedness under the Loan Documents.
- (38) Bankruptcy. As of the date of origination of the related Mortgage Loan and to the Seller's knowledge as of the Cut-off Date, no borrower, guarantor or tenant occupying a single-tenant property is a debtor in state or federal bankruptcy, insolvency or similar proceeding.

- (39) Organization of Borrower. With respect to each Mortgage Loan, in reliance on certified copies of the organizational documents of the borrower delivered by the borrower in connection with the origination of such Mortgage Loan, the borrower is an entity organized under the laws of a state of the United States of America, the District of Columbia or the Commonwealth of Puerto Rico. Except with respect to any Crossed Mortgage Loan, no Mortgage Loan has a borrower that is an Affiliate of another borrower. An “*Affiliate*” for purposes of this paragraph (39) means, a borrower that is under direct or indirect common ownership and control with another borrower.
- (40) Environmental Conditions. A Phase I environmental site assessment (or update of a previous Phase I and or Phase II site assessment) and, with respect to certain Mortgage Loans, a Phase II environmental site assessment (collectively, an “*ESA*”) meeting ASTM requirements was conducted by a reputable environmental consultant in connection with such Mortgage Loan within 12 months prior to its origination date (or an update of a previous ESA was prepared), and such ESA either (i) did not identify the existence of recognized environmental conditions (as such term is defined in ASTM E1527-13 or its successor, hereinafter “*Environmental Condition*”) at the related Mortgaged Property or the need for further investigation with respect to any Environmental Condition that was identified, or (ii) if the existence of an Environmental Condition or need for further investigation was indicated in any such ESA, then at least one of the following statements is true: (A) an amount reasonably estimated by a reputable environmental consultant to be sufficient to cover the estimated cost to cure any material noncompliance with applicable environmental laws or the Environmental Condition has been escrowed by the related borrower and is held or controlled by the related lender; (B) if the only Environmental Condition relates to the presence of asbestos-containing materials, radon in indoor air, lead based paint or lead in drinking water, and the only recommended action in the ESA is the institution of such a plan, an operations or maintenance plan has been required to be instituted by the related borrower that can reasonably be expected to mitigate the identified risk; (C) the Environmental Condition identified in the related environmental report was remediated or abated in all material respects prior to the date hereof, and, if and as appropriate, a no further action or closure letter was obtained from the applicable governmental regulatory authority (or the Environmental Condition affecting the related Mortgaged Property was otherwise listed by such governmental authority as “closed” or a reputable environmental consultant has concluded that no further action is required); (D) a secured creditor environmental policy or a pollution legal liability insurance policy that covers liability for the Environmental Condition was obtained from an insurer rated no less than A- (or the equivalent) by Moody’s, S&P and/or Fitch; (E) a party not related to the borrower was identified as the responsible party for such Environmental Condition and such responsible party has financial resources reasonably estimated to be adequate to address the situation; or (F) a party related to the borrower having financial resources reasonably estimated to be adequate to address the situation is required to take action. To the Seller’s knowledge, except as set forth in the ESA, there is no Environmental

Condition (as such term is defined in ASTM E1527-13 or its successor) at the related Mortgaged Property.

- (41) Appraisal. The Servicing File contains an appraisal of the related Mortgaged Property with an appraisal date within six months of the Mortgage Loan origination date, and within 12 months of the Closing Date. The appraisal is signed by an appraiser who is either a Member of the Appraisal Institute (“*MAI*”) and/or has been licensed and certified to prepare appraisals in the state where the Mortgaged Property is located. Each appraiser has represented in such appraisal or in a supplemental letter that the appraisal satisfies the requirements of the “*Uniform Standards of Professional Appraisal Practice*” as adopted by the Appraisal Standards Board of the Appraisal Foundation and has certified that such appraiser had no interest, direct or indirect, in the Mortgaged Property or the borrower or in any loan made on the security thereof, and its compensation is not affected by the approval or disapproval of the Mortgage Loan.
- (42) Cross-Collateralization. No Mortgage Loan is cross-collateralized or cross-defaulted with any mortgage loan that is not held by the Issuer.
- (43) Advance of Funds by the Seller. After origination, no advance of funds has been made by the Seller to the related borrower other than in accordance with the Loan Documents, and, to the Seller’s knowledge, no funds have been received from any person other than the related borrower or an affiliate for, or on account of, payments due on the Mortgage Loan (other than as contemplated by the Loan Documents, such as, by way of example and not in limitation of the foregoing, amounts paid by the tenant(s) into a lender-controlled lockbox if required or contemplated under the related lease or Loan Documents). Neither the Seller nor any affiliate thereof has any obligation to make any capital contribution to any borrower under a Mortgage Loan, other than contributions made on or prior to the date hereof.
- (44) Compliance with Anti-Money Laundering Laws. The Seller has complied in all material respects with all applicable anti-money laundering laws and regulations, including without limitation the USA PATRIOT Act of 2001 with respect to the origination of the Mortgage Loan, the failure to comply with which would have a material adverse effect on the Mortgage Loan.

C. Representations and Warranties Concerning Mezzanine Loans. With respect to each Mezzanine Loan:

- (1) Whole Loan. Each Mezzanine Loan is a whole loan and not a participation interest in a loan.
- (2) Loan Document Status. Each related mezzanine note, pledge agreement, guaranty and any other agreement executed by or on behalf of the related mezzanine borrower, guarantor or other obligor in connection with such Mezzanine Loan is the legal, valid and binding obligation of the related mezzanine borrower, guarantor or other obligor

(subject to any non-recourse provisions contained in any of the foregoing agreements and any applicable state anti-deficiency, one action, or market value limit deficiency legislation), as applicable, and is enforceable in accordance with its terms, except the Standard Qualifications.

Except as set forth in the immediately preceding sentences, there is no valid offset, defense, counterclaim or right of rescission available to the related mezzanine borrower with respect to any of the related note or other Mezzanine Loan documents, including, without limitation, any such valid offset, defense, counterclaim or right based on intentional fraud by Seller in connection with the origination of the Mezzanine Loan, that would deny the mezzanine lender the principal benefits intended to be provided by the note or other Mezzanine Loan documents.

- (3) Pledged Equity. The Mezzanine Loan is secured by a pledge of 100% of the direct or indirect equity interests the entity or entities that own the related Mortgaged Property or Mortgaged Properties.
- (4) Pledge Provisions. The Mezzanine Loan documents for each Mezzanine Loan contain provisions that render the rights and remedies of the holder thereof adequate for the practical realization against the pledged equity interests of the principal benefits of the security intended to be provided thereby, including realization by UCC foreclosure subject to the limitations set forth in the Standard Qualifications.
- (5) Loan Document Status; Waivers and Modifications. Since origination and except by written instruments set forth in the related Loan File or as otherwise provided in the related Mezzanine Loan documents (a) the material terms of the related Mezzanine Loan documents have not been waived, impaired, modified, altered, satisfied, canceled, subordinated or rescinded in any respect that could be reasonably expected to have a material adverse effect on such Mezzanine Loan; (b) no pledged equity has been released from the lien of the related pledge agreement in any manner which materially interferes with the security intended to be provided by such pledge agreement; and (c) neither the related mezzanine borrower nor the related guarantor has been released from its material obligations under the Mezzanine Loan. With respect to each Mezzanine Loan, except as contained in a written document included in the Loan File, there have been no modifications, amendments or waivers, that could be reasonably expected to have a material adverse effect on such Mezzanine Loan consented to by Seller on or after the Cut-off Date.
- (6) Lien; Valid Assignment. Subject to the Standard Qualifications, each assignment of Mezzanine Loan and agreements executed in connection therewith to the Issuer constitutes a legal, valid and binding assignment to the Issuer. Each Mezzanine Loan is freely assignable without the consent of the related borrower. The pledge of the collateral for the Mezzanine Loan creates a legal, valid and enforceable first priority security interest in such collateral, except as the enforcement thereof may be limited by the Standard Qualifications. Notwithstanding anything herein to the contrary, no representation is made as to the perfection of any security interest in personal

property to the extent that possession or control of such items or actions other than the filing of UCC financing statements is required in order to effect such perfection.

- (7) UCC 9 Policies. If the Seller's security interest in the Mezzanine Loan is covered by a UCC 9 insurance policy, with respect to the "UCC 9" policy relating to the Mezzanine Loan: (i) such policy is assignable by the Seller to the Issuer, (ii) such policy is in full force and effect, (iii) all premiums thereon have been paid, (iv) no claims have been made by or on behalf of the Seller thereunder, and (v) no claims have been paid thereunder.
- (8) Cross-Defaults. An event of default under the related Mortgage Loan will constitute an event of default with respect to the related Mezzanine Loan.
- (9) Payment Procedure. If a cash management agreement is in place with respect to the Mortgage Loan and Mezzanine Loan, except following the occurrence and during the occurrence of a Mortgage Loan event of default, any funds remaining in the related lockbox account for the Mortgage Loan after payment of all amounts due under the Loan Documents are required to be distributed to the holder of the Mezzanine Loan and distributed by the holder or the servicer of the Mortgage Loan, to the holder of the Mezzanine Loan in accordance with the Mezzanine Loan documents.
- (10) Insurance Proceeds. The Mezzanine Loan documents require that all insurance policies procured by the Mortgage Loan borrower with respect to the property under the related Loan Documents name the mezzanine lender, the related mezzanine borrower and their respective successors and assigns as the insured or additional insured, as their respective interests may appear.
- (11) Actions Concerning Mezzanine Loan. To the Seller's knowledge, based on judgment searches of the mezzanine borrowers and guarantors, on and as of the date of origination and as of the Cut-off Date, there was no pending or filed action, suit or proceeding, involving any mezzanine borrower an adverse outcome of which would reasonably be expected to materially and adversely affect (a) the validity or enforceability of the Mezzanine Loan, (b) such mezzanine borrower's ability to perform under the Mezzanine Loan, (c) such guarantor's ability to perform under the related guaranty or (d) the principal benefit of the security intended to be provided by the Mezzanine Loan documents.
- (12) Escrow Deposits. All escrow deposits and payments required to be escrowed with lender pursuant to each Mezzanine Loan are in the possession, or under the control, of the Seller or its servicer, and there are no deficiencies (subject to any applicable grace or cure periods) in connection therewith, and all such escrows and deposits (or the right thereto) that are required to be escrowed with lender under the related Mezzanine Loan documents are being conveyed by the Seller to Purchaser or its servicer.

- (13) No Holdbacks. The Stated Principal Balance as of the Cut-off Date of the Mezzanine Loan set forth on Exhibit A to the Collateral Interest Purchase Agreement has been fully disbursed as of the Cut-off Date and there is no requirement for future advances thereunder except in those cases where the full amount of the Mezzanine Loan has been disbursed but a portion thereof is being held in escrow or reserve accounts pending the satisfaction of certain conditions relating to leasing, repairs or other matters with respect to the related Mortgaged Property, the borrower or other considerations determined by Seller to merit such holdback.
- (14) No Contingent Interest or Equity Participation. No Mezzanine Loan has a shared appreciation feature, any other contingent interest feature or a negative amortization feature or an equity participation by Seller.
- (15) Compliance with Usury Laws. The Interest Rate (exclusive of any default interest, late charges, yield maintenance charges, exit fees, or prepayment premiums) of such Mezzanine Loan complied as of the date of origination with, or was exempt from, applicable state or federal laws, regulations and other requirements pertaining to usury.
- (16) Single-Purpose Entity. Each Mezzanine Loan requires the mezzanine borrower to be a Single-Purpose Entity for at least as long as the Mezzanine Loan is outstanding. Both the Mezzanine Loan documents and the organizational documents of the borrower with respect to each Mezzanine Loan with a Stated Principal Balance as of the Cut-off Date in excess of \$5 million provide that the borrower is a Single-Purpose Entity, and each Mezzanine Loan with a Stated Principal Balance as of the Cut-off Date of \$20 million or more has a counsel's opinion regarding non-consolidation of the borrower. For this purpose, a "Single-Purpose Entity" means an entity, other than an individual, whose organizational documents (or if the Mezzanine Loan has a Stated Principal Balance as of the Cut-off Date equal to \$5 million or less, its organizational documents or the related Mezzanine Loan documents) provide substantially to the effect that it was formed or organized solely for the purpose of owning the equity collateral securing the Mezzanine Loans and prohibit it from engaging in any business unrelated to its ownership of the equity collateral, and whose organizational documents further provide, or which entity represented in the related Mezzanine Loan documents, substantially to the effect that it does not have any assets other than those related to the equity collateral securing the Mezzanine Loans, or any indebtedness other than as permitted by the related Mezzanine Loan documents, that it has its own books and records and accounts separate and apart from those of any other person, and that it holds itself out as a legal entity, separate and apart from any other person or entity.
- (17) Floating Interest Rates. Each Mezzanine Loan bears interest at a floating rate of interest that is based on LIBOR *plus* a margin (which interest rate may be subject to a minimum or "floor" rate).

- (18) Servicing. The servicing and collection practices used by the Seller with respect to the Mezzanine Loan have been, in all material respects, legal and have met customary industry standards for servicing of similar commercial loans.
- (19) Origination and Underwriting. The origination practices of the Seller (or the related originator if the Seller was not the originator) with respect to each Mezzanine Loan have been, in all material respects, legal and as of the date of its origination, such Mezzanine Loan and the origination thereof complied in all material respects with, or was exempt from, all requirements of federal, state or local law relating to the origination of such Mezzanine Loan; *provided* that such representation and warranty does not address or otherwise cover any matters with respect to federal, state or local law otherwise covered in the Exhibit B to the Collateral Interest Purchase Agreement.
- (20) No Material Default; Payment Record. No Mezzanine Loan has been more than 30 days delinquent, without giving effect to any grace or cure period, in making required payments since origination, and as of the date hereof, no Mezzanine Loan is more than 30 days delinquent (beyond any applicable grace or cure period) in making required payments as of the Closing Date. To the Seller's knowledge, there is (a) no material default, breach, violation or event of acceleration existing under the related Mezzanine Loan or (b) no event (other than payments due but not yet delinquent) which, with the passage of time or with notice and the expiration of any grace or cure period, would constitute a material default, breach, violation or event of acceleration, which default, breach, violation or event of acceleration, in the case of either clause (a) or clause (b), materially and adversely affects the value of the Mezzanine Loan, *provided, however*, that this representation and warranty does not cover any default, breach, violation or event of acceleration that specifically pertains to or arises out of an exception scheduled to any other representation and warranty made by the Seller in Exhibit B of the Collateral Interest Purchase Agreement. No person other than the holder of such Mezzanine Loan (subject to the related Participation Agreement or Amended Participation Agreement) may declare any event of default under the Mezzanine Loan or accelerate any indebtedness under the Mezzanine Loan documents.
- (21) Bankruptcy. As of the date of origination of the related Mezzanine Loan and to the Seller's knowledge as of the Cut-off Date, no mezzanine borrower is a debtor in state or federal bankruptcy, insolvency or similar proceeding.
- (22) Organization of Mezzanine Borrower. With respect to each Mezzanine Loan, in reliance on certified copies of the organizational documents of the borrower delivered by the borrower in connection with the origination of such Mezzanine Loan, the borrower is an entity organized under the laws of a state of the United States of America, the District of Columbia or the Commonwealth of Puerto Rico.
- (23) Advance of Funds by the Seller. After origination, no advance of funds has been made by Seller to the related borrower other than in accordance with the Mezzanine Loan documents, and, to Seller's knowledge, no funds have been received from any

person other than the related mezzanine borrower or an affiliate for, or on account of, payments due on the Mezzanine Loan (other than as contemplated by the Mezzanine Loan documents, such as, by way of example and not in limitation of the foregoing, amounts paid by the tenant(s) into a lender-controlled lockbox if required or contemplated under the related lease or Loan Documents). Neither Seller nor any affiliate thereof has any obligation to make any capital contribution to any borrower under a Mezzanine Loan, other than contributions made on or prior to the date hereof.

- (24) Compliance with Anti-Money Laundering Laws. Seller has complied in all material respects with all applicable anti-money laundering laws and regulations, including without limitation the USA Patriot Act of 2001 with respect to the origination of the Mezzanine Loan, the failure to comply with which would have a material adverse effect on the Mezzanine Loan.

D. Representations and Warranties Concerning Owned Participations. With respect to each Participation:

- (1) The Seller is the record mortgagee of the related Mortgage Loan and, if applicable, the record pledgee of the related Mezzanine Loan and is the lead and control participant (“**Lead Participant**”) pursuant to a Participation Agreement or Amended Participation Agreement, as applicable, that is legal, valid and enforceable as between its parties, and which provides that the Lead Participant has full power, authority and discretion to service the Commercial Real Estate Loan, modify and amend the terms thereof, pursue remedies and enforcement actions, including foreclosure or other legal action, without consent or approval of any participant (each, a “**Third Party Participant**”) holding any related participation (the “**Other Participation Interests**”) and will convey record title to the related Mortgage Loan to the Issuer;
- (2) If the Participation is *pari passu* with any Other Participation Interests, the holder of such Other Participation Interest is required to pay its *pro rata* share of any expenses, costs and fees associated with servicing and enforcing rights and remedies under the related Commercial Real Estate Loan upon request therefor by the Lead Participant;
- (3) Each Participation Agreement or Amended Participation Agreement, as applicable, is effective to convey the related Other Participation Interests to the related Third Party Participants and is not intended to be or effective as a loan or other financing secured by the Commercial Real Estate Loan. The Lead Participant owes no fiduciary duty or obligation to any Third Party Participant pursuant to the Participation Agreement;
- (4) All amounts due and owing to any Third Party Participant pursuant to each Participation Agreement or Amended Participation Agreement, as applicable, have been duly and timely paid. There is no default by the Lead Participant, or to the Seller’s knowledge, by any Third Party Participant under any Participation Agreement or Amended Participation Agreement, as applicable;

- (5) To the Seller's knowledge, any Third Party Participant is not a debtor in any outstanding proceeding pursuant to the federal bankruptcy code;
- (6) The Seller has not received written notice of any outstanding liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind for which the holder of such Participation is or may become obligated;
- (7) The Lead Participant role, rights and responsibilities are assignable by the Seller without consent or approval other than those that have been obtained;
- (8) The terms of the Participation Agreement do not require or obligate the Lead Participant or its successor or assigns to repurchase any Other Participation Interest under any circumstances;
